Rachel Ashford thinks it's a joke when her partner of eight years dumps her on April Fools day, but what makes it worse is finding out Leese has been cheating for months with a gorgeous, young university student and now suddenly she wants all the things Rachel gave up for the sake of the relationship; kids, travel, spontaneity. Rachel is all set to wallow in a pool of self-pity, but when she inadvertently discovers the identity of Leese's new girlfriend, she has a change of plan. New plan: Secretly destroy Leese's relationship so she knows how it feels. (Or at least give it a good try.) What Rachel doesn't plan on, however, is falling in love again in the process. But can a relationship which starts with a lie, end in a happy ever after? This second book from Sarah Swan is a light hearted romantic comedy, sure to deliver some laughs and smiles.

**Best Life** 2008-06 Best Life magazine empowers men to continually improve their physical, emotional and financial well-being to better enjoy the most rewarding years of their life.

**The Guyde** Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**How to Get a Girlfriend** Leo Dzuver 2014

**How to Beat A Woman at Her Own Games** Ralph Hemphill 2020-09-01 In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

**BREAKUP: How a Guy Can Get Over His Loved One After a Breakup** E. A. C. Andrews 2017-05-20 Can't Forget About Her? She's Just Stuck in Your Mind? Loss is a part of life. I just want you to realize that. You may be going through a loss of somebody you really loved, but you have to understand that this is part of life. In fact, if you think about it, loss or the threat of losing someone you really cared about is part of love. You know something is truly valuable if it hurts to lose it. You know that you have a real capacity to love when there is a risk of loss. It's easy to say you love somebody, but you really don't know the extent of that emotion unless you have gone through the process of losing that special someone. Let's put it this way. However good it feels to love somebody and to be loved by a special someone, it isn't really love until the pain of the hurt of loss is equally real. The risk of having your heart broken is always present in any kind of romance. Sadly, a heartbreak happens. The good news is it doesn't have to be the end. It doesn't have to turn you into a worse person. Worst of all, it doesn't have to turn you off to the whole concept of loving or being loved. Finally, it doesn't have to hurt forever. Sure, it hurts right now. It may seem like it's going to hurt so bad for so long. However, this is temporary. This too shall pass. From Weakness to Strength Your current weakness is your strength. Yes. Seriously. How? This is obviously a low point in your emotional/romantic life. Don't let this episode of pain, doubt, and regret go to waste. Use it to wake up to the reality that YOU NEED TO CHANGE. You have hit rock bottom-or close to it. Good. Use it to your advantage. Just as an alcoholic may have to wake up in his or her

own vomit after passing out next to a filthy toilet bowl to decide to get sober, you may need to hurt to start realizing certain things. You can use the pain to make hard but necessary changes that can change you into a better man. Don't let weakness be an excuse for self-pity. Instead, look at it as an opportunity. The truth is, he's still trying to keep his part-time schoolboy tutoring gig a secret from his girlfriend, lest her "rotten" tendencies run amuck with the, er, suggestive situation. But Taiga's innocent desire to spare himself from being dragged into another homoerotic scenario only serves to stoke the fires of Yuiko's suspicions of philandering. After all is said and done, will Taiga even have a girlfriend to spend his hard-earned money on?!

**The Noble Art of Seducing Women - My Foolproof Guide to Pulling Any Woman You Want** Kezia Noble 2012-02-23 Have you ever dreamt of becoming an infallible seducer of women? This book tells you everything you need to know, courtesy of the world's only major female PUA (pick-up artist), Kezia Noble! Unknown until a couple of years ago, Kezia was approached by the organisers to attend a PUA class meeting. She gave it to the other attendees straight, not caring if she offended anyone; the men took it on the chin and took her constructive criticisms on board. Within days and weeks they were trying out her suggested techniques and starting to become more successful with women. Kezia returned to the PUA classes and started to make a name for herself. Kezia Noble is the first woman to offer the aspiring pick-up artist advice on how to attract women from a woman's point of view. She now runs many classes and a workshop, and even produces corporate videos on the chemistry of attracting women. Now, in answer to requests from her students, Kezia has written a book on the 15 steps to becoming a master seducer - which will also prove an invaluable aid to men who cannot afford her classes, who work too far away or don't have enough time. The Noble Art of Seducing Women is the first and only sure-fire pick-up guide to be written by a woman. It has the potential to transform a lonely man into someone who need never be single again . . . unless, of course, he wants to be. Kezia Noble works with her students instead of belittling them. **The Man's Guide to Women** John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
