Why Does He Do That? - Lundy Bancroft 2003-09-02

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He

says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely "This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

Tiny Beautiful Things (10th Anniversary Edition) - Cheryl Strayed 2022-11-01

Rich with humor, insight, compassion—and absolute honesty—this book is a balm for everything life throws our way.

The Soulmate Equation - Christina Lauren 2021-05-18

The New York Times bestselling author of *The Unhoneymooners* returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father’s never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn’t “father material” before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that’s predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly’s founder, Dr. River Pena. This is one number she can’t wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we’ll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the “Diamond” pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.

The Soul of Sex - Thomas Moore 1998

This superb new volume is addressed to everyone interested in hope, regardless of their religious or philosophical beliefs. Glenn Tinder, one of our most astute and creative thinkers, probes the failure of modern, secular hope and shows, with great sensitivity and openness, why the tenets of Christian faith offer a true and meaningful source for hope amid the widespread distress, confusion, and despondency of contemporary life. From *The Critics* Jean Bethke Elshtain Glenn Tinder argues compellingly that modern despondency flows from a collapse of unreasonable optimism about our individual and collective prospects. By contrast to despondency and brittle optimism, Tinder calls for a renewal of hope. Framed by Christian belief, Tinder's elegant essay reaches out to appeal to all men and women troubled by our current condition. A beautifully written and touching work. Michael Novak Tinder's weighty essay on the nature, spirituality, and politics of hope offers an illuminating perspective on a central pillar of civilization. Mary Ann Glendon "A pristine intellectual and spiritual achievement by one of the most penetrating thinkers. of our day" Richard John Neuhaus "With this essay Tinder once again vindicated his reputation as one of the most incisive thinkers and graceful writers working today. His is a most powerful argument that only a hope that has come to terms with all the reasons for despair can sustain us into a future that we do not and cannot control. Tinder's wisdom is in knowing that attention to first things requires facing up to last things."

Soul Sex - Al Link 2003-02-12

This is not only a book about Tantric practices, but also about how you can use them to create a life-long, loving relationship. Because Pala and Al's emphasis is on Tantra in relationships, both beginners and skilled Tantric practitioners will find value here. Through the authors' mix of ancient Eastern sexual practices and modern Western approaches to communication and intimacy, you and your partner will learn to connect in ways that are respectful, nourishing, and lusty. Pala and Al offer their relationship as a model for a successful, long-term relationship in which to be happy, fulfilled, and spiritually awakened. Soul Sex includes thought-provoking discussions, personal anecdotes, and precise but simple techniques to inspire you to apply to your daily life. The observations and exercises included are drawn from the authors' own heady partnership and from the hundreds of couples they have had the privilege to teach at their Tantra sacred sex workshops.

The Soulmate Experience - Mali Apple 2011-04

"This thorough guide to enlightened relating inspires and assists people to create and sustain relationships that are profoundly connected on all levels: emotional, physical, intellectual, and spiritual. Part 1 helps readers identify and clear out anything that might be preventing them from experiencing a deeply connected relationship. Part 2 offers a wealth of transformational tools and techniques for approaching even the most challenging aspects of relationships-such as expectation, resentment, jealousy, and even infidelity-in ways that actually increase love and intimacy. By following the practices in this book, readers will immediately begin to feel more loving toward themselves, more connected to those around them, and more confident about the possibility of creating their own soulmate experience."--Publisher description.
