Snowed-In Hottie- A New Adult Forbidden Romance Matt hadn't always been an asshole. I don't know what happened between the time our parents got married when we were twelve, and high school, but he'd completely changed into the dickwad I knew him as now. He'd made my life a living hell growing up, and because of him I'd never realized my own self-worth until I left for college. Now that I'm stuck with him alone for our annual family ski trip he thinks he can sweet talk me into giving him a second chance, but as far as I'm concerned he can take his snowboard and slide off the nearest cliff. Problem is he's doing a good job being the Matt I always knew he truly was inside now. If my insides don't stop flip flopping every time he

Our parents met while my mom was vacationing in Australia, and not long after, Beau and his dad moved to the States to combine our families. I'd fallen for Beau the second he opened his mouth and his sexy Australian accent came pouring out of his lips. I didn't even know what he'd said. I just knew we were destined to be together. The fates had aligned and he was my one and only. Or so I thought. He ruined that dream by getting hitched to his high school girlfriend right after

graduation. We both knew it was the biggest mistake, ever, in the history of ever. Why he did it, no one knows but him. But I'll be making sure it's not going to be an issue much longer. He'll never even know what hit him. This is going to be the best Christmas ever if I have anything to do with it, and I'm not asking for much.
