Trackless - M.A. Hill 2014-05-31

TRACKLESS: A JOURNEY THAT FOLLOWS NO TRAILS by MA Hill tells of the power of dreams and destiny. Is what we want what we need? Can we choose our path in life? Set in Australia between the 1950's and 80's this book evokes a poetic vision of the vast distances of the land and the dissolving polarities between the truth of reality and the mystery of illusion. Magic and myth interweave in this novel of betrayal and deceit. This is the story of Aidan Randell, who abandons his career as an architect in a quest for art and freedom. When he meets gifted musician, Gwentyth Chamberlain, the ramparts of the safe world she has constructed fracture into chaos. Is it fate, foretold by Viking Ru nestones cast by the strange dancer, Dolfine? Random chance? Or the inevitable consequences of cause and effect — of action and reaction? Are they driven by profound love and devotion, or lust and desperation? Is the treasure a priceless antique violin, or just a wooden box with strings — a worthless fake? From the mansions of the wealthy and powerful, to beach shacks and remote desert camps — from sailing super-yachts and driving 4WD on outback tracks — they journey into the wilderness of the soul and discover bedrock.

The Caroline - John K. Sutherland 2013-10-29

An attempted murder one dark night on the river disrupted the lives of two families and deeply affected the lives of two individuals from those same two families for the next five years. They had been forced to make choices that took them far apart before being serendipitously brought together once more. The would-be murderers, three of them, lost one of their own soon after that night from wounds he had received at the hands of their intended victim. Three years later, a second of them fortuitously became the victim of that same man they would have killed. The third and last one, attempting to recover the failing fortunes of the family in a poker game on the river, saw the means to cheat his opponent and at the same time to be rid of his sister who had unexpectedly shown up again. His first attempt on her life as they had travelled upriver had failed, and a second attempt would be difficult now that she expected it and now that she had a protector. He saw another way to be rid of her: in a poker game where he would wager her away. If only it could be that simple. He had no idea the trouble he would cause by that act. The unexpected outcome of that game brought two individuals closer together and eventually healed the initial disruption that had seen them torn apart five years earlier.

How to Pick Up Women - Matthew Manson 2019-08-21

Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice from men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover: - How to pick up women in an ethical way which leaves you BOTH happy and satisfied. - The things you NEED to improve about yourself in order to attract women instantly for the rest of your life. - A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life. - The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman. - How to make killer first impressions that will make women obsessed with you. - How to master the art of texting and never feel nervous or embarrassed after sending her a text. - How to keep a conversation going in a natural and enjoyable way. - How to create a flirty vibe and sexual tension which will lead to some real action. - How to have a proper one-night stand which will make you stand out and make her come back for more. I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot. However, if you dedicate yourself to this, no matter how old you are, you will learn how to get women to become obsessed with you. I was the shyest kid in my school and now I can confidently approach any woman I want. If I could learn it, anyone can. If you want to break the cycle of getting rejected by beautiful women once and for all, then scroll up and Order Now!
