### **Professor Kelli's Guide to Finding a Husband** - M. S. W.

Kelli Miller 2010-05-22

I know what you're thinking. You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okara's was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I'd been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their situation (or the men they've dated), and teaches them the process of letting go and staying present. Sure, it's

about finding a husband but it's more about finding you first.

**How to Steal a Dog** - Barbara O'Connor 2009-04-27

Half of me was thinking, Georgina, don't do this. Stealing a dog is just plain

wrong. The other half of me was thinking, Georgina, you're in a bad fix and you got to do whatever it takes to get yourself out of it. Georgina Hayes is desperate. Ever since her father left and they were evicted from their apartment, her family has been living in their car. With her mama juggling two jobs and trying to make enough money to find a place to live, Georgina is stuck looking after her younger brother, Toby. And she has her heart set on improving their situation. When Georgina spots a missing-dog poster with a reward of five hundred dollars, the solution to all her problems suddenly seems within reach. All she has to do is "borrow" the right dog and its owners are sure to offer a reward. What happens next is the last thing she expected. **The Amsterdam Confessions of a Shallow Man** - Simon Woolcot 2013-10-28

"I have 15 tailor made suits and over 50 shirts that I can wear for work. To ensure that I don't repeat the same combinations too often, I keep a spreadsheet that notes which suits were worn with which shirts and ties on which day." When his best friend describes

him as being as shallow as a worms grave, and challenges him to keep a diary for a month to see what a hollow life he's leading, Simon Woolcot, a spoilt forty something British Expat rises to the challenge.

For a month he keeps a diary of his life in Amsterdam, a tale of fine dining, womanizing, romps in sex clubs, bespoke tailoring and office politics. The book is divided into the seven deadly sins, lust, greed, gluttony, sloth, envy, pride and wrath all of which are committed during the course of this book. Based on the popular blog, the Amsterdam confessions of a shallow man, the book provides plenty of insights into life in the Netherlands through the eyes of that cities shallowest man. An adult comedy for a mature audience

**Get Over Yourself!** - Patti

Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page

questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It

*Illicit Markets, Organized Crime, and Global Security* -  
Hanna Samir Kassab  
2018-06-26

This book explains the existence of illicit markets throughout human history and provides recommendations to governments. Organized criminal networks increased in strength after the enforcement of prohibition, eventually challenging the authority of the state and its institutions through corruption and

violence. Criminal networks now organize under cyber-infrastructure, what we call the Deep or Dark Web. The authors analyze how illicit markets come together, issues of destabilization and international security, the effect of legitimate enterprises crowded out of developing countries, and ultimately, illicit markets' cost to human life.

### Social Media in an English Village - Daniel Miller 2016

Daniel Miller spent 18 months undertaking an ethnographic study with the residents of an English village, tracking their use of the different social media platforms. Following his study, he argues that a focus on platforms such as Facebook, Twitter and Instagram does little to explain what we post on social media. Instead, the key to understanding how

people in an English village use social media is to appreciate just how 'English' their usage has become. He introduces the 'Goldilocks Strategy': how villagers use social media to calibrate precise levels of interaction ensuring that each relationship is neither too cold nor too hot, but 'just right'. He explores the consequences of social media for groups ranging from schoolchildren through to the patients of a hospice, and he compares these connections to more traditional forms of association such as the church and the neighbourhood. Above all, Miller finds an extraordinary clash between new social media that bridges the private and the public domains, and an English sensibility that is all about keeping these two domains separate.
