2017-12-01

Single mom Karina Barrett is thrilled to treat her kids to a fairytale Christmas vacation... but will a sexy innkeeper make her own holiday dreams come true? For Karina, it's the chance of a lifetime: a free cocoa and gingerbread-filled holiday at a quaint Michigan B&B called The Christmas

House. In return, Karina will play spy and report back to the company hoping to buy out the popular hotel. It's all too good to be true...especially when Karina meets innkeeper Reid Sullivan. The man is a walking talking Christmas miracle—and she's hoping to meet him under the mistletoe... Single dad turned globe-trotting adventurer, Reid isn't quite sure how he and his daughters got roped into helping out this year at his family's B&B. But once he arrives, it doesn't take long for a certain guest to catch his eye. Fun-loving California girl Karina is hard to miss, and Reid senses the attraction is mutual. As Christmas approaches and the weather grows colder, things between Reid and Karina heat up. But when the true reason behind Karina's visit is revealed, will the holiday magic disappear before the ball drops on New Year's Eve? A New Dating Attitude -

Suzan D. Johnson Cook 2001
Use the Beatitudes to change your own attitudes as you wait for the mate God is preparing

Downloaded from
legacy.opendemocracy.net
on 2019-02-16 by guest

for you The number of people who wish they were married is myriad. Dating clubs, newspaper columns, and books on how to find a mate are everywhere. But no one has addressed this deep desire like Johnson Cook. She approaches this aching need and difficult situation from both a spiritual and practical perspective, applying the Beatitudes to the number one preoccupation of most single, divorced, and widowed Christian women-- how to find a husband. This book uses the Beatitudes as a platform for those who are ready for the good news of God's way to kiss the single life goodbye. Pastor Johnson Cook encourages readers to develop what she calls 'betrothal attitudes'--positive states of mind and qualities of character that will help the reader enjoy her single life while she is becoming the person she needs to be to receive the mate God has in store for her. These 'betrothal attitudes' are spiritual teachings and life lessons learned by the author and others in her life, lessons

that show how healing and victory can come to those who are willing to wait on God, receive God's teaching, and develop new attitudes toward themselves and their relationships.

Feng Shui Mommy - Bailey Gaddis 2017-03-14

Impending motherhood serves up a confusing cocktail of heroic strength and terrifying vulnerability. Our culture has seized on the "vulnerability" part of this experience and tends to reinforce a pregnant woman's insecurities instead of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. Feng Shui Mommy takes a different approach, helping the expecting mother build her own unique, epic journey to motherhood. It's about supporting her while she shores up her mind-body-spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through the experience, providing

specific suggestions for mind, body, and spirit for each trimester (including the “fourth,” after birth), leading to birth preparation designed for each mother and baby, and culminating in strong mother-child bonding. She includes detailed and practical information about prenatal exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with purpose and calm — and even a sense of fun. This comprehensive guide makes challenge and change joyful, allowing new life to be as incomparably wonder-filled as it is meant to be.

'Delightful and witty with a heroine you'll be rooting for . . . joyful escapism' Milly Johnson 'Spirited, adventurous and full of heart!' A Year of Biblical

Womanhood - Rachel Held Evans 2012-10-29

Have you ever wondered what God truly expects of women? Is there really a prescription for biblical womanhood? Does the Bible's idea of womanhood have a place in modern Christianity? New York Times bestselling author Rachel Held Evans embarks on a year-long study of what it means to live by the standards of biblical womanhood. Strong-willed and independent, Evans couldn't sew a button on a blouse before she embarked on a radical life experiment--a year of biblical womanhood. Intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional

gender roles in the home, Evans decided to try it for herself, vowing to take all of the Bible's instructions for women as literally as possible for a full year. Along the way, Evans explores the rich heritage of scriptural heroines, models of grace, and all-around women of valor that we come to know in the Bible. She consults with women who practice these ancient biblical mandates in their own lives--from an Orthodox Jewish woman who changed the way Evans reads the Bible to an Amish community that taught her the true meaning of modesty. In *A Year of Biblical Womanhood*, Evans shares her courageous and often humorous journey of: exploring what a "woman's place" is according to the Scriptures applying the Bible's teachings to day-to-day life, sometimes to literal extremes focusing on virtues like domesticity, obedience, beauty, submission, and grace developing a "Biblical Woman's Ten Commandments" to serve as a guide for daily living Join Evans
