The Mystery Girl Carolyn Wells 2017-07-29 The cozy college town of Corinth, New England is the setting for this classic locked-room mystery by Carolyn Wells, author of *The Clue*. All entrances to the study where the body was found were locked from the inside. The future college president and groom-to-be had no known cause for suicide, yet no clues point to a murder. Was Anita, the eponymous Mystery Girl, who is rumored to have been romantically involved with the dead man, somehow implicated in his death? Love letters between the two of them point to her potential guilt. And yet she seems incapable of such a crime. It's up to Detective Fleming Stone to decipher the story's twin puzzles; the mystery of the locked-room death and the true nature of ... *The Mystery Girl*.

The Don't Give a Fuck Girl PATRICK. C. BOROS 2019-08-30 The Don't Give a Fuck Girl is the story about me. Kitty for friends. Gorgeous on the cover of the magazines. How am I? Modest? No way! Confident? Like no other! Humble? Let that to the pilgrims! In three words?! I am Me! I won't bother you telling how beautiful I am on the inside. You know, that stupid line. Oooh. Yeah. Blah, blah. I have blue eyes. Brilliant mind. And a lot of stories to tell. I can't say I'm torn from a star. But I'm not ugly with boughs, either. In a word, I'm fuckable. You can't ignore me. My secret is my attitude. I'm tall as it needs. Nice hips. Loveable tits. As an expression of an old friend says, I'm so good looking that I would bang myself. I have perfect dentition. Which makes my smile unforgettable. And also allow me to sink my fangs into a man's throat if I have to. On the covers of the magazines, I'm sort of Mona Lisa. But a beautiful one. Without that imbecile gaze type on my face. When the job is done, I'm just like you. Moody. Scatterbrained. Stubborn. That's how I was born. People around me always told me to change myself. And I know I can change. But I don't want to. Take me as I am. Or not. I don't ask you to like me. Virgo. By my zodiac sign. Otherwise, nothing in common. If good girls go to heaven, I'm in the opposite team. I choose to have fun here, on earth. Far from a saint. I don't pretend to be a virgin Mary or something. I won't stay at my window and say it was the holy spirit at my back. No. I tell you that I love to have sex. Anytime and anywhere. When I'm with someone I like, I never miss the chance. Just to be someone who makes me feel alive. Nearly Perfect. I'm an artist. So, nothing in this world, under no circumstances, can be perfect for me. Neither do I. But I feel so good in my skin. Being myself, a non-perfect human being. About what I'm doing in my bed, I'm not gay. But I'm not straight either. It all depends on how the stars align. Or what my eyes see. My body is hungry for human touch. All the time. I love to love men. And I love to love women. You can call me Lover of Love! For a while, I tried to be a wife. It didn't work out. Career. Hmm. I'm not such a great fan of this word. I prefer Steps of Life. First Cover at sixteen. Queen of the hill. In my mind, of course. Two years of roaming around the world with a Pimp Lady and her girls. Adventures, beautiful places, real-life, fake people. Eighteen when I sign with an N.Y. models agency. Rude awakening. Hard work. Rejections. Stubbornness to win. First serious money. Hundreds of covers made. Many advertising campaigns. Thousands of hours spent on airplanes. SUPERMODEL LIFE. Twenty-one when I meet a music megastar. Not so impressive in bed. But my songs in heavy rotation a few months later. Concerts. Fans. Alcohol. Hangovers. Unwanted pregnancies. ROCK N ROLL DAYS. Twenty-three and so when I have my first night with a girl. Isabella. In Dubai. Soft as satin black skin. Perfect chemistry. Fireworks on the ceiling. Mood for talk and smoke after. MY LIFE, MY BODY, MY CHOICES. One 'no strings attached' relationship with a billionaire. A fair trade from the start. My hot body for his mentorship and protection. WIN-WIN SITUATION. Cinema.

'Walking props' roles. They all call me beautiful. And invite me to take my clothes off. Kill 'em all, as Papa Het should say. Until I met one of the biggest Hollywood stars. Mister Fame. Didn't sleep with him from the start. First, I won the casting for the movie he produced. Disguised as a hideous woman. I supposed that my mission on this earth is to cheer people up. About the haters, eat your hate and die, you shadows. I wish you all the time in the world. To see all you love most dying. I don't hate. But I'm always paying back. Briefly, that's me. My loved ones call me Kitty. Kitten. Duckling. Little Goat. Dream Girl. Your Stubbornness. But on the covers of the magazines, I AM GORGEOUS The Pride of the King A. M. Aleksander 2010-04-19

The Stubborn Shifter Sara Summers 2019-02-22 "For the rest of my life, the happy birthday song would remind me of my soulmate. My soulmate, the loaf of banana bread with candles in it, and catching my hair on fire." Most female shifters would be excited to meet their soulmate, but when Garrett Drew comes walking into Teresa Fulton's life on the night of her 20th birthday, all she feels is dread. Dread, and attraction. As the future Omega of her family's bear pack she has to be with a born-shifter rather than the cocky, stubborn professional baseball player who was born a human but still made for her. Teresa is determined to convince him to walk away despite his sexy grin and nearly-irresistible scent. Garrett's been warned that the only way he'll be with Teresa is if he can prove to be more stubborn than she is, and for the girl he can't get out of his mind and somehow knows is his, he's willing to be as difficult as he has to be. Who'll win this battle of wills? Find out in THE STUBBORN SHIFTER. *This is a steamy but clean standalone shifter romance with new-adult aged characters that would be rated PG-13 if it were a movie. There is no explicit content and no swearing.

Eleanor: A Spiritual Biography Harold Ivan Smith 2017-03-02 More than fifty years after her death, Eleanor Roosevelt is remembered as a formidable first lady and tireless social activist. Often overlooked, however, is her deep and inclusive spirituality. Her personal faith was shaped by reading the New Testament in her youth, giving her a Jesus-centered spirituality that fueled her commitment to civil rights, women's rights, and the rights of all "little people" marginalized in American society. She took seriously Jesus' words and despite her life of privilege, she made the needs of those on the margins her priority. *Eleanor: A Spiritual Biography* provides insight into one of America's most famous women, particularly the spiritual influences that made her so active in social justice issues.

States of Childhood Jennifer S. Light 2020-07-14 A number of curious communities sprang up across the United States in the late nineteenth and early twentieth century: simulated cities, states, and nations in which children played the roles of legislators, police officers, bankers, journalists, shopkeepers, and other adults. They performed real work—passing laws, growing food, and constructing buildings, among other tasks—inside virtual worlds. In this book, Jennifer Light examines the phenomena of “junior republics” and argues that they marked the transition to a new kind of “sheltered” childhood for American youth. Banished from the labor force and public life, children inhabited worlds that mirrored the one they had left. Light describes the invention of junior republics as independent institutions and how they were later established at schools, on playgrounds, in housing projects, and on city streets, as public officials discovered children's role playing helped their bottom line. The junior republic movement aligned with cutting-edge developmental psychology and educational philosophy, and complemented the era's fascination with models and miniatures, shaping educational and recreational programs across the nation. Light's account of how earlier generations distinguished "real life" from role playing reveals a hidden history of child labor in America and offers insights into the deep roots of such contemporary concepts as gamification, play labor, and virtuality.

One-Legged Mongoose Marc J Straus 2021-09-14 "Marc Straus has written an astonishing memoir full of humor and hilarity, heart and vision. This year's sleeper hit, I predict. A must read!"—Mary Karr, author of *The Liars' Club* It's June 1953, and 10-year-old Marc Straus is in his mother's car, getting sick from her cigarette smoke on his way to a Hebrew lesson. He and his brother, Stephen, are transferring from public school to a Yeshiva. His parents haven't said why-the family isn't religious. All Marc knows is he'll have to protect Stephen, a delicate kid other kids pick on. Marc's a street fighter who knows how to wall off pain. So begins *One-Legged Mongoose*, Marc Straus's vivid, compelling, you-are-there memoir of two years in the life of a precocious, scrappy Jewish kid carrying a dark secret as he embarks on the journey to young manhood in 1950s New York. When school starts, Marc begins commuting four hours daily to a different world, where kids are smart like him and a caring principal takes the troubled truant under his wing. On Sundays, Marc works at his dad's textile store, learning about honor and hard work. At home, he faces his volatile mother. A perceptive, courageous kid, Marc encounters anti-Semitism in public school, the community, and the Boy Scouts. On a camping trip, his troop leader asks the boys to search for a half-man-half-beast predator called the One-Legged Mongoose who devours human prey. "Why not?" Marc reasons. "I know all about monsters." Sidelined too often by illness and accidents, including a bout with polio and being hit by a car, Marc starts rethinking his risk-taking way of life and realizes he's not invincible. Life will wound him, but the rest is up to him. *One-Legged Mongoose* is a warm, funny, searing memoir about the challenges of crossing from childhood to young adulthood. It's an inspiring story of one boy's struggle to survive an abusive home, understand the world around him, and embrace responsibility for his own life.
