

Cowgirl Christmas

The Last Christmas Cowboy Maisey Yates 2020-12-01 The Last Christmas Cowboy Will this brooding Gold Valley cowboy find redemption this Christmas? Cowgirl Rose Daniels is determined to play matchmaker to ensure her beloved sister will meet someone under the mistletoe. She enlists the reluctant help of family friend Logan Heath, but his insistence that she doesn't understand chemistry is exasperating. Until they share one electrifying moment that shows her exactly what chemistry is all about, and it becomes outrageously, irresistibly intriguing... Logan hates the holidays. They are a painful reminder of the family he lost and a time of year he always wants to spend on his own. But Rose refuses to let him. Logan's worked for years to keep his attraction to her under wraps — she's his best friend's youngest sister and she couldn't be more off-limits. He's the last cowboy that innocent Rose should ever kiss, but this Christmas, maybe Logan will become the only cowboy she'll ever want.

Cowboy Christmas Blues He didn't want to come home for the holidays — but can an unexpected reunion with a woman from his past make this cowboy's Christmas merry and bright in this sweet and sizzling novella? When Cooper Mason left Gold Valley, Oregon behind him eight years ago, he told himself he wouldn't be back. But when a Christmas promise sends him home to face his demons, he'll find that not everything is as he remembers — especially family friend Annabelle Preston, who's somehow morphed from childhood pest to full-grown, hot-blooded and oh-so-tempting woman. Growing up, Annabelle had built a lot of dreams around the ruggedly gorgeous Cooper — dreams she's long ago learned to put behind her. Until a chance encounter with Cooper leads to a night neither can forget, and all the old feelings come blazing back to life. Now, Annabelle has a week to prove there's more between them than a no-strings holiday fling...and

with a little Christmas luck, she just might convince Gold Valley's favourite cowboy to come home for good.

The Cowboy Falls for the Veterinarian Natalie Dean

2023-08-28 She's a struggling veterinarian. He's an entitled billionaire rancher. Will they fight against each other? Or fight together to save the animals... Sterling Miller is shocked. Who does this pretty, headstrong veterinarian think she is? Telling him he's clueless on how to treat animals. Ordering him and his workers around. And calling him out on being a typical rich-type. Elizabeth Brown is irritated. Sterling has a sarcastic mouth, rich-man attitude, disarming smile and chiseled jaw. He needs to learn a thing or two about the real world. Elizabeth is appalled at the condition of the animals and their pens. Selfish rich ranchers. Spending a ton on themselves but hardly giving their animals the bare minimum in care. Sterling has never met anyone like Elizabeth. She speaks her mind. Nobody has ever told him before that he's wrong. Or that maybe his family isn't good as they'd like to think. He doesn't see anything wrong with how they are doing things on the ranch. They make a good profit—billions, in fact. So why does he feel drawn to the force of nature that is Ms.

In Debt to the Cowboy Natalie Dean 2023-08-28 She thinks he's a rich land shark come to steal her home and livelihood. He's out to prove her wrong... Silas Miller is going through life just doing what his Dad tells him to. What he's best at—finding properties in poor neighborhoods to buy out, tear down, and make way for the rich to use. As a son in a billion-dollar ranch family, he sees nothing wrong with that. Until he meets Theodora Parker, that is. "Teddy" is a hard-scrabble, redheaded spitfire, helping run her adoptive daddy's car repair shop. While she's hard on the outside, she has a soft spot for the elderly and disadvantaged teens of her neighborhood. With a green thumb and a knack for nursing, she has a tender heart for taking care of those in need. But a rich cowboy wearing a suit, one who wants to buy her shop and take away all she holds dear, well she has no time for him when his car breaks down. That is until her family is in trouble, and Silas might be the only one who can help... Now Silas must decide if he will go against his family to do the right thing. He's drawn to Teddy in a way he's never felt before. Can she ever learn to trust him enough to give him a chance? His Christmas Cowgirl Alissa Callen 2016-10-25 *His Christmas Cowgirl: A Wildflower Ranch Romance*

Rancher's Christmas Cowgirl Clara Pines 2023-10-26 He's the billionaire businessman everyone loves to hate. Can a cheerful cowgirl turn the single dad's frown upside down in time for Christmas? Sebastian Radcliffe can't wait to move to Trinity Falls with his son. His happy memories of summers with his grandfather in the familiar countryside sustained him through years of hard work in the city after losing his wife. But when they arrive at last, he discovers that the whole town resents him for buying up so much land. If Trinity Falls is the perfect Christmas village, Radcliffe might as well be its Scrooge. Emma Williams loves her family's homestead so much that she couldn't bear to leave it after high school. Caring for the beloved horses and working with her older brothers on the rambling acres still makes her excited to get up every single morning. But when the family farm is in trouble just before the holidays, and Radcliffe makes her a job offer she can't refuse, Emma finds herself working for the enemy. Now Radcliffe's lonely, ten-year-old son provides the only bright spot in her days as she navigates her new situation, and tries desperately to convince the rancher to change his ways. But sometimes it feels like the most difficult thing she has to do is resist wayward thoughts about her shockingly handsome employer. The smoldering way Radcliffe looks at her, the rapt way he listens to her, and the obvious abandon with which he loves his son are all making it harder and harder for her to remember that he's hurting her community. Their attraction may be overwhelming, but that doesn't mean Radcliffe will ever allow

From a widower discovering he has feelings for his kids' nanny, to a soldier finding out about a secret baby, to a single dad falling in love with his child's preschool teacher, you'll lose yourself in these feel-good books celebrating love, family, and the very special small town community of Trinity Falls.

A Very Cowboy Christmas Kim Redford 2017-10-03 There's nothing like a firefighting cowboy to keep you toasty warm this Christmas... Christmas is coming up, and single mom Sydney Steele is determined to make this a holiday to remember for Wildcat Bluff County. She still has to get those pesky, reluctant—and deliciously attractive—firefighting cowboys to pose for her charity calendar. They claim they're too busy pursuing an unknown arsonist to take a break. Dune Barrett has been flirting with Sydney for months, so he jumps at the chance to give her a hand. And when he agrees to pose as Mr. December, she couldn't be happier. But to really win her over, Dune will have to convince eleven other guys from his crew to exploit their good looks for charity...a task much easier said than done. I hope you find such a friendship in your life and then you savor each day and share it with that someone special in your life as you go. It's hard to stand out when he has five brothers that just so happen to include the Leader, the Veteran, the Genius, and the Playboy. Benji's only claim to fame is that he's really good at fixing things. But that talent comes to the forefront when Benji's Ma asks him to help a neighbor in need. Neighbors who just so happen to own the rival Touhey Ranch. Neighbors who also just so happen to have a beautiful spitfire of a daughter named Danielle—who seems to hate his guts for no good reason. Cowgirl G. R. Gemin 2014-03-06 Growing up on the embattled Mawr Estate in South Wales, all Gemma sees are burglaries, muggings, sadness and boredom. With a dad in prison and a mum who has given up hope, she, like everyone around her, is holding on to memories of the times when happiness wasn't so hard to find. When her search for the scene of a perfect childhood day takes her up into the surrounding hills, Gemma is forced into a meeting with the legendary Cowgirl. Everyone at school knows she's a weirdo: six foot tall and angry, the only conversations she has are with the twelve cows on her dad's farm. But with her abrupt arrival in Gemma's life, everything starts to look different. And with her only friends in mortal danger of the abattoir, it turns out she and Gemma have a mission on their hands. A gently funny story of a community coming together, this is a tale of happy endings in unexpected places.
