Fake Love - Ebou Gaye 2010-04

The protagonist of this novel, Ya Rose, quit her job in her native country and travelled to the United Kingdom to seek greener pastures. There, she found life extremely hard contrary to her expectations. Consequently, she resorted to luring men into relationships with the aim of manoeuvring her way out of the awkward situation in which she found herself. The book is multi-themed, touching on marriage, religion, female circumcision, politics, journalism, etc. Below are excerpts: 'I'm always longing to see you or at least hear your melodious voice. I couldn't sleep a wink last night because I was thinking of you after we chatted on the phone ' 'You are beautiful and it will be very good to have you as a wife in addition to Awo who is equally gorgeous. I think history is about to repeat itself now that I'm planning to marry a second charming lady.' 'I will be saying pleasant things to you and giving you good things to make you feel comfortable and happy if you marry me. I will transform you into a very young boy ' 'I believe you can make me happy, but I wonder how you can turn an old man into a young lad. Do you have magical powers to do that?'

Fake Life Fake Love - Fabio Camporame 2020-07-14

L'amore spicca ineguagliabile all'interno di una storia che, sebbene "consumata" virtualmente, parla di sentimenti. Indagato in tutte le sue declinazioni, l'amore scandisce il ritmo della vita di entrambi i personaggi: l'amore ingenuo e romantico; l'amore come piacere, intellettuale e passionale; quello proibito, inaspettato e torbido, talvolta violato, spesso folle, irrazionale; l'amore innocente e sfrontato, tipico della giovinezza, e quello disilluso della maturità.

Super Fake Love Song - David Yoon 2020-11-19

Praise for Frankly in Love: A New York Times Bestseller and #1 Indie Bestseller
 An Amazon.com Best Book of the Year Five Starred Reviews
 "Extraordinary . . . a beautifully layered novel about first love, tribalism and that brief, magical period when kids have one foot in high school, one foot out the door. . . Yoon explores themes of racism, forgiveness and acceptance without getting earnest or preachy or letting anyone off the hook. And there's a universality to the story that cuts across cultures." - New York Times
 From bestselling author David Yoon comes an inventive new romantic comedy about identity, perception, and how hard it can sometimes feel to simply be yourself. When Sunny Dae - self-proclaimed total nerd - meets Cirrus Soh, he can't believe how cool and confident she is. So when Cirrus mistakes Sunny's older brother Gray's bedroom - with its collection of electric guitars and rock posters - for Sunny's own, he sort of, kind of, accidentally winds up telling her he's the front man of a rock band. Before he knows it, Sunny is knee-deep in the lie: He ropes his best friends into his scheme, begging them to form a fake band with him, and starts wearing Gray's rock and roll castoffs. But no way can he trick this amazing girl into thinking he's cool, right? Just when Sunny is about to come clean, Cirrus asks to see them play sometime. Gulp. Now, there's only one thing to do: Fake it till you make it. Sunny goes all-in on the lie, and pretty soon, the strangest things start happening. People are noticing him in the hallways, and he's going to football games and parties for the first time. He's feeling more confident, in every aspect of his life, and especially with Cirrus, who's started to become not just his dream

girl but also the real deal. Sunny is falling in love. He's having fun. He's even becoming a rocker, for real. But it's only a matter of time before Sunny's house of cards starts tumbling down. As his lies begin to catch up with him, Sunny Dae is forced to wonder whether it was all worth it - and if it's possible to ever truly change. Frankly in Love: "With echoes of John Green and To All the Boys I've Loved Before, it's poised to be the biggest YA debut of the year." -Entertainment Weekly "Yoon's fresh and nuanced approach to Frank's struggle to navigate cultural tensions amplifies both the vulnerabilities and the strengths that can come with being a child of immigrants. . . Yoon underscores the value of honoring both who you are and where you come from." -TIME Magazine "Yoon's stellar debut expertly and authentically tackles racism, privilege, and characters who are trying to navigate their Korean-American identity." - BuzzFeed

Fake Love Letters, Forged Telegrams, and Prison Escape Maps - Annie Atkins 2020-02-26

A behind-the-scenes look at the extraordinary and meticulous design of graphic objects for film sets Although graphic props such as invitations, letters, tickets, and packaging are rarely seen close-up by a cinema audience, they are designed in painstaking detail. Dublin-based designer Annie Atkins invites readers into the creative process behind her intricately designed, rigorously researched, and visually stunning graphic props. These objects may be given just a fleeting moment of screen time, but their authenticity is vital and their role is crucial: to nudge both the actors on set and the audience just that much further into the fictional world of the film.

Love is not blind - Anuroop Sebastian 2019-02-15

Anuroop Sebastian explores the theme of "e;true"e; vs. counterfeit, or "e;fake,"e; love and explains how the reader can identify the real thing by following the example of Jesus. In John 2:24, Jesus rejects the praises of a certain group of people. Their praises appear to be genuine but Jesus knows that they are simply flattering Him. Yet when Mary pours expensive perfume on His feet, he accepts her love (John 12:1-8). Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions! The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships.
