

Feng Shui Astrology For Lovers How To Improve Love And Relationships

Nine Star Ki Robert Sachs 1999-09-01 Nine Star Ki is an ancient, practical view of the world based on an astrological understanding of the way yin and yang interact to produce all the changes in life. Its companion philosophy, Feng Shui, applies Ki principles to your personal home and work environments. When combined as they are here, Ki and Feng Shui offer a fresh way to understand your personality, enhance your relationships, and develop a more fulfilling lifestyle. As in all astrology, you start with the month, day, and year of your birth (but not the exact time). A chart helps you use the ancient Chinese calendar to calculate your personal Nine Star Ki numbers. From there it's a simple matter to select from various wisdom collections the particular traits that apply to you, from health suggestions to love life to spiritual desires. Bonus: how to develop charts for family members, friends, and lovers.

Love Magic Ariana Ariana 2013-02-23 Some break ups are inevitable. Some are sudden. Sometimes relationships just fade away. Some relationships are volatile from the first date until long after the break-up. No matter what, it's often difficult to break-up with someone, even if you've grown to despise him or her. If we've loved someone, it can take a lot of work to erase his or her presence from your life. After all, you both shared some pretty intimate moments and now it's all gone. Almost everyone has lost a romantic someone at some point in his or her life. Most adults have the ache from these experiences echoing somewhere in their soul. We should be able to all bond about it. Sometimes we all can. But some people are afraid to be vulnerable. It can be hard to fill the void without resorting back to negative behaviours that attracted an incompatible match towards us to begin with. Do your lovers often lie to you? Do your lovers cheat on you? Are you cheating with someone right now? Remember that a relationship that starts in a lie seldom evolves into anything more than a lie. You can never heal your heart if you're emeshed in a lie. We all lie. We lie to ourselves. We lie to each other. We tell white lies to soothe people's feelings or avoid confrontation. Where's the line? Some people are better at spotting liars than others. We all have our different levels of "gut instinct." The trick is learning to trust it and to listen to it. We can all enhance this ability and learn how to steer away from people who will disrupt our lives. Astrology, feng shui, meditation, and personal growth exercises are some of the tools used to experience self-awareness in healing our hearts. Whether our bad relationship lasted ten days or ten years, we can learn how to focus on the future instead of the past. Learning from our mistakes and acting on red flags are important tools to carry forward. Ariana is the author of "House Magic: The Good Witch's Guide to Bringing Grace to Your Space" from Conari/Red Wheel/Weisner.

The Feng Shui Guide to Love, Sex & Relationships Jackie Notman 2013-11 There is a wealth of information available if you are looking for a lover, partner or soul mate or if you want to improve your current relationship. Likewise there is a wealth of information on the subject of feng shui. However, there is very little information available that combines both subjects and mostly it's generic, applying to the average person rather than you. The Feng Shui Guide to Love, Sex & Relationships is not generic. It does not tell you what you should be doing, saying, thinking or feeling. Neither is it a 'How to Date' book. Instead it takes the fundamental principles of feng shui and shows you how to apply them to you and your environment. The Feng Shui Guide to Love, Sex & Relationships shows you how to: • Understand yourself and your environment energetically • Be authentic to your true nature and attract the right people into your life • Enhance the energy in your environment that supports intimate relationships • Understand why you are attracting your current relationship, or lack of one • Communicate accurately with yourself and others • Maximise your ability to have a satisfying and meaningful relationship that is right for you The Feng Shui Guide to Love, Sex & Relationships is for single people who want to find that special someone or anybody who wants to improve their current relationship. Regardless of age, gender or sexual orientation, it is a book for those who want to love and be loved.

Feng Shui Made Easy, Revised Edition William Spear 2011-03-08 The first edition, released in 1995, was lauded by seasoned practitioners and beginners alike. And no wonder. While most of the early English-language books on feng shui were dauntingly mystical or relied on complex calculations or culturally specific design practices, Feng Shui Made Easy took a more holistic approach, clearly explaining the fundamentals while guiding readers on an inner journey of understanding. Thoughtfully written and beautifully illustrated, the book is structured around an "architecture of consciousness" that is really the inner landscape. The book explores each "house" of the bagua—the chart representing one's journey through life; relationships with parents, loved ones, and community; creativity; spirituality; and connectedness to the source of life—and the symbolism of the corresponding I Ching trigram. Feng Shui Made Easy helps readers discover the nature of these connections, as well as learn what obstructions must be removed to change fixed patterns of behavior and restore balance, harmony, and inner peace—a process that, when combined with external adjustments, results in increased success and lasting change in all areas of life. This revised edition expands on the author's intuitive approach with new sections on health, children's environments, and ecological concerns and sustainable practices. The author also corrects misconceptions about feng shui and uses fascinating case studies to share valuable insights he gained from interactions with his clients and readers. From the Trade Paperback edition.
