Digital Anthropology - Heather A. Horst 2013-08-01
Anthropology has two main tasks: to understand what it is to be human and to examine how humanity is manifested differently in the diversity of culture. These tasks have gained new impetus from the extraordinary rise of the digital. This book brings together several key anthropologists working with digital culture to demonstrate just how productive an anthropological approach to the digital has already become. Through a range of case studies from Facebook to Second Life to Google Earth, Digital Anthropology explores how human and digital can be defined in relation to one another, from avatars and disability; cultural differences in how we use social

networking sites or practise religion; the practical consequences of the digital for politics, museums, design, space and development to new online world and gaming communities. The book also explores the moral universe of the digital, from new anxieties to open-source ideals. Digital Anthropology reveals how only the intense scrutiny of ethnography can overturn assumptions about the impact of digital culture and reveal its profound consequences for everyday life. Combining the clarity of a textbook with an engaging style which conveys a passion for these new frontiers of enquiry, this book is essential reading for students and scholars of anthropology, media studies, communication studies, cultural studies and sociology.

The Order of Mimesis -

Christopher Prendergast
1988-10-28

Drawing on a range of theoretical perspectives developed in and around the work of Barthes, Kristeva, Genette and Derrida, Dr Prendergast explores approaches to the concept of mimesis and relates these to a number of narrative texts produced in the period which literary history familiarly designates as the age of realism.

La Secchia Rapita - Alessandro Tassoni 1827

The Sport of Kings - C. E.

Morgan 2016-05-03

A Finalist for the Pulitzer Prize
Winner of the Kirkus Prize for Fiction • A Recipient of the Windham-Campbell Prize for Fiction • A Finalist for the James Tait Black Prize for Fiction • A Finalist for the Baileys Women's Prize for Fiction • A Finalist for the Rathbones Folio Prize • Longlisted for an Andrew Carnegie Medal for Excellence • One of New York Times Book

Review 100 Notable Book
Named a Best Book of the Year by Entertainment Weekly • GQ • The New York Times (Selected by Dwight Garner) • NPR • The Wall Street Journal • San Francisco Chronicle • Refinery29 • Booklist • Kirkus Reviews • Commonweal Magazine "In its poetic splendor and moral seriousness, *The Sport of Kings* bears the traces of Faulkner, Morrison, and McCarthy. . . . It is a contemporary masterpiece."—San Francisco Chronicle Hailed by *The New Yorker* for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the

resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven---and haunted---by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time. Da Capo - Graziana Lazzarino 2010

This Seventh Edition of the best-selling intermediate Italian text, DA CAPO, International Edition, reviews and expands upon all aspects of Italian grammar while providing authentic learning experiences (including new song and video activities) that

provide students with engaging ways to connect with Italians and Italian culture. Following the guidelines established by the National Standards for Foreign Language Learning, DA CAPO develops Italian language proficiency through varied features that accommodate a variety of teaching styles and goals. The Seventh Edition emphasizes a well-rounded approach to intermediate Italian, focusing on balanced acquisition of the four language skills within an updated cultural framework.

Wings for Our Courage -

Stephanie H Jed 2011-06

On January 6, 1537, Lorenzino de' Medici murdered Alessandro de' Medici, the duke of Florence. This episode is significant in literature and drama, in Florentine history, and in the history of republican thought, because Lorenzino, a classical scholar, fashioned himself after Brutus as a republican tyrant-slayer. *Wings for Our Courage* offers an epistemological critique of this republican politics, its invisible oppressions, and its power by

Downloaded from
legacy.opendemocracy.net
on 2021-01-24 by guest

reorganizing the meaning of Lorenzino's assassination around issues of gender, the body, and political subjectivity. Stephanie H. Jed brings into brilliant conversation figures including the Venetian nun and political theorist Archangela Tarabotti, the French feminist writer Hortense Allart, and others in a study that closely examines the material bases—manuscripts, letters, books, archives, and bodies—of writing as generators of social relations that organize and conserve knowledge in particular political arrangements. In her highly original study Jed reorganizes republicanism in history, providing a new theoretical framework for understanding the work of the scholar and the social structures of archives, libraries, and erudition in which she is inscribed.

Fighting To Be Free - Kirsty Moseley 2016-09-06

Jamie Cole has just been released from juvenile detention. Determined to go straight, he tries to cut ties with crime boss Brett Reyes -

but Brett has no intention of letting him go. Jamie's life is already more complicated than it needs to be, yet it's when he meets a beautiful stranger at a bar that Jamie knows he's really in over his head. Ellie Pearce has just come out of a terrible relationship and isn't looking for anything serious . . . until she meets Jamie. Their attraction is overwhelming and intense - she can't seem to shake her growing feelings for him, even though she's trying to keep it casual. But when fate goes horribly wrong and Jamie's family is faced with ruin, he's forced to strike a deal with Brett. Despite his struggles, he wants nothing more than a future with Ellie. That's until Ellie finds out that he's been hiding more from her than she could ever imagine . . .

. With more than six million reads online, this is a sweet and sexy romance with a big heart by the bestselling author of *The Boy Who Sneaks Through my Bedroom Window*
Chasing Impossible - Katie McGarry 2016-07-01

Available by popular demand,

the latest installment of the beloved, award-winning Pushing the Limits series Tough and independent, seventeen-year-old Abby lets very few people into her inner circle. It's common knowledge in her Kentucky town that she deals drugs, but not even her closest friends know why. But when a deal goes south and Abby's suddenly in danger, she finds herself reluctantly forced to lean on daredevil Logan—a boy whose restless spirit matches her own. Logan has his own reasons for wanting to keep Abby at arm's length. But he never expected to find in her the one person who might help him face the demons he's tried so hard to run from.

Together, Abby and Logan will have to make a decision: let their current circumstances weigh them down forever...or fight for the future they both thought was impossible.

The Complete Idiot's Guide to Learning Italian, 3rd Edition - Gabrielle Euvino
2004-09-07

Learn the language of la dolce vita! For anyone who wants to

learn and enjoy the most expressive and romantic of languages, the third edition of 'The Complete Idiot's Guide to Learning Italian' is the first choice for a whole new generation of enthusiastic students of Italian. This updated edition includes two new quick references on verbs, grammar, and sentence structure; two new appendixes on Italian synonyms and popular idiomatic phrases; and updated business and money sections. First two editions have sold extraordinary well. Italian is the fourth most popular language in the United States.

Filarmindo. Fauola pastorale - Ridolfo CAMPEGGI (Count.) 1605

The Divine Comedy, I. Inferno, Vol. I. Part 2 - Dante
2021-10-12

Charles S. Singleton's edition of the Divine Comedy, of which this is the first part, provides the English-speaking reader

*Downloaded from
legacy.opendemocracy.net
on 2021-01-24 by guest*

with everything he needs to read and understand Dante's great masterpiece. The Italian text here is in the edition of Giorgio Petrocchi, the leading Italian editor of Dante. Professor Singleton's prose translation, facing the Italian in a line-for-line arrangement on each page, is smooth and literate. The companion volume, the Commentary, marshals every point of information the reader may require: vocabulary; grammar; identification of Dante's characters; historical sources of some of the incidents and, where pertinent, excerpts from those sources in their original languages and in translation; profound clear analysis of the Divine Comedy's basic allegory. There is a complete bibliography of every aspect of Dante studies. This first part of the Divine Comedy which is illustrated with maps of Italy and the region Dante knew especially, diagrams of the circles of Hell, and plates showing some of the historic sites mentioned by Dante in his poem.

Visualising Facebook - Daniel Miller 2017-03-07

Since the growth of social media, human communication has become much more visual. This book presents a scholarly analysis of the images people post on a regular basis to Facebook. By including hundreds of examples, readers can see for themselves the differences between postings from a village north of London, and those from a small town in Trinidad. Why do women respond so differently to becoming a mother in England from the way they do in Trinidad? How are values such as carnival and suburbia expressed visually? Based on an examination of over 20,000 images, the authors argue that phenomena such as selfies and memes must be analysed in their local context. The book aims to highlight the importance of visual images today in patrolling and controlling the moral values of populations, and explores the changing role of photography from that of recording and representation, to that of

communication, where an image not only documents an experience but also enhances it, making the moment itself more exciting.

The Prophet - Kahlil Gibran
2019-04-16

ALMUSTAFA, the chosen and the beloved, who was a dawn unto his own day, had waited twelve years in the city of Orphalese for his ship that was to return and bear him back to the isle of his birth. And in the twelfth year, on the seventh day of Ielool, the month of reaping, he climbed the hill without the city walls and looked seaward; and he beheld his ship coming with the mist. Then the gates of his heart were flung open, and his joy flew far over the sea. And he closed his eyes and prayed in the silences of his soul. BUT as he descended the hill, a sadness came upon him, and he thought in his heart: How shall I go in peace and without sorrow? Nay, not without a wound in the spirit shall I leave this city. Long were the days of pain I have spent within its walls, and long were the nights

of aloneness; and who can depart from his pain and his aloneness without regret? Too many fragments of the spirit have I scattered in these streets, and too many are the children of my longing that walk naked among these hills, and I cannot withdraw from them without a burden and an ache.

Networked - Lee Rainie
2014-02-14

How social networks, the personalized Internet, and always-on mobile connectivity are transforming—and expanding—social life. Daily life is connected life, its rhythms driven by endless email pings and responses, the chimes and beeps of continually arriving text messages, tweets and retweets, Facebook updates, pictures and videos to post and discuss. Our perpetual connectedness gives us endless opportunities to be part of the give-and-take of networking. Some worry that this new environment makes us isolated and lonely. But in *Networked*, Lee Rainie and Barry Wellman show how

the large, loosely knit social circles of networked individuals expand opportunities for learning, problem solving, decision making, and personal interaction. The new social operating system of “networked individualism” liberates us from the restrictions of tightly knit groups; it also requires us to develop networking skills and strategies, work on maintaining ties, and balance multiple overlapping networks. Rainie and Wellman outline the “triple revolution” that has brought on this transformation: the rise of social networking, the capacity of the Internet to empower individuals, and the always-on connectivity of mobile devices. Drawing on extensive evidence, they examine how the move to networked individualism has expanded personal relationships beyond households and neighborhoods; transformed work into less hierarchical, more team-driven enterprises; encouraged individuals to create and share content; and changed the way

people obtain information. Rainie and Wellman guide us through the challenges and opportunities of living in the evolving world of networked individuals.

A New Pocket Dictionary of the Italian and English Languages - Giuspanio Graglia
1836

Dante's Inferno (Illustrated by Dore) - Dante Alighieri
2014-07-29

Most English translations of INFERNO are full of colorful, but meaningless language based on today's modern standards. Some translations are so elaborate that they are as difficult to read as the original Italian version. This translation uses the Longfellow translation as a base, but replaces the obscure or antiquated verbiage with the language of Modern English. This translation could easily be read and understood by today's reader. Adding the illustrations by Gustave Dore brings this classic work to life.

Italian Women's Writing, 1860-1994 - Sharon Wood

*Downloaded from
legacy.opendemocracy.net
on 2021-01-24 by guest*

1995-01-01

Women's writing in Italy from Unification to the present day, examining the lives and works of women writers within the context of Italian history, culture and politics. The changing face of Italian social and political life since Unification has greatly affected the position of women in Italy. This work explores the relation between the changing role of women over this period, then struggle for social and political emancipation and equality, and the search by women writers to a personal and authentic literary voice.

Herculean Ferrara - Thomas Tuohy 2002-08-08

An illustrated account of the life and work of a leading patron of the Italian Renaissance.

Traces of Love - Eileen Chang
2014-03-06

Written by one of the most lauded Chinese writers of the twentieth century, this bijou story focuses around the relationship between Mr and Mrs Mi and compares their bond of love with the sense of care they feel for the elderly Mrs Yang. A subtle examination of the fragile ties that bind us to those whom we love and those for whom we find ourselves caring along the way.
