The Spud Compton novella trilogy collected in one action-packed box set!

Spud Compton is an ex-soldier running cargo across space, while also running from his past - most notably his well-known Senator father and his war-hero older brother. When Spud's ex-girlfriend suddenly turns up in his life with an urgent job, he knows he should walk away. Money is tight, though, and he can't afford to turn it down. Spud takes on the cargo run, but soon finds himself with both the mob and navy on his tail, all the while the biggest threat to his life sits inside the cargo hold of his ship, just waiting to be released. Join Spud and the Benobi-451 crew as they are forced into a series of adventures across space, in this sci-fi horror with light-hearted moments.

**Death Is Not an Option: a View from a Free Medical Clinic - Bette A. Grey 2012-11-30**

Bette Grey understands the plight of the uninsured. She has walked in the shoes of those she now helps to get healthcare. She believes the life events that triggered this journey were actually blessings in disguise to not only others but for her as well. She credits God with the nudges to begin the project. No matter what direction her life took, she always was brought back to the idea for a free clinic. While recuperating from a vital surgery, she thought about those with the same issues who had no access to care other than through the local emergency room. And then she really thought about those who might refuse to go. She knew they would ultimately end up in the emergency room as a necessity, nearing death. She credits the ABC news program, 20/20 and the segment featuring Jon BonJovi. The performer was dedicating many dollars to a local free clinic in his community. The free clinic in Red Bank followed the Volunteers in Medicine clinic model. Bette innocently decided to explore the internet to find out about this type of clinic. She had no intentions of doing anything further but she believes God had other plans. Fast forward with many meetings under her belt, she was able to open the fifty-first Volunteers in Medicine clinic. As she looks back, she believes the lives saved are incredible, more than she ever thought. She really thought the clinic would be more for acute illness rather than the chronic diseases the clinic have treated. Never did she expect the seriousness of the diagnoses that would lead to the deaths of everyday folks.

**The Other Sides of a Mirror** - David Romo 2022-07-07

Pedro has always believed his life is boring and that nothing exciting or good will ever happen to him, but things are about to change drastically. Because of circumstances beyond his control, Pedro is now the leader of his group of friends. Now tasked with making life and death decisions for which he has no previous experience, he struggles to make the right choices. He swiftly makes new friends as well as enemies, and discovers different realms that even in his wildest dreams ever imagined could exist. Because of Pedro's lack of knowledge with traveling through other worlds, he usually ends up in the middle of the of the worst situations. In the past he was warned that "Things are not always the way they appear to be," and swiftly realizes just how true that statement is. Steven Boyd and the Blufirs have already begun attacking and make everyone's lives more difficult, yet somehow Pedro has managed to stay alive. But how long will they be able to survive as they travel through new and dangerous worlds where things are anything but normal? Despite all of this, Pedro has succeeded in meeting a few new allies who are now working alongside with him until more reinforcements can arrive, albeit from another solar system thousands of light-years away. As bad as things sometimes get, Pedro has always managed to make everything just a little more interesting and amusing for everybody else. But with every new world, there are more choices and challenges that must be dealt with.

*Age of the Sorcerers Bundle: Throne of Dragons (#2) and Born of Dragons (#3)* - Morgan Rice 2020-08-07

"Has all the ingredients for an instant success: plots, counterplots, mystery, valiant knights, and blossoming relationships replete with broken hearts, deception and betrayal. It will keep you entertained for hours, and will satisfy all ages. Recommended for the permanent library of all fantasy readers." --Books and Movie Reviews, Roberto Mattos (re The Sorcerer's Ring) A bundle of books two and three in Morgan Rice's fantasy series AGE OF THE SORCERERS (THRONE OF DRAGONS and BORN OF DRAGONS). Here are two bestselling novels, all in one convenient file with over 150,000 words of reading. It also makes the perfect gift! In THRONE OF DRAGONS (Age of the Sorcerers—Book Two) King Godwin mobilizes his army to cross the great bridge and invade the South to rescue his 17 year old daughter, Lenore. But Lenore is imprisoned deep in the South, under the watchful and hateful eye of King Ravin, and she may have to learn to escape herself first if she has any chance of escape. Her brother Rodry, though, is way ahead of the King's men, deep in hostile territory, alone on a mission to save his sister—while her other brother, Vars, offers a lesson in cowardice and betrayal. Devin follows Gray, eager to learn more about how to harness his powers and about who he is. Greave travels to remote regions to find the house of scholars and to try to save his sister, Nerra. But Nerra, sickened by the scale sickness, is dying on a remote isle once touched by dragons. And her only chance of survival may just compel her to risk it all. And all of this will culminate in an epic battle that may just determine the fate of the two kingdoms. In BORN OF DRAGONS (Age of the Sorcerers—Book Three) Lenore is safely returned to the North—but not without a price. Her bother Rodry is dead and her father, King Godwin, lies in a coma. With the rulership of the North in question, her treacherous brother Vars may just find an opening to rule. But Vars is a coward, and King Ravin, smarting from defeat, mobilizes the entire South to invade. The northern capital, never defeated, lies protected by tides and canals—but Ravin can happily lose scores of men. The most epic battle, it seems, is yet to come. Book #4—RING OF DRAGONS—is also now available!

*Again, Alabama* - Susan Sands 2015-06-12

Cammie Laroux is back in Alabama—again. Dragged back to her small town to help her mother recover from surgery while rescuing the family event planning business should be a cinch. Even for a disgraced television chef, right? Wrong. Among the many secrets Cammie's family's been hiding is the fact that their historic home is falling down. Oh, and the man hired to restore the house, Grey Harrison, is the same high

school and college love of her life who thrashed her heart and dreams ten years ago. Yeah, that guy. Grey, a widower with a young daughter, has never stopped loving Cammie, and when they are face to face once again, the chemistry is off the charts. Cammie may be in full-blown denial, but letting go is no longer in Grey's vocabulary, even when winning Cammie's forgiveness and renovating their love may seem like an impossible build even for a master architect and carpenter. As Cammie finds herself forgetting all the reasons she can't trust Grey or love again, he finds himself remembering all the reasons he wants her to stay with him in Alabama... forever.

**CRAVING THE FORBIDDEN** - India Grey 2019-02-06

Sophie is an actress whose best friend, Jasper, wants her to pretend to be his girlfriend to hide the fact he's gay. So, wearing a provocative outfit, she hurriedly hops on the train to get to Jasper's father's birthday. The attractive, sophisticated man sitting in front of her on the train gives her a look of blatant contempt. The two happen to get off at the same station and, it turns out, are heading to the same destination. He's Jasper's brother! Believing that Sophie is only with his brother for his money and title, he decides to set a trap to reveal her true motive!

*You Spin Me* - Karen Grey 2021-04-29

★★★★ "A well-crafted story, a story full of heart and soul as two people show themselves to be perfectly imperfect." Words of Wisdom from the Scarf Princess Some scars go further than skin deep... 1988 doesn't end well for Jessica Abraham. In just one week she turns thirty, loses her day job, and loses the role of Ophelia to a younger actress. Rallying, she goes after a part at a theater outside of the city, but the director's plan to hide her beauty behind hair, makeup and wardrobe from Cosmo's "Don't" column shakes her confidence to the core. For the first time in her acting career, she won't be able to rely on her carefully managed physical charms. Only her craft will count. On a snowy night early in January 1989, a woman calls into DJ Callihan Alonso's alt-rock radio show at the end of her commute. He asks her to call back the next night, and the next, just so he'll know she's home safe. There's something about her voice that has him wanting more, but the longer they talk, the closer she gets. Compromising each and every wall he's built around his heart. If two lonely people fall in love over late-night phone calls, will meeting face-to-face make them, or break them? In this heartfelt, slow burn retro romcom, it may be the end of a decade, but it's the beginning of a love story. This book may contain descriptions of events that might be upsetting or triggering for some readers. For more information, please see the Content Guidance page on my website:

bit.ly/ContentGuidanceKarenGrey ★★★★★ "I'm always happy to read Karen's books that transport me back to the 80s and 90s. I love her snippets of music, TV, current events of that time period sprinkled throughout the book for that hit of nostalgia." Pixiedustreads ★★★★★ "Jess and Cal's story is an indelible ink that seeped into my subconscious. I felt every cheer in their triumphs and shed every tear in their disappointments." Currant 7 Recommends ★★★★★ "This author is truly a master at creating likeable, three-dimensional characters." Laurie Reads Romance ★★★★★ "Grey's characters, Jess and Cal, enamored themselves to me and made this one of my favorite books this year." Once Upon a Page ★★★★★ "Like the first two books in the Boston Classics series, this book takes you on a journey. There's great music (that I'm now listening to), a host of interesting characters, a world that some of us lived in and storytelling that is absolutely wonderful." Anna Reads Here ★★★★★ "A story like a kaleidoscope of fireworks accompanied by a background of music, reflecting the characters' feelings throughout their journey." Ally & the Books ★★★★★ "I just sat and felt this one long after I finished. Not many books move me that way." Goodreads review ★★★★★ "I am loving this series, each book is entertaining and contains plenty of laugh out loud moments and heartfelt ones." Bookbub review ★★★★★ "Karen Grey has a lovely, deft touch with her characters, the plot, and with the world she's created." Bookbub review ★★★★★ "Add this to your must read list." Bookbub review ★★★★★ "No one has to be perfect. Being enough for each other comes pretty close, though." Goodreads review ★★★★★ "I was hooked from page one." Goodreads review ★★★★★ "Fresh, bright, original, laugh-out-loud funny yet serious and thought-provoking." Goodreads review ★★★★★ "This book doesn't gloss over difficult subjects, but there's also a lot of humor, and the love story itself is great. It's a slow burn, sure, but there's a real and deep connection between Jess and Cal right at the beginning. Absolutely beautiful." Goodreads review ★★★★★ "I love when a story takes me by surprise, and this one definitely did—relatable characters with real issues. Their imperfections and ability to see one another's true hearts was beautiful to watch unfold—overall feel-good." Bookbub review ★★★★★ "The 80s nostalgia is everywhere in this story.

From the records Cal spins as a DJ, to the mention of Tower records, and the struggles of talking on the phone with a stretched phone cord, this book transports you back to that era." Goodreads review [5/5] "What an amazing and refreshing story! Cal and Jess are wonderful characters. Their slow burn romance is beautifully written, sweet, emotional, and funny." Goodreads review [5/5] "This retro slow-burn romcom captured my heart and never let go." Goodreads review [5/5] "I loved how everything played out in this book, the story is beautifully plotted with the perfect balance of drama, humor, heartfelt emotions and romance, a wonderful, slow burn romance." Goodreads review [5/5] "The 1988 setting is a gem to the people who lived through those years and to the younger generation to get a taste of what they were like. Every chapter starts with little soundbites that introduce the shows or the ads in radio stations and its spot on!" Goodreads review [5/5] "a beautiful, emotional story about two damaged souls making a connection over late night phone calls." Goodreads review [5/5] "If you're looking for a fun, 80's story with both Sleeping Beauty and Beauty & the Beast vibes, this is the book for you!" Goodreads review [5/5] "I love when a story takes me by surprise, and this one definitely did—relatable characters with real issues. Their imperfections and ability to see one another's true hearts was beautiful to watch unfold." Goodreads review [5/5] "A captivating story that has a realness to it that is both breathtaking and devastating. You could feel both characters' emotional pain and their struggle to find happiness with their outward appearances. The character development throughout this series has been phenomenal and the stories are so much deeper than expected." Bookbub review

**Group Participation** - Harvey J. Bertcher 1994

Basic techniques for achieving group success are described in the latest edition of this popular handbook for group facilitators, which clearly details when, how and why to use each technique. Concrete examples are provided for each technique, and its application to a wide range of topics is discussed. These include contract negotiation, mediation, confrontation, gatekeeping, focusing, responding to feelings, rewarding effort and achievement, information management and summarizing. Completely revised and updated, this edition includes improved practice exercises, an expanded discussion on the nature of group success, and a new section which relates leadership techniques to group-specific cases. Level Up! Your Career - Dar Richardson Grey 2023

If you're struggling to get ahead at your current job, I have good news. The truth is you don't need to have advanced degrees to get ahead anymore. This simple three-step approach helped me obtain three promotions, which doubled my salary and put me in charge of a \$1 million account ...and I only have a high school diploma! After a recent promotion, I realized that I have ascended the corporate ladder quickly in nearly every job I've ever had. With every promotion came significant pay raises, status, freedom, authority, and clout. When added all up, I was quickly doubling and even tripling my salary - with virtually no extra effort. Somehow I was innately doing something that my peers could not, or would not. Once I pinpointed exactly what it was, I was able to go back and identify the exact things I did in nearly every job in order to compete against my coworkers - and win!

*Grey's Anatomy* - Chris Van Dusen 2006-09-12

A sexy, high-concept, behind-the-scenes peek at the lives and loves of Seattle Grace's most popular doctors . . . On ABC's mega-hit *Grey's Anatomy*, when surgical interns Meredith, Cristina, Izzie, George, and Alex (not to mention neurosurgeon Derek, aka Dr. McDreamy) aren't putting in long hours at Seattle Grace Hospital, they're flirting, gossiping, and drowning their sorrows at the Emerald City Bar. In one location, Nurse Debbie sees it all; in the other, Joe the bartender hears it all . . . *Grey's Anatomy* is styled as two books in one -- read from one side to get Debbie's hospital scuttlebutt, and from the other for Joe's alcohol-fueled tidbits. Notes from the Nurse's Station and Overheard at the Emerald City Bar are packed with new information on pivotal events. This is the book the show's millions of fans can't wait to read.

*How to Save a Life* - Lynette Rice 2021-09-21

THE NEW YORK TIMES BESTSELLER The first inside story of one of TV's most popular and beloved dramas, *Grey's Anatomy*. More than fifteen years after its premiere, *Grey's Anatomy* remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's *How to Save A Life* takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no *Grey's Anatomy* fan should be without.

How Little Grey Rabbit Got Back Her Tail - Susan Dickinson 2000-08-07 A Little Grey Rabbit book & tape pack produced especially to complement the TV animation. Narrated by Andrew Sachs. Little Grey Rabbit once gave her tail away to Wise Owl in exchange for some of his knowledge. She would like it back more than anything in the world. With the help of kind Moldy Warp the Mole Grey Rabbit is able to offer Wise Owl a very special gift. Maybe she will be able to get her tail back again after all... AGE 4-8

**Traces of Grey** - J. C. Phelps 2013-09

Everyone has secrets... A mysterious ad. A job she could just die for. And now, a life she's perfectly suited to. Alexis has it all, including her very own alias, Ms. Grey. That is until White is shot and Alex feels the need to stay by his side while he recovers. Nursing White back to health for the past two months has prevented her from taking on any new projects. So she's more than ready to get back to work when White offers her a simple surveillance job. The basic op turns up something from the past, putting extra pressure on White, and cutting Alex off the elite need-to-know list.

Gray Mountain - John Grisham 2014-10-21

#1 NEW YORK TIMES BEST SELLER • John Grisham has a new hero ... and she's full of surprises. The year is 2008 and Samantha Kofers' career at a huge Wall Street law firm is on the fast track—until the recession hits and she gets downsized, furloughed, escorted out of the building. Samantha, though, is one of the "lucky" associates. She's offered an opportunity to work at a legal aid clinic for one year without pay, after which there would be a slim chance that she'd get her old job back. In a matter of days Samantha moves from Manhattan to Brady, Virginia, population 2,200, in the heart of Appalachia, a part of the world she has only read about. Mattie Wyatt, lifelong Brady resident and head of the town's legal aid clinic, is there to teach her how to "help real people with real problems." For the first time in her career, Samantha prepares a lawsuit, sees the inside of an actual courtroom, gets scolded by a judge, and receives threats from locals who aren't so thrilled to have a big-city lawyer in town. And she learns that Brady, like most small towns, harbors some big secrets. Her new job takes Samantha into the murky and dangerous world of coal mining, where laws are often broken, rules are ignored, regulations are flouted, communities are divided, and the land itself is under attack from Big Coal. Violence is always just around the corner, and within weeks Samantha finds herself engulfed in litigation that turns deadly.

**Ask a Manager** - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of *The No Asshole Rule* and *The Asshole Survival Guide* 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F\*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit

'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

**Switch Back** - Steve K. S. Grey 2015-10-28

For Steve Grey growing up, abuse and uncertainty was all he ever knew. Pulled out of a difficult family upbringing when he was only a child, Steve jumped from children's home to children's home, rarely ever escaping the after-effects of the trauma that defined much of his early years. Unfortunately, the type of suffering Grey endured doesn't just get to be wiped away, as Switch Back examines how his childhood abuse also manifested itself in his adult life in ways he could have never imagined. In a personal collection of memoirs, Grey recites the most pivotal

moments of his challenging upbringing, focusing on the developments that occurred from childhood, and the reverberations that are still felt to this very day. Through musings and reflections, the heart-breaking story of Switch Back delves into some of the darkest times of Grey's life, yet the optimism in which these traumatic episodes are discussed makes for a truly inspirational tale of personal drive and discovery. With Switch Back, author Steve Grey dives deep into harrowing personal experiences, offering insight for those who may have suffered through similar episodes. While difficult to overcome at the time, Grey has since moved past the memories that haunted him in much of his developing life, with a new-found goal to use those same experiences to make sure abuse like this never happens again. With this novel, Grey offers a hand to anyone who has found themselves in a similar situation, primed with one key message in particular: you are not alone.
