Body Dump - Fred Rosen 2015-07-01

The inside story of an upstate New York serial killer who abducted, raped, and murdered women and hid their bodies in his home. In the late 1990s in Poughkeepsie, New York, prostitutes began to go missing off the streets of the old Hudson River town. Due to the women's nomadic lifestyles, which many people condemned, few in the town noticed they were gone besides their families and Lieutenant Bill Siegrist, who suspected that a serial killer was behind the disappearances. Local prostitutes described a strange man lurking around, leading Siegrist to Kendall Francois, an overweight, slovenly middle school hall monitor nicknamed Stinky. Police brought in Francois for a lie detector test, which he passed, and they were forced to release him. Area women continued to disappear. In a shocking twist of fate, Francois was finally

arrested when a woman he had raped managed to escape from his house and ran into a roadblock set up by Siegrist. She led the police back to Francois's home, and the hall monitor soon gave a full confession and cut a deal with the prosecution. By then, cops in Tyvek suits had already found eight bodies concealed in the attic and crawl space of Francois's house of horrors. To this day, one victim is still missing. From the author of numerous true crime books, including *Lobster Boy* and *Deacon of Death*, this is the frightening story of a brutal murderer whose neighbors never suspected what was going on behind his front door.

Love Me To Death - Steve Jackson 2011-04-01

"Welcome To My Mortuary!" Those were the words of William Lee "Cody" Neal, 43, to Angela Fite on July 5, 1998, after luring the pretty 28-year-old to the Denver, Colorado townhouse he'd turned into a den of torture and slaughter. With twisted pleasure, he showed her two dead female bodies on the floor and a third, live one--naked, gagged and bound, and spread-eagled on a mattress. "Anybody Stupid Enough To Believe Me Deserves To Get Screwed!" Neal who called himself "Wild Bill Cody," was seductive and skillful at separating love-struck women from their money, and ultimately, their lives. 43-year-old divorcee Rebecca

Holberton let Neal move into her townhouse and "loaned" him \$70,000. On June 30, 1998, he repaid her by crushing her skull with an ax and wrapping her in plastic. On Friday, July 3, he brought another girlfriend, Candace Walters, 48, to the townhouse, clubbing her to death and desecrating the body. On Sunday, yet another acquaintance, Suzanne Scott, 21, watched helplessly as Angela Fite was murdered by Neal, who then sodomized and raped his bound captive. "Here's What Happens When You Mess With Me!" Apprehended by police, Neal, who proclaimed himself better than Ted Bundy, insisted on representing himself at the trial. Though the evidence against him was overwhelming, it was the testimony of Suzanne, who had survived Neal's unspeakable torture, that finally put this monster on Colorado's death row.
