Hot Sex, Cool Erotica - Bebe Wilde 2014-06-20  
Hot Sex, Cool Erotica...the title says it all. For the first time ever, Bebe Wilde has bundled some of her most erotic stories into one volume, Hot Sex, Cool Erotica: Stories of Pleasure and Fantasy. From hot office affairs to BDSM relationships to a super sexy threesome, these previously released stories run the gamut of romance, fun, fantasy and pleasure. At the End of the Day: When Chloe meets handsome Ted, she's already attached and never believes she will begin an affair with him - or how hot it will be. Soon, they are in the throes of a passionate affair neither can get enough of. On The Same Page: In the sequel to At the End of the Day, Chloe has broken up with her boyfriend only to

be left with the lease on an expensive apartment that she can no longer afford. With no other alternative, she agrees to moonlight on the weekends for a suave yet slightly obsessive entrepreneur. The sparks fly when she becomes insubordinate and he takes matters, quite literally, into his own hands. Cold Hard Cash: She's not in love with a stripper, but she's certainly in lust! Myra goes on vacation to Miami with her friends and unexpectedly has a fling with a handsome stripper named Cold Hard Cash. Love Hurts: Due to a past hurt, Mina is inhibited and has to be in control of her relationships. But when she meets Gil, she finds a man who is more than willing to show her the freedom only submission can bring. You, Me and

Him: Things get hot and dirty when a young woman fulfills her favorite fantasy of having a threesome with her boyfriend and his good looking best friend. An afternoon of hedonistic pleasure ensues that leaves her breathless and wanting more. Merci: When Nina is offered the once in a lifetime opportunity to live in Paris, she never expects that she will begin a torrid affair with a handsome French businessman. Although she is terrified of giving him her heart, her body is another story. Hot Sex, Cool Erotica: Stories of Pleasure and Fantasy contains some of the sexiest and hottest romantic erotica out today. Please keep in mind, however, that this collection is intended for mature audiences and contains explicit content and language.

Sex and Sexuality - Mildred W. Weil 1990

Looking at sexuality openly and in the general social context of our culture and viewing the intra-societal influences on the individual's perception of himself makes us aware of the pain individuals encounter because of sexual repression, as well as the pain caused by overindulgence and obsessive concern. This book is an attempt to establish this awareness by combining theory, research results and analyses which permits us to look at the newer codes in relationship to non-marital, premarital, extra-

marital, and marital sexuality. Although half the adult population (no matter what their personal practice may be) believes that sexual intercourse should take place only in the marriage relationship, such statistics give us only a partial picture. The issues which emerge are complex and dependent on individual circumstances, differences found in the norms of varied groups, and the vast array of changes present in society. Theory, research and issues in the area of sexuality are discussed within three conceptual frameworks, the family, society, and the individual as independent systems.

Too Embarrassed Or Afraid To Try New Ways Of Having Sex? Then read sexologist Dr. Hannah Horbeth's gentle guide to a spicier sex life: • Take your "Erotic Temperature" with a fascinating quiz that will help you identify whether you'd prefer to dominate or submit. • Take control: Learn the pleasures of dominating your partner. • Surrender! Learn the pleasures

of submitting to your partner. • Identify and integrate personal fantasies into your sex life. • "Borrow" other women's fantasies by looking at an extensive list of the most common fantasies. • "Steal" ideas for hot fantasies by reading Dr. Horbeth's recommendations on erotica, women's porn, literature, sexy mainstream movies and photography books. What's Stopping You From Experimenting? Sometimes women are afraid that if they experiment with fantasies, role play or domination/submission, they won't want to go back to "normal" sex, that they'll always hunger for something more. It's understandable to be apprehensive but stopping yourself from experimenting is a little like saying you don't want to taste wine because you'll end up an alcoholic. Or refusing to watch a provocative show because you'll end up like one of the characters. Relax. Dressing up as Cruella De Ville doesn't make you hungry for dog. By giving up responsibility for what's going on, by bending your will to the authority of another, by taking on the role of the compliant and the helpless you can experience a form of therapeutic escape from stress, guilt, shame, fear, and anger. Being in the presence of a controlling figure makes some women feel the kind of safety and protection they felt as a child. Others like the feeling of surrendering themselves, of disappearing into the unavoidable nothingness that comes from relinquishing all power. Still others like earning the approval of a dominant figure or turning their partner into somebody more commanding and powerful.
