*A Woman Killed With Kindness and Other Domestic Plays* - Ronald Williams 2017-02-08

In *A Woman Killed with Kindness*, a wife is caught by her husband in bed with his best friend. The *Witch of Edmonton* combines a true-life story of witchcraft with a fictitious tale of bigamy and wife-murder, and *The English Traveller* deals with the unexpected changes people find when they return home after a lengthy absence. Part of the Oxford English Drama series, this edition has modern-spelling, critical introductions, wide-ranging notes, a chronology of the plays, and appendices that address the question: who wrote *Arden of Faversham* and when did Thomas Heywood write *The English Traveller*.

This book is a collection of two plays written by popular English playwright Thomas Heywood, who lived in the 16th and 17 centuries. "A Woman Killed with Kindness" was first acted in 1603 and published in 1607, and "The Fair Maid of the West" was first acted and published in 1631. These works offer readers the opportunity to absorb some of Heywood's most prominent writings. "A Woman Killed with Kindness" is Thomas Heywood's signature drama. It is the story of John and Anne Frankford, a married couple, and a man by the name of Wendoll, a houseguest of the Frankford's. While living with the Frankford's Wendoll begins to pursue Anne, which causes great distress in the household. This play is considered a masterwork of the domestic tragedy subgenre, and demonstrates Early Elizabethan and Jacobean views of the world and the gender roles of men and women. While lesser known, "The Fair Maid of the West" is another seminal work by Thomas Heywood. Once again this play explores gender roles, this time in a play set in Plymouth, England the late 16th century. The principal character is Bess Bridges, a young woman who works at a bar in Plymouth. The two-part comedy explores the life and hardships of Bess, as she is pursued by men and seeks to carve her own path in the world. More humorous than "A Woman Killed with Kindness," "The Fair Maid of the West" still contains a good deal of drama and is an excellent representation of early modern English theatre. Fans of English Renaissance theatre will surely enjoy this collection of two of Thomas Heywood's greatest works. While written and first published decades apart, the two plays share a style and thematic interest in gender roles that are characteristic of Heywood's plays. This collection is highly recommended to both fans of Thomas Heywood and those who are unfamiliar with the playwright but curious about the history of English theatrical productions. [Women on the Early Modern Stage](#) - Emma Smith 2014-02-13

This *New Mermaids* anthology brings together four plays which centre around female characters on stage: *A Woman Killed With Kindness* (Thomas Heywood); *The Tamer Tamed* (John Fletcher); *The Duchess of Malfi* (John Webster) and *The Witch of Edmonton* (William Rowley, Thomas Dekker and John Ford) with a new introduction by leading scholar Emma Smith. *A Woman Killed with Kindness* is a domestic tragedy of property and marriage, adultery and revenge, and strips bare two women's lives in one of the first tragedies ever to be written about ordinary people. *The Tamer Tamed* is a free-wheeling and witty comedy in which the place and status of women, and the nature of marriage, are subjected to sustained attention, demonstrating one way in which early modern writers were able to challenge and invert social convention, and to at least imagine alternative modes of behaviour. *The Duchess of Malfi* is a classic revenge tragedy and masterpiece of the Jacobean bizarre, featuring a severed hand, a wolf-man, and a poisoned Bible. *The Witch of Edmonton* is a domestic tragedy in which Elizabeth Sawyer sells her soul to the Devil to revenge her neighbours. These four early modern plays play up old certainties about gender ideology: less 'chaste, silent and obedient' and more diverse, eloquent, and complex.

A Woman Killed with Kindness is an early seventeenth-century stage play, a tragedy written by Thomas Heywood. Acted in 1603 and first published in 1607, the play has generally been considered Heywood's masterpiece, and has received the most critical attention among Heywood's works. Along with the anonymous Arden of Faversham, Heywood's play has been regarded as the apex of Renaissance drama's achievement in the subgenre of bourgeois or domestic tragedy. The play was originally performed by Worcester's Men, the company for which Heywood acted and wrote in the early Jacobean era. The records of Philip Henslowe show that Heywood was paid 6 for the play in February and March 1603. The 1607 quarto was printed by William Jaggard for the bookseller John Hodgets. A second quarto was issued in 1617 by William Jaggard's son Isaac Jaggard. The plot of Heywood's play derives from an Italian novel by Illicini, which was translated into English and published in The Palace of Pleasure by William Painter (1566). The play tells the story of a married couple, Master Frankford and his wife Anne. Frankford invites Wendoll into his home to act as a companion. Frankford tells Wendoll that anything in his house is at Wendoll's disposal. Wendoll then chooses to pursue Frankford's wife, Anne. Anne is quickly wooed by Wendoll and then caught by Frankford. Frankford then chooses to punish her not with death but with ostracism—a "mild" sentence for her adultery. By the end of the play, Anne chooses self-starvation as a more appropriate form of punishment. As she is dying because of her self-starvation, Frankford reunites with his wife, which restores the social and patriarchal order at the end of the play. The adulterous wife, Anne Frankford, is contrasted with the virtuous Susan Mountford. In the play's subplot, Sir Charles Mountford attempts to prostitute his sister Susan to Sir Francis Acton (Anne Frankford's brother), to whom he is deeply in debt. Susan, however, retains her virtue. In the end Acton discharges the debts of Mountford and marries Susan. Early Modern Elizabethan and Jacobean views of fasting or self-starvation were often hearkened to old Medieval views which considered a woman's fasting a visual cue to a woman's obedience, chastity, and honour. Eating, binging, or gluttony were considered to be fundamentally connected with sexuality. According to several Early Modern conduct book writers, the sin of gluttony will inevitably lead to lust, and several of these tract writers suggested female fasting should be a part of a woman's education as it would prove her to be a better wife and mother..... Thomas Heywood ( early 1570s - 16 August 1641) was a prominent English playwright, actor, and author. His main contributions were to late Elizabethan and early Jacobean theatre. He is best known for his masterpiece A Woman Killed with Kindness, a domestic tragedy, which was first

performed in 1603 at the Rose Theatre by the Worcester's Men company. He was a prolific writer, claiming to have had "an entire hand or at least a maine finger in two hundred and twenty plays," although only a fraction of his work has survived.... Katharine Lee Bates (August 12, 1859 - March 28, 1929) was an American songwriter. She is remembered as the author of the words to the anthem "America the Beautiful." She popularized "Mrs. Santa Claus" through her poem Goody Santa Claus on a Sleigh Ride (1889).... George Pierce Baker (April 4, 1866 - January 6, 1935) was an American educator in the field of drama....."

**A Woman Killed With Kindness** - Thomas Heywood 2014-03-24

"Here lies she whom her husband's kindness killed" This is the epitaph, in golden letters, Master John Frankford proposes for the tomb of his wife, Anne, who has just starved herself to death. Frankford congratulates himself on the clever means by which he has brought his wife to repentance—and got rid of her. The marriage is comfortable, if uneventful, until Frankford gives his friend Wendoll the free use of his table and purse. When Wendoll takes even more than was offered, and confesses his desperate love to Anne, a complex and tragic drama ensues. Praised as Heywood's best play and as the best "domestic tragedy," A Woman Killed with Kindness (1603) requires us to consider who and what the household includes and on what conditions. What are the limits of hospitality? What are the relationships between friendship and marriage, intimacy and possession? This student edition contains a fully annotated version of the playtext in modern spelling. The Introduction includes a detailed discussion of the play's interpretation and stage history.
