When Your Husband Is Addicted to Pornography - Vicki Tiede
2012-10-01

In this helpful guide by Vicki Tiede, women are gently reminded to turn toward God and away from despair. When Your Husband Is Addicted to Pornography addresses the struggles women experience when they are shattered, betrayed, and alone. Writing from personal experience, Vicki Tiede offers daily readings and questions on six important topics: hope, surrender, trust, identity, brokenness, and forgiveness. She helps readers grow in healing and hope in the midst of marriage trials. By describing one of the "hidden sins" in our churches and culture that destroys marriages, the author offers biblical advice on a workable plan of action. She shares the stories of twenty-five women who have known this deep anguish, and she helps bridge the gap in the healing journey so many other materials leave out. She comforts readers and refreshingly points hurt women toward the one who calms the raging seas. Allowing God to meet your greatest needs is a long and learned process, but he promises to help you every step of the way. Questions and daily readings are suitable for both individuals and small groups.

It's no wonder that unfulfilled Nice Guys lash out in frustration at their loved ones, claims Dr. Glover. He explains how they can stop seeking approval and start getting what they want in life, by presenting the information and tools to help them ensure their needs are met, to express their emotions, to have a satisfying sex life, to embrace their masculinity and form meaningful relationships with other men, and to live up to their creative potential.

In the Name of Love - Aharon Ben-Ze'ev 2008

"A major case study of the book concerns men who have murdered their wives or partners allegedly 'out of love'. It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or partner. How can murdering a loved one be associated with the assumed moral and altruistic love? Not only is love intrinsically ambivalent, but it can also give rise to dangerous consequences. Some of the worst evils have been committed in the name of love."--BOOK JACKET.

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of *Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship*. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media

platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

How We Do it - Judy Dutton 2009

A fascinating exposé of what revs our sexual engines—and how knowing what happens behind the sex-lab door will make us better lovers. Did you know that the scent that turns on men the most is pumpkin pie mixed with lavender—and that women have been known to go wild from a whiff of Good & Plenty and cucumber? Sex researchers have been documenting the many esoteric aspects of the erotic realm for years, and now the laboratory door is open to you. How can you increase the odds of attracting a mate? (Using a new nickname might do the trick.) Is it possible to orgasm just by thinking about it? (Some people can—maybe you're one of them.) Can you prevent your partner from straying? (There is a vaccine—but so far it's been tested only on rodents). How We Do It answers these questions and more, revealing the mysteries of what turns us on and why, and highlighting the latest, greatest, and most bizarre experiments heating up laboratories around the world today and throughout history. More than a survey of sexual experimentation, it's a guide to heating up your sex life, showing how to improve your sexual performance, from the first sparks to the climactic finale, backed by scientific research.
