[Divorced Girl Smiling](#) - Jackie Pilosoph 2013-11-23

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

Woman Now is the Time - Liziwe Ntshengulana 2015-07-29

In a world that is out of its mind, you have to be out of your mind to navigate and live in it. Being out of the `out of the mind' world means being in your right mind. In your right mind you are whole and not in

judgment of anything. In the `out of the mind' world, people get entangled in all the rules that have been made through judgment of how form should and should not be. Form always is, judging how it should be and making it into that is the cause of pain and suffering. Now is the time for the each of us to be in our right minds in balance with our male and female energy to be whole, unconditionally loving to ourselves and thus others.

[An Older Woman Loving a Younger Man](#) - Bradley Preston 2008-11

What could they possibly have in common? She's old enough to be his mother. I just don't see how it could ever work. Have you ever been confronted with one of these statements because you're with someone younger? You are about to embark on a journey that will change your mind about May/December relationships. So many times in life people make judgments about one another based solely upon the traditions of the sect of society in which they were raised. More times than not their judgments are wrong, simply because they've chosen to base them on incomplete information. Once they have all the pertinent information concerning that subject their perception changes drastically. Changing people's perceptions is precisely why we wrote this book. Our hope is that once people read this book about our lives they will see that love truly does conquer all. Society says it's OK for a much older man to date a much younger woman. Yet when it comes to a much older woman dating a much younger man the double standard is revealed. Love truly transcends all of our societal misinformation. Love does not look at age, appearances, wealth, health, or any of the other ridiculous limitations that humans have put on relationships. Love knows no boundaries. It's not limited by our finite thinking. Love is the pure essence of two souls merging to become one. This is our story of two souls becoming one.
