How to Kiss a Girl for the First Time - Jessica James 2016-08-05

The Art of Kissing has been written and talked about for years. A kiss is not just a kiss; it may even be a relationship breaker. There's a lot of advice about kissing out there but most of it assumes you've already made it past the first kiss, and a lot of the advice is completely wrong - Grab a tit and hold your breath - will only get you a slap in the face or even a knee in the groin. Let's face it, going for that first kiss can

be an ordeal. But fear no more! In 'How To Kiss A Girl For The First Time,' Jessica James gives you tips about kissing to keep you relaxed and confident while your lady will be left breathless. From pucker preparation to timing and 'teasing' to the kiss itself, Jessica will guide you to pleasurable success.

Kiss Off - Virna DePaul 2018-12-17

Kara Once, my country songs touched millions of hearts but I dropped everything to disappear. I'm my own woman now, and no one controls me. But when a beyond sexy man rolls down a sand dune in a misguided attempt to rescue me? I'm charmed. The attraction, the heat...it's real. And who knows, maybe this time I've found someone who doesn't care about who I used to be. Only about who I'm becoming. Declan After I wake up in the ER, my brothers prescribe three weeks away from Kiss Talent Agency, whether I like it or not. Then I meet Kara, a sensitive, artistic soul hiding who she is. When she invites me on a wild road trip, I'm all over it. But it only takes me a hot second to figure out why Kara's hiding, and if she realizes who I really am, she'll be gone in a cloud of dust, taking my heart with her.

Kiss It Better - Virna DePaul 2019-06-07

She finds a wallet (not a shoe), and he's a billionaire (not a prince), but this time, Cinderella's turning the tables. . . . Julia Handing out samples at a grocery store isn't exactly my dream job. Yet here I am, tray in hand and fake smile plastered on my face. The one highlight is seeing HIM. I don't know his name, but if I did, I'd scream it during the naughty dreams he inspires. He's crazy handsome, all confidence and an air of power. He's never said a word to me. Never even looked in my direction. Then one day he stops to talk to me...then literally falls at my feet. I take care of him until the EMTs whisk him away. Now I have his wallet. I know where Bastian Rich lives. And I've found the nude photos of him online. It's not the bruschetta on her tray he really wants to taste. . . . Bastian Something about Julia Rominger has me intrigued . . . and more than a little aroused. Maybe it's her lush curves driving me wild. Or the fact that she has no problem telling me to go to hell. Either way, she's seen me at my worst.
