When they're good, they're great. But when they're bad, they can ruin your day, your week—even your year. Packed with proven advice from two of today's leading experts in workplace relationships, this one-of-a-kind guide gives women the tools they need to navigate difficult situations unique to women-to-women relationships—whether with a boss, a colleague, a client, or an employee. Makes you look bad by missing deadlines? Forms a "pack" of mean girls to make your life miserable? *Mean Girls at Work* isn't just about surviving difficult situations. It's about transforming a toxic relationship into one that benefits and supports both of you. This book is also for women who engage in mean behavior . . . but don't know it. After all, who hasn't gossiped about a female coworker? Who hasn't rolled her eyes in the presence of a woman she doesn't like? Who hasn't scanned another woman head to toe—which is just a nonverbal way of saying, "You've just been judged"? The authors provide invaluable advice to the more subtle ways of being mean—even if they're not intended. With a workforce composed of a higher percentage of women than ever, workplace dynamics have changed. Crowley and Elster cover every conceivable scenario, providing critical advice on how to rise above the fray and move forward professionally. *Mean Girls at Work* is your map to dodging the mines and moving forward in today's transformed workplace. Praise for *Mean Girls at Work* "An invaluable suit of armor for surviving nine to five!" —Leil Lowndes, bestselling author of *How to Talk to Anyone* "If you think the emotional cruelty of comedies like *Mean Girls* and *Heathers* doesn't exist in the real world workplace, think again. In *Mean Girls at Work*, Katherine Crowley and Kathi Elster valuably chronicle female vs. female predators and offer solid defensive strategies." —Ann Kreamer, author of *It's Always Personal: Navigating Emotion in the New Workplace* "Whether you are in your twenties and just starting your professional career, your midcareer forties, when you are supposed to have figured it out already, or a woman in her fifties or sixties who's seen it all—this book is a must-read. . . . [Elizabeth and Hazel](#) David Margolick 2011-10-04 The names Elizabeth Eckford and Hazel Bryan Massery may not be well known, but the image of them from September 1957 surely is: a black high school girl, dressed in white, walking stoically in front of Little Rock Central High School, and a white girl standing directly behind her, face twisted in hate, screaming racial epithets. This famous photograph captures the full anguish of desegregation--in Little Rock and throughout the South--and an epic moment in the civil rights movement. In this gripping book, David Margolick tells the remarkable story of two separate lives unexpectedly braided together. He explores how the haunting picture of Elizabeth and Hazel came to be taken, its significance in the wider world, and why, for the next half-century, neither woman has ever escaped from its long shadow. He recounts Elizabeth's struggle to overcome the trauma of her hate-filled school experience, and Hazel's long efforts to atone for a fateful, horrible mistake. The book follows the painful journey of the two as they progress from apology to forgiveness to reconciliation and, amazingly, to friendship. This friendship foundered, then collapsed--perhaps inevitably--over the same fissures and misunderstandings that continue to permeate American race relations more than half a century after the unforgettable photograph at Little Rock. And yet, as Margolick explains, a bond between Elizabeth and Hazel, silent but complex, endures.

Not That Kind of Girl Lena Dunham 2015-11-01 "NEW YORK TIMES" BESTSELLER - CONTAINS TWO NEW ESSAYS NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY MICHIKO KAKUTANI, "THE NEW YORK TIMES" - NAMED ONE OF THE BEST BOOKS OF THE YEAR BY "BUZZFEED, THE GLOBE AND MAIL, "AND" LIBRARY JOURNAL" For readers of Nora Ephron, Tina Fey, and David Sedaris, this hilarious, wise, and fiercely candid collection of personal essays establishes Lena Dunham--the acclaimed creator, producer, and star of HBO's "Girls"--as one of the most original young talents writing today. In "Not That Kind of Girl," Dunham illuminates the experiences that are part of making one's way in the world: falling in love, feeling alone, being ten pounds overweight despite eating only health food, having to prove yourself in a room full of men twice your age, finding true love, and most of all, having the guts to believe that your story is one that deserves to be told. "Take My Virginity (No Really, Take It)" is the account of Dunham's first time, and how her expectations of sex didn't quite live up to the actual event ("No floodgate had been opened, no vault of true womanhood unlocked"); "Girls & Jerks" explores her former attraction to less-than-nice guys--guys who had perfected the "dynamic of disrespect" she found so intriguing; "Is This Even Real?" is a meditation on her lifelong obsession with death and dying--what she calls her "genetically predestined morbidity." And in "I Didn't F*** Them, but They Yelled at Me," she imagines the tell-all she will write when she is eighty and past caring, able to reflect honestly on the sexism and condescension she has encountered in Hollywood, where women are "treated like the paper thingies that protect glasses in hotel bathrooms--necessary but infinitely disposable." Exuberant, moving, and keenly observed, "Not That Kind of Girl" is a series of dispatches from the frontlines of the struggle that is growing up. "I'm already predicting my future shame at thinking I had anything to offer you," Dunham writes. "But if I can take what I've learned and make one menial job easier for you, or prevent you from having the kind of sex where you feel you must keep your sneakers on in case you want to run away during the act, then every misstep of mine will have been worthwhile." Praise for "Not That Kind of Girl" "The gifted Ms. Dunham not only writes with observant precision, but also brings a measure of perspective, nostalgia and an older person's sort of wisdom to her portrait of her (not all that much) younger self and her world. . . . As acute and heartfelt as it is funny."--Michiko Kakutani, "The New York Times" "It's not Lena Dunham's candor that makes me gasp. Rather, it's her writing--which is full of surprises where you least expect them. A fine, subversive book."--David Sedaris "This book should be required reading for anyone who thinks they understand the experience of being a young woman in our culture. I thought I knew the author rather well, and I found many (not altogether welcome) surprises."--Carroll Dunham "Witty, illuminating, maddening, bracingly bleak . . . Dunham] is a genuine artist, and a disturber of the order."--"The Atlantic"

One Heart, Two Men Kym Kostos 2015-01-20 Several years ago, I remember watching a movie on one of those movie of the week channels about a girl who had fallen in love with two men. I never thought it would be possible to do that, until it happened to me personally. I mean, how much love could one person actually have for one man, let alone two? When I had met James, I hadn't been in a relationship in quite some time. Before James, I was in a long term committed relationship with Edward for eight years, but towards the end, I found out just how committed he was. He had been cheating on me for half our relationship. I guess I was the only one committed there. When I came home one night from work, we had been living together for about two years at that point, I could smell a ladies perfume... and it wasn't mine. I was supposed to work late that night, but had decided to call it a day and surprise Edward by coming home early because I had been putting in a lot of hours at work and I knew I had been neglecting him. Guess who got the surprise? Yep. Me. I walked into our bedroom where Edward and some girl were in our bed going at it with moaning and screams... the works. It was the last thing I suspected and you can say that I was shocked and stunned and well, speechless. Until the girl had her nerve to ask me, "Who the hell are you?" Her words set me off and I lunged towards her and began to pull her hair. Edward, with little loyalty there was left for me, pulled me off and told the girl to go home. She mumbled some words as Edward held me back and put her clothes on and as she was walking out the door she looked at me and grinned, "Maybe if you were pleasing him, he wouldn't have to go elsewhere." It took every ounce of strength Edward had to hold me back. At that point, I would have probably gouged the girl's eyes out. The skank left our apartment and Edward let me go. "What the hell Edward?!" I yelled at him in tears. More tears of anger than of sadness. I was pissed off and rightfully so. Edward just hung his head, as all guys do when they have been caught cheating. "I'm sorry Rachel." "Sorry for what? That you were caught?" I yelled at him.

"EVERYONE JUST YELL "NO" AT THE "BULLIES!" THAT SHOULD HELP TO STOP THEM! Molly Murray 2011-08 I think most of us have been bullied at one time in our life or another. I believe there were times we may not have realize we were being bullied! If we were not being hit or yelled at we were not being bullied. Not true! Have you ever had something gnaw away at you in the pit of your stomach and you did not know what it was? I have. Have you ever been left out of a conversation not only when you were young but now as adults? It hurts and is so uncomfortable. Have you ever been laughed at and to you for no reason at all? Have you ever had people just look down at you? Have you ever had people make you feel worthless without having to say anything? Has anyone ever teased you until it hurt? Yes, these are all forms of bullying. Have you ever yelled at your children and I don't mean just normal mom and dad discipline? Have you said things you should not have and did not realize it was emotional abuse to your children? The things that I have heard parents say are stupid and shut up. That is just a couple things. Think about it and then apologize to your children - no matter how old or young they are! Just love them! If any of the above sounds familiar, you are a bully! That is right! Re-read the bad feelings above and if you have done that to anyone you know, well maybe you need to tell them just how sorry you are! This goes for bosses also! Being a boss does not give you the right to be a bully! If you think you will get a better employee that way you are so wrong!

She was smoking a cigarette through the black mask that covered her face. "Hello, honey," she said softly. "Do you like me?" She knelt on one knee. Her hand caressed his cheek, the other hand holding the cigarette. As the blonde kissed him on the mouth she ground her cigarette into his flesh. He yelled, but she kept up the kissing and the burning. "Atta girl! Give it to him again!" one of the boys shouted. "Next?" They were teen-agers—kids. But they were capable of anything.
