

Hard Love

Hard Love - Ray Lopez 2021-04-15

From the author of *Hard Knocks: Memoir of a Small Moment*, *Hard Love* is the second of three memoirs and picks up where *Hard Knocks* leaves his readers. It describes the author's immaturity as a young Christian living with his wife in California and his continuing struggles with alcoholism. Like Paul's discussion of his dilemma as a Christian in Romans 7:15, "I do not understand what I do. For what I want to do I do not do, but what I hate I do." It also follows Lopez's continuing struggle with depression and his wrestling between his conscience and his flesh, reminiscent of T. S. Elliot's lament in *The Love Song of J. Alfred Prufrock*, "I should have been a pair of ragged claws / Scuttling across the floors of silent seas." The narrative describes the radical way in which God heals Lopez from alcoholism, which saves his marriage and leads to the beginning of successful academic and professional careers (employment as a federal probation officer, receiving a master's degree in English from UC Berkeley), the birth of a daughter in Berkeley, and the blessings received through becoming part of a local Baptist church. The memoir covers fourteen years living in California and ends with a flight back east to relocate in Connecticut.

Love Hard - Jason Wren 2021-03-17

Most of us have a fundamental misunderstanding of love. We think it is about us. We believe it is about how someone or something makes us feel. When something or someone fails to give us the positive feeling we want, we move on and look for something else. This type of love requires little effort. By making it about us, and how we feel, we miss the many opportunities presented to us every day to have lasting and meaningful impact. To truly love is hard. It is not a feeling, but an action. It requires us to be intentional and outwardly focused on others rather than internally focused on our own feelings. When we love hard, our lives have real, meaningful, lasting, positive impact on the world around us. In *Love Hard*, Jason Wren uses stories from his and others' lives to show how all of us can learn to love hard and, thus, have significant and lasting impact.

Hard to Love - W. Winters 2019-08-20

From USA Today bestselling author Willow Winters comes a heart-wrenching, edge-of-your-seat gripping, romantic suspense. Our love story isn't a tragedy but it sure as hell started out like one. I grew up in the life, and learned to hate everything in this town. Everything but her. She was my constant through it all. Just a look would tempt and torment. Just a touch would singe and soothe. I only survived because she was by my side. I feared the danger would bleed into what we had. After all, she was too good for this world. But I was too far gone to push her away. I was Laura's downfall. Problem was, she was mine too. *Hard to Love* is book 1 of the *Hard to Love*, romantic suspense, series. "This highly addictive read had me glued to its pages, and unable to put it down. This story will have you jaw-dropping, gasping for breath, and begging for more!" Tough Love - Susan Rice 2020-08-04

Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you

truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, Tough Love makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

Hard Love - Ellen Wittlinger 2012-06-19

With keen insight into teenage life, Ellen Wittlinger delivers a story of adolescence that is fierce and funny - and ultimately transforming -- even as it explores the pain of growing up. Since his parents' divorce, John's mother hasn't touched him, her new fiancé wants them to move away, and his father would rather be anywhere than at Friday night dinner with his son. It's no wonder John writes articles like "Interview with the Stepfather" and "Memoirs from Hell." The only release he finds is in homemade zines like the amazing *Escape Velocity* by Marisol, a self-proclaimed "Puerto Rican Cuban Yankee Lesbian." Hanging around the Boston Tower Records for the new issue of *Escape Velocity*, John meets Marisol and a hard love is born. While at first their friendship is based on zines, dysfunctional families, and dreams of escape, soon both John and Marisol begin to shed their protective shells. Unfortunately, John mistakes this growing intimacy for love, and a disastrous date to his junior prom leaves that friendship in ruins. Desperately hoping to fix things, John convinces Marisol to come with him to a zine conference on Cape Cod. On the sandy beaches by the Bluefish Wharf Inn, John realizes just how hard love can be.

Hard Love (Part One) - Paula Perry 2021-11-03

Jeffery Hill, do you take Pamela House to be your lawfully wedded wife to have and to hold through sickness and in health, for richer or poorer? "I do!" We are standing before our friends and family telling

lies. Our lives will never be the same after today. I believe that is one of the biggest lies that Jeffery has ever told in a church. From where I'm standing, I can see the back door. I still have time to make a run for it, or maybe we can just have a big fabulous party shake hands and walk away as mutual friends. Oh well, besides I'm looking fierce in my Michael Kors designer wedding gown that Jeffery bought. He's suddenly so...much in Love with Joseph and I that he can't see straight. I hope no one can see the rather large knife hidden underneath my gown that I brought with me, for just in case. My gun was too large to hide in my bouquet. We have been happy for awhile. So I thought. Until...

Hard to Love - Briallen Hopper 2019-02-05

A sharp and entertaining essay collection about the importance of multiple forms of love and friendship in a world designed for couples, from a laser-precise new voice. Sometimes it seems like there are two American creeds, self-reliance and marriage, and neither of them is mine. I experience myself as someone formed and sustained by others' love and patience, by student loans and stipends, by the kindness of strangers. Briallen Hopper's *Hard to Love* honors the categories of loves and relationships beyond marriage, the ones that are often treated as invisible or seen as secondary--friendships, kinship with adult siblings, care teams that form in times of illness, or various alternative family formations. She also values difficult and amorphous loves like loving a challenging job or inanimate objects that can't love you back. She draws from personal experience, sharing stories about her loving but combative family, the fiercely independent Emerson scholar who pushed her away, and the friends who have become her invented or found family; pop culture touchstones like the Women's March, John Green's *The Fault in Our Stars*, and the timeless series *Cheers*; and the work of writers like Joan Didion, Gwendolyn Brooks, Flannery O'Connor, and Herman Melville (*Moby-Dick* like you've never seen it!). *Hard to Love* pays homage and attention to unlikely friends and lovers both real and fictional. It is a series of love letters to the meaningful, if underappreciated, forms of intimacy and community that are tricky, tangled, and tough, but ultimately sustaining.

Love You Hard - Abby Maslin 2019-03-12

Abby Maslin shares an inspiring story of resilience and commitment in a deeply affecting new memoir. After her husband suffered a traumatic brain injury, the couple worked together as he recovered—and they learned to love again. When Abby Maslin's husband, TC, didn't make it home on August 18, 2012, she knew something was terribly wrong. Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home, all for his cell phone and debit card. The days and months that followed were a grueling test of faith. As TC recovered from a severe traumatic brain injury that left him unable to speak and walk, Abby faced the challenge of caring for—and loving—a husband who now resembled a stranger. *Love You Hard* is the raw, unflinchingly honest story of a young love left broken, and the resilience required to mend a life and remake a marriage. Told from the caregiver's perspective, this book is a daring exploration of true love: what it means to love beyond language, beyond abilities, and into the place that reveals who we really are. At the heart of Abby and TC's unique and captivating story are the universal truths that bind us all. This is a tale of living and loving wholeheartedly, learning to heal after profound grief, and choosing joy in the wake of tragedy.
