Unlikely to Stay Ashlie Knapp 2018-05-28 Brant Billings has not had much sense of permanency in his life. Raised as a foster kid, he was bounced from home to home until Betty Billings, his foster mom, adopted him at the age of eleven. Facing a mountain of student loan debt after receiving his nurse practitioner's license, Brant accepted a job at a clinic in the small town of Parker, Oklahoma. As long as he worked in the tiny town for three years, his loans would be forgiven. Small town girl Colleen "CC" Chandler has always been used to fending for herself. Raised by hippie parents more focused on their wants and needs than their daughter's, Colleen has not had much sense of stability in her life. As the town's only hair stylist, Colleen has continued to care for others by giving them the confidence they need to look their best. Both Brant and Colleen have scars that run deep. Will the two of them be able to overcome the odds stacked against them or will they simply be too much to handle?

The Century 1884

When Hope Is Gone Pedro E. Acevedo 2011-04-13 Eduardo Torres is a forty-five-year-old recovering drug addict, down on his

luck, trying to survive on the streets of New York’s South Bronx. Living in a homeless shelter, he spends his days begging for handouts and doing odd jobs for neighborhood merchants. But he wasn’t always like this. In his dashing youth, Eduardo was known and loved for his love of salsa music and his natural dancing ability. Once revered as “Papo Salsa” in his neighborhood , Eduardo is now a different man—broken and hopeless. He’s one of many victims of the turbulent times of the late sixties and early seventies, when the Vietnam War shattered lives, tortured families, and stole innocence from even the most well-intentioned individuals. One day, Papo Salsa encounters José Antonio Rivera, an educated professional from the same neighborhood as Papo. Though a few years younger, José remembers Papo as a heartthrob to girls of all ages, a guy the neighborhood boys looked up to. But Papo does not immediately recognize José. He begins telling a story of bad breaks and wrong decisions, in an attempt to explain why he is where he is now. When Hope Is Gone is a graphic yet moving story of love found and lost, set in the volatile environments of urban life, war, and drug addiction. Throughout the years and the fears, the hypnotic rhythms of salsa music—the soundtrack of the times—is the one thing these wounded souls could always turn to for inspiration.

necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

And Sex That 99.9% Of Men Don't Know Yet When a man gets a number from a woman in person or matches with her on a dating app like Tinder or Bumble, he will often experience one or more of the following problems when he texts her: She takes way too long to reply She doesn't contribute much to the conversation (e.g., she gives short answers and seems uninterested) The conversation becomes boring or fizzles out She rejects his offer to meet up with him for a date She takes what he says the wrong way and then loses interest She ghosts him (i.e. stops replying without any explanation, even though things seem to be going well) She friend zones him (e.g. "You're a great guy, but I'm not looking for a relationship right now" or, "You're a great guy, but I'm not looking to date anyone right now" or, "You're a great guy, but I think we'd be better off as friends.") She leaves him on read and doesn't reply for days, weeks or months...or not at all She plays hard to get when it comes to meeting up Do you know why? It's because most men make texting girls far HARDER than it needs to be. They don't understand this little-known secret I shared in this guide. These days, women are so tired, bored and frustrated by the endless texts that guys send (i.e. trying to get to know her, get along with her and just chat because he's afraid to ask her out), or the unattractive texts they send (i.e. being too nice, being too serious, sleazy, boring, etc). That's why when a woman gets a text from a guy who is using the texting method I shared in this guide, "The Text Attraction Guide For Men" she feels surprised and excited. It immediately gets her attention and she begins feeling like she wants something to happen with him (i.e. go on a date, have sex etc) The fact is that when a guy texts in the way that I recommended in this book, he will get 10x more dates and sex than a guy who just wastes a woman's time trying to get to know her or get along with her, or worse, acts like he's not even that interested in dating her. Texting women to get dates and sex is very easy when you understand how it works and why women respond so well to this more direct and masculine

Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a

How Do I Know If a Girl Likes Me Marion Garrett 2018-02-28 Every man desires to fall in love with a beautiful girl. However, finding the right girl to be with is not as easy as it sounds. Even the most handsome, bravest or wealthiest men face hurdles when trying to meet and impress a girl. This is why sometimes help is necessary. You may be asking, "How do I know if a girl likes me?" But did you know that when a girl likes you it will show in her actions and even words? Not directly, though, but there will be very visible signs. As a man, you may sometimes miss out on these obvious signs. This could be very unfortunate because the girl may assume you do not like her and she may go away. However, if you have a keen eye, then you are likely to note the subtle signs. These include enjoying your company, glancing at you occasionally, touching your arm, appearing excited at your presence and a lingering hug. While you may ordinarily not think much about such actions, they are actually very loud signs she likes you. Find out the answer now by clicking BUY NOW button in the top right corner of this page.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the

turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

The Other Woman's Daughter Yemisi Moweta 2022-12-01 When Abiye Omojola appeared in his office to ask for his help, all Leke Abiodun could see was his ruined childhood. He had no intentions of helping her or her mom, and as everything around seems to conspire to make him lose his mind, he began to wonder if he had believed a lie for the past twenty years. What if everything wasn't as it seemed? Like his cousin said, could he be part of a miracle, and was he about to lose the opportunity to correct a great wrong?
