The Caped Countess - Judith
Lynne 2021-07-15

By day, Lady Donnatella is a duke's silly daughter. So she can save London lives by night. When she stumbles into something larger than a street fight, everything she's balancing may come crashing down... It's another lonely season for Tella, dancing and gaming madly while keeping marriage away. She cannot tell her family or friends that her true self is the one battling danger in the city's dark streets. Nor will anyone guess; she's perfected her disguise. Then her night-time alter ego is seen — just when she can no longer count on her best friend, or her beloved great-uncle. And the resulting fuss in the newspapers isn't making any of this easier. Nor is the reporter who saw her. Henry Fitzwilliam, third son of a

marquess, left London society to serve in the wars, and won't go back. He's devoted his life to telling the stories Britain needs to hear, and perhaps this Caped Count falls into that category. He can't be sure until he gets much, much closer. Tella can handle a fight, but tracking a murderer is higher stakes. She might need someone at her back. Fitz might be the worst choice — or he might be more perfect than either of them suspects. A new kind of Regency romance, full of action, adventure, and forever love -- "Judith Lynne also demonstrates that it is possible to write a genuinely erotic sex scene that sizzles on the page without so much as a hint of coarseness." - Booklife

Dukes and thieves, bakers and baronets, inventors and artists and late-night adventurers — you'll meet them all. Enjoy discovering Judith Lynne romance!

[The Twelve Chosen Disciples](#) - Ian Fleck 2017-03-02

Many Christians are unable to give the names, or many details, of Jesus' twelve disciples and yet we can learn many lessons from their lives. Each of them had his own personality but Jesus was able to change and use them in the service of the Kingdom of God.

They had faults like we do. They were a mixed bunch of people, each with their own gifts and struggles. God calls all sorts of people, and we cannot forget that Jesus was selecting men for a leadership role in the early church. We can use the example of the apostles to inspire and teach us. This is a tremendously useful book that will have a place on many a minister's bookshelf. From Andrew through to Judas, Ian Fleck's survey is detailed but accessible and never dry. This is a timely book, coming at a time when many in the church are speaking of the need for discipleship, yet, all too often, little or nothing is ever said of the first disciples. This book opens up their lives to us. Rev. Dr. Paul Bailie Chief Executive, Mission Africa (Working in Nigeria, Burkina Faso, Chad and Kenya) Inspired by material concerning the Twelve disciples which he has assembled from the Four Gospels, and in interaction with other Scripture texts and some ancient traditions, Ian

You're Not My Wife - Brian C Dilosa, Sr 2020-07-06

I'm pretty sure you have heard the phrase, "the greatest trick the Devil ever pulled was convincing the world that he doesn't exist." For many men dating is a ploy they abuse in order to convince women to trust and fall in love with their false personalities or what I

call their aliases. These men create aliases to make women believe that they are receiving a genuine man. They are actually receiving the morphed version of who he really is. Well women today is your lucky day because my self help book will walk you through identifying 12 of the most common aliases men use to steal your heart, seduce you into giving yourself over to them sexually, and even con you into believing their false personalities are marriage material. A man creates an alias personality to get a woman to trust him and eventually give herself to him. What women do not know is that for a man faithfulness is reserved for his wife. As a girlfriend you will never get the faithful him because, "You're Not His Wife." A man believes a woman that is not his wife is just a date. Whether long term or short term a date is not his spouse. Dating in today's world is so difficult because so many men are dating to deceive women for selfish gain but not willing to become espoused to

anyone. For the longest time women have been trying to figure out if the guy they are dating is really into them or just deceiving them. Little progress has been made and women continue to struggle and fail in dating because they just can't get a clear grasp on identifying men that are genuine from those that are fake. In today's society the principles God has set forth may not fit the current dating trends; however, they are the desire of every woman's heart. This book will put women on a purposeful path of dating to be married. It will give women a step by step breakdown of the tactics men use to present themselves as the man of your dreams and help you learn counter actions to these deceitful aliases. This insight will protect women from investing precious time in another failed relationship. Women will be equipped to immediately spot the aliases men use to deceive them, dismantle their deceptive tactics, and preserve their own heart, integrity and time. This

book will put women at the helm of the dating scene and positioned to find the man of their dreams.

Transcultural Negotiations of Gender - Saugata Bhaduri
2015-09-18

Transcultural Negotiations of Gender probes into how gender is negotiated along the two axes of 'belonging' and 'longing' - the twin desires of being located within a cultural milieu, while yearning for either what has passed by or what is yet to come. It also probes into the category of 'transculturality' itself, by examining how not only does it pertain to the coming together of cultures from diverse spatial locations, but how shifts over time and changing performative modes and technological means of articulation, within what may be presumed to be the same culture, can also lead to the

'transcultural'. The volume comprises four sections. Part I, '(Be)longing in Time', examines negotiation of gender through transcultural acts of myths, rituals and religious practices being revised and revisited over time. Part II, '(Be)longing in Space', studies how gender is renegotiated when people from different spaces interact, as also when public spaces and domains themselves become sites of such negotiations. In Part III, 'Performing (Be)longing', such transcultural negotiations are located in the context of changing modes of performance, considering particularly that gender itself is performative. The final section, 'Modernity, Technology and (Be)longing', traces how gender becomes transculturally negotiated in a space like India, with the advent of modernity and its companion technology.

EVERLASTING GOSPEL -

OLUMBA OLUMBA OBU

2020-08-25

The Everlasting Gospels are the Holy Words spoken directly from God's mouth. The voice of The Heavenly Father transcends from His High throne to all mankind to adhere to. The Word, which created the world in the beginning, is now to recreate, reconstruct, and reform the entire world and humanity according to The Father's Will as it is done in heaven. The kingdoms of this world have become the Kingdom of our Lord and His Christ and this Working Document is the only Constitution of the New World. The contents of this Everlasting Gospel is a testimony to the fulfilment of the promise of Our Lord Jesus Christ, that the Comforter will come to teach all things, lead people to the accurate knowledge of the truth and inform of things to come (John 16: 7-14), which has in truth materialised. The Will of Our Heavenly Father is done on earth as it is done in

heaven. John 16: 7-14

“Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you. And when he is come, he will reprove the world of sin, and of righteousness, and of judgment: Of sin, because they believe not on me; Of righteousness, because I go to my Father, and ye see me no more; Of judgment, because the prince of this world is judged. I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you.” His Coming was revealed to many prophets, both past, and present. Astrologers and scientists are aware of His Omnipotence, Omnipresence, and Omniscience. Some try to

conceal or ignore the truth, while others are confused, disturbed, and without the capacity to comprehend. The purpose of this compilation is to reveal the Truth for the salvation of the entire world. The Holy Spirit is personified and His Everlasting Gospels, in this Divine Document, expatiates and shines greater light on many issues affecting our lives and environments physically, socially, and spiritually. The gospels provide answers to questions that have remained unanswered, challenge misconceived doctrines, corrects entrenched wrong believes, and reframes questions that were, hitherto, wrongly asked. The maxim which says that "a tree is known by its fruit' is germane to the Everlasting Gospel as the unparalleled wisdom in its contents affirm that God, the Quickening Spirit, is on earth directing all the affairs in the world, setting the captives free, and fulfilling His promises. God has answered the plea in the Lord's Prayer as nominated in the Holy Bible, i.e. " Thy

Kingdom come, thy will be done on earth as it is done in heaven". That Kingdom has come. It is the Brotherhood of the Cross and Star, a Kingdom in reality and in practice with God Himself as the foundation and Head of the Monarchy. The government is theocratic and Love is the law. The Holy Spirit is warning everyone about the need to turn a new leaf and begin to love one another and all creation of God to escape the impending predicaments and calamities already befalling the world, and, especially, the final judgement of God. The Everlasting Gospel Volume 1 is a collection of some of the numerous Gospels and Bible Lectures delivered daily, and sometimes twice daily every day of the year, by the Holy Spirit personified in Leader Olumba Olumba Obu over a period spanning over forty years. The Gospels are delivered in the Efik dialect and interpreted into other languages, including English, by human interpreters. Interpreting Efik to English is a challenging task as Efik is a

complex language with a lot of nuances and contexts. The priority of the interpreters is to, as much as possible, provide the English equivalents of the gospels being delivered and not try to contextualize or second guess the meaning.
