winning journalist Dolly Alderton survived her twenties (just about) and in *Everything I Know About Love*, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' *Metro* 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' *Daily Telegraph* 'A sensitive, astute and funny account of growing up millennial' *Observer* 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' *Mail on Sunday* 'It's so full of life and laughs - I gobbled up this book. The Deepest Side of Love - Adriana Jai Wynn-Yeldell 2014-01-07

The Thomas and Mayfield family are closer than ever. From the outside things look great, but personal and emotional issues have surfaced to cause serious problems. Everyone has gotten older and despite the successes the family has enjoyed there is distrust, unhappiness and more secrets. Adam and Aira's relationship is in trouble and some of the children in the family needed a good whipping. Junior Mayfield have major decisions to make and Delano Devereaux, the ex-drug dealer comes face to face with his past. Aira C. Mayfield narrates the story and takes you through each family member's house to show you that we will all go through trials and storms that can shake the foundations of your life. But they are holding on until they can get right! Each Sunday they receive reaffirming

relief from Pastor Miles sermons, while forcing their minds not to drift and to pay attention to the signs. Relationships become tore and the evilness of sin are upon them. One by one they struggle to understand the changes and how to effectively overcome any battle the world brings because they know money can't fix all their woes and sorrows. Love and patience can conquer all but there is no getting through to some people. Is the pain too great or are they that hard-headed and stuck in their ways? Will there be forgiveness?

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself.

There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out,

you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Maybe He Just Likes You - Barbara Dee
2019-10-01

A 2020 ALA Notable Children's Book A
Washington Post Best Children's Book of 2019
Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice."
