## [Same-Sex Desire in Indian Culture](#) - Oliver Ross 2016-04-08

This book explores representations of same-sex desire in Indian literature and film from the 1970s to the present. Through a detailed analysis of poetry and prose by authors like Vikram Seth, Kamala Das, and Neel Mukherjee, and films from Bollywood and beyond, including Onir's *My Brother Nikhil* and Deepa Mehta's *Fire*, Oliver Ross argues that an initially Euro-American "homosexuality" with its connotations of an essential psychosexual orientation, is reinvented as it overlaps with different elements of Indian culture. Dismantling the popular belief that vocal gay and lesbian politics exist in contradistinction to a sexually "conservative" India, this book locates numerous alternative practices and identities of same-sex desire in Indian history and modernity. Indeed, many of these survived British colonialism, with its importation of ideas of sexual pathology and perversity, in changed or codified forms, and they are often inflected by gay and lesbian identities in the present. In this account, Oliver Ross challenges the preconception that, in the contemporary world, a grand narrative of sexuality circulates globally and erases all pre-existing narratives and embodiments of sexual desire.

[Same-Sex Love in India](#) - R. Vanita 2000-09-11  
Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection

defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

[The Second Sex](#) - Simone de Beauvoir 1997  
Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

*Same-Sex Love in India* - Ruth Vanita 2021-06-24 In 2009, the Delhi High Court's historic judgment overturning Section 377 as violative of the Indian Constitution referred to Same-Sex Love in India. So did the 2018 Supreme Court decision which upheld that judgment. All the petitions against this anti-sodomy law have cited this landmark book to prove that homosexuality is not a Western import. *Same-Sex Love in India* is the book that brought to light the long, incontestable history of same-sex love and desire in the Indian subcontinent. Covering over 2000 years, from the Mahabharata to the late

twentieth century, the book contains excerpts from stories, poems, letters, biographies and histories in fifteen languages. The editors' introductions to each period and text trace the changing depictions of and debates around same-sex relations, illuminating their social, political and literary contexts. These essays have been called 'outstanding works of scholarship'. Including writings that range from romantic to analytical, playful to thoughtful, this classic work will help you see Indian culture and society with new eyes.

*Cosmopolitan Sexuality* - Ahonaa Roy 2022-10-31 "In a historic verdict, the Supreme Court of India in September 2018, struck down Section 377 of the Indian Penal Code and decriminalized homosexuality and granted personal rights and freedom to the LGBTQIA community at large. However, in December 2018, the Transgender Persons Bill was passed in the Lok Sabha (the People's House and lower house of Indian Parliament) that has negated and undermined the rights of the trans community in India. The Bill omits the reference to a 'neither male nor female' formulation, and covers any person whose gender does not match the gender assigned at birth, as well as transmen, transwomen, those with intersex variations, the gender-queer, and those who designate themselves based on socio-cultural identities such as hijra, aravani, kinner and jogta. This book articulates the ethnographic and anthropological studies of hijras (eunuchs) and the popular transgender culture in India through the case study of contemporary Mumbai. It studies how their identity is shaped through consumption of various practices of beauty and takes into account the direct provincial dialogues as to how the hijras negotiate different spaces of surgeries, clinics and medicine to shape their new forms of identity. It highlights how globalizing modernity would build a concrete understanding of the way local patterns of transgender sexuality and eroticism are shaped by this sort of culture. It attempts to build a more robust and complex understanding of sexual experiences among these subjects in the locale, thus projecting the intersection of local meanings of transgender eroticism that intersect global patterns of similar identities with their desire and sexuality. The local

specificity of the hijra sexual economy relates to global transgender practices, thus proposing a nuanced discourse of space, culture and sexuality to the local context of the globalized and modernized India, instead of the articulation of global homogeneity of transgender identities"-

**Preeto and Other Stories** - Rakhshanda Jalil

2018-09-20

In a world where more women are joining the work force, where ever more are stepping out from their secluded and cloistered world and can be physically seen in larger numbers, this collection seeks to explore how male writers in Urdu view and consequently present or represent the women of their world. In her Introduction, Rakhshanda Jalil traces the history of 'writings on women' by both male and female writers — from the doyens of Urdu literature to contemporary writers dealing with contemporary issues, setting the mood for the stories in this collection and giving the reader a sampler of what to expect in the ensuing pages. The collection includes themes which are timeless as well as topics that are an outcome of the times we live in. Starting with two of the four pillars of the Urdu short story - Rajinder Singh Bedi and Krishan Chandar - who can be credited with introducing a realistic portrayal of women in Urdu fiction, the stories in this volume offer multiple ways of 'seeing' women.

**Scared Selfless** - Michelle Stevens, PhD

2017-03-21

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success." —Dave Pelzer, author of A Child Called "It" Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, Scared Selfless. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. Scared Selfless is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous

testament to their power.

*On the Bright Side, I'm Now the Girlfriend of a Sex God* - Louise Rennison 2013-08-13

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her pooey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

The Boy who Loved - Durjoy Datta 2017

The only thing you cannot plan in life is when and who to fall in love with . . . Raghu likes to show that there is nothing remarkable about his life--loving, middle-class parents, an elder brother he looks up to, and plans to study in an IIT. And that's how he wants things to seem--normal. Deep down, however, the guilt of letting his closest friend drown in the school's swimming pool gnaws at him. And even as he punishes himself by hiding from the world and shying away from love and friendship, he feels drawn to the fascinating Brahmi--a girl quite like him, yet so different. No matter how hard Raghu tries, he begins to care . . . Then life throws him into the deep end and he has to face his worst fears. Will love be strong enough to pull him

out? The Boy Who Loved , first of a two-part

romance, is warm and dark, edgy and quirky,  
wonderfully realistic and dangerously unreal.
