Unprotected Miriam Grossman 2007-08-28 Our campuses are steeped in political correctness—that's hardly news to anyone. But no one realizes that radical social agendas have also taken over campus health and counseling centers, with dire consequences. Psychiatrist Miriam Grossman knows this better than anyone. She has treated more than 2,000 students at one of

America's most prestigious universities, and she's seen how the anything- goes, women-are-just-like-men, "safer-sex" agenda is actually making our sons and daughters sick. Dr. Grossman takes issue with the experts who suggest that students problems can be solved with free condoms and Zoloft. What campus counselors and health providers must do, she argues, is tell uncomfortable, politically incorrect truths, especially to young patients in their most vulnerable and confused moments. Instead of platitudes and misinformation, it's time to offer them real protection.

What Goes Around Comes Around Jes de la Rosa 2011-02-22 Growing up as a teenager, I always dreamed of getting a book published; some of my writings may be difficult to understand for some, but many can relate to my situations. Sometimes when something bad happens in life, I've learned to tough it out; eventually things will sort themselves out. To be able to accomplish something like this is a new experience for me as it would be for anyone. I wrote this book to let everyone out there know that anything is possible. If something isn't going your way, only you can fix it! That's the only thing that keeps me strong!

What a Girl Wants? Diane Negra 2009-06-02 From domestic goddess to desperate housewife, *What a Girl Wants?* explores the importance and centrality of postfeminism in contemporary popular culture. Focusing on a diverse range of media forms, including film, TV, advertising and journalism, Diane Negra holds up a mirror to the contemporary female subject who finds herself centralized in commodity culture to a largely unprecedented degree at a time when Hollywood romantic comedies, chick-lit, and female-centred primetime TV dramas all compete for her attention and spending power. The models and anti-role models analyzed in the book include the chick flick heroines of princess films, makeover movies and time travel dramas, celebrity brides and bravura mothers, 'Runaway Bride' sensation Jennifer Wilbanks, the sex workers, flight attendants and nannies who

SECRETS OF THE MALE MIND TO FIND THE MAN YOU WANT AND THE LOVE YOU DESERVE...

Addicted and Convicted Gregory McPhee 2011-07-08 I believe my poems are self-explanatory, and I have experienced them as real life situations. Raised in and around alcoholism, I chose the irresponsible ways that led me to deviance. I can only blame myself for my misfortunes and tremendous suffering. At the age of eight, I was placed in a juvenile facility for petty theft, for being incorrigible, for missing school, and yes, for drinking. I was released just long enough to drown my sorrows in booze or drugs. I used fictitious ids. I have had 22 drinking violations. My last grade of school was 5th Grade. I was expelled from Kindergarten. My third wife has seen it all and now stands behind me as she sees the spiritual side of me. I have actually experienced my own death at about the age of 26 from an overdose of heroin, secanol, and alcohol. And, at the present time I have hepatitis C. I had many chances and as I look back, I ask Him, "Why me, Lord?" Now, it is my responsibility to share my faith, strength, and gratitude in these few poems with you. It's your decision. We can suffer or we can rejoice.

housemates are riding hard all day and raging hardcore all night. The windchill may be dropping, but these ski bums, boarders, and bunnies keep heating things up -- by the fire, in the hot tub... *The Guyde* Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll

learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

What happened to Zoe won't stay buried... When Anna Cicconi arrives to the small Hamptons village of Herron Mills for a summer nanny gig, she has high hopes for a fresh start. As Anna delves deeper into the mystery, stepping further and further into Zoe's life, she becomes increasingly convinced that she and Zoe are connected—and that she knows what happened to her. Two months later, Zoe's body is found in a nearby lake, and Anna is charged with manslaughter. But Anna's confession is riddled with holes, and Martina Green, teen host of the Missing Zoe podcast, isn't satisfied. Did Anna really kill Zoe? And if not, can Martina's podcast uncover the truth? Silicon Valley Girl (Hardcover Version) Maya Morrow 2017-06-29 Silicon Valley Girl (Hardcover Version) by Maya Morrow Inspired by the life and works of poet Sylvia Plath, including Plath's published journals, Maya Morrow presents her own coming-of-age journey in this collection of raw and uncensored diaries spanning a decade and a half. The story begins Christmas 1984 and ends in 1999, when the author, twenty-six, rediscovers the handwritten diaries for the first time. "These diaries are compelling enough on their own," Morrow writes. "However, what makes this coming-of-age story different from many others is that it gives the reader a glimpse of not just an average, American middle class girl's life - it highlights the fact that my life was that, and I'm Afro American. When The Cosby Show came on, I saw my family on television, and didn't understand why the media said the show was an unrealistic depiction of African American life. It was realistic; it was my life!" Set against a backdrop of cultural touchstones any Gen-Xer would recognize, Silicon Valley Girl: My Adolescent Life and Times, and an Ode to Generation X offers a deeply personal look at the emotional life of a teenager of color trying to make sense of race, class, and sexuality at the dawn of Post-Cold War America. (2017, Hardcover, 242 pages)
