The perfect Christmas gift for the spectacular buff tings in your life. *One of Cosmopolitan's 2022 hot new releases* 'This book will change lives' - Tracey Cox 'Possibly the best book on relationships I have ever read' - Jess Megan

Have you ever been on a disastrous date and vowed never to use apps again? Are you blaming yourself for the things going wrong in your love life? Do you always seem to become attached to people who treat you badly? The sad truth is that when it comes to modern dating, there are a

whole host of challenges and hurdles to overcome. From ghosting and negging to gaslighting and abuse, this book teaches you what to look out for, to make sure that you're not accidentally dating men with toxic traits who secretly hate women, or who just want to have sex and run. It will empower you to use your voice and walk away if you spot warning signs in relationships, by highlighting the red flags and the types of fuckboy that you might run into when dating, as well as the green flags and signs that indicate a healthy partnership. This is not a dating book that promises to find you a person to love; instead, it will help you spot the troublesome ones before it is too late. It will help you to recognise that you possess spectacular buff ting energy and that it's perfectly possible to be contentedly single. Most importantly, this book will give you the power to BLOCK, DELETE and MOVE ON with

living your best life.

The High 5 Habit - Mel Robbins
2023-01-03

The New York Times bestseller now in paperback! In her global phenomenon *The 5 Second Rule*, Mel Robbins taught millions of people around the world the five second secret to motivation. And in her latest bestseller, she shares another simple, proven tool you can use to take control of your life: *The High 5 Habit*. This isn't a book about high fiving everyone else in your life. You're already doing that. Cheering for your favorite teams. Celebrating your friends. Supporting the people you love as they go after what they want. But imagine giving that same love and encouragement to yourself. Or even better, making it a daily habit. In this book, you will learn more than a dozen powerful ways to high five the most important person in your life, the one who is staring back at you in the mirror: YOURSELF. Using her signature science-backed wisdom, deeply personal

stories, and the real-life results that the High 5 Habit continues to create in people's lives around the world, Mel teaches you how to make believing in yourself a habit you practice every day. The High 5 Habit is a holistic approach to life that changes your attitude, your mindset, and your behavior. So be prepared to laugh, learn, and launch yourself into a more confident, happy, and fulfilling life.

Environmentalism - Leah

Thomas 2022-04-07

'Essential brain food' *Condé Nast Traveler* 'As much a manifesto as a guide' *Los Angeles Times* 'Read this book and save the planet' *Soho House Notes One of Business Insider's Most Anticipated Non-fiction Books of 2022* We cannot save the planet without uplifting the voices of its people - especially those most often unheard. Leah Thomas coined the term 'intersectional environmentalism' to describe the inextricable link between climate change, activism, racism and privilege. The fight

How To Start Chatting With A New Girl On Instagram

for the planet should go hand in hand with the fight for civil rights. In fact, one cannot exist without the other. This book is a call to action, a guide to instigating change for all and a pledge to work toward the empowerment of all people and the betterment of the planet - an indispensable primer for activists looking to create meaningful, inclusive and sustainable change. Driven by Leah's expert voice and complemented by the words of young activists from around the globe, it is essential reading on the issue - and the movement - that will define a generation.

[Online Dating Sucks, But You Should Do It Anyway](#) - Ryan Lotsberg
2022-08-03

There's a reason that "date" is a four letter word. Online dating sucks! Ryan Lotsberg knows just how much online dating can suck. He did it for a

decade before he found a girlfriend! The frustration among dating app users is palpable because everyone's learning about how technology fits into the dating world and how to use it to their advantage. People learn from their failures. Ten years of failure taught Lotsberg a lot about it! Readers will learn from Lotsberg's failures in *Online Dating Sucks, But You Should Do It Anyway*. This book contains the story of how he met his girlfriend and of their process of getting to know each other before entering their relationship. It also contains many of Lotsberg's awkward, embarrassing, and frustrating online dating stories. Lotsberg uses his experiences to share the challenges that people trying to find relationships using dating apps face. The book is about what it takes to find a partner online, and it's about how to not f*ck things up like Lotsberg did on many occasions. It's part comedy, part tragedy, and part self-help. This book was written

How To Start Chatting With A New Girl On Instagram

from the perspective of a man that struggled to find a relationship for over a decade. It's a raw and deeply personal description of the self-doubt that can become instilled in someone due to online dating culture, and it contains insights on how to deal with the constant rejection and frustration. Lotsberg wrote about the impact that this can have on self-confidence. Despite his struggles, Lotsberg was eventually able to find a relationship. He shares how he was able to withstand all the challenges and maintain hope that he would eventually find a girlfriend in this book. It's a must read for dating app users!

Black Girls Must Die Exhausted
- Jayne Allen 2021-09-28

"It's a good thing that this is only the first book of a trilogy, because after getting to know Tabitha, you won't want to leave her at the end. . . .

Written intimately as if you're peering into the mind of a close friend, this book is a true

How To Start Chatting With A New Girl On Instagram

testament to the stresses on women today and how great girlfriends (and grandmothers) are often the key to our sanity.” — Good Morning America

The first novel in a captivating three-book series about modern womanhood, in which a young Black woman must rely on courage, laughter, and love—and the support of her two longtime friends—to overcome an unexpected setback that threatens the most precious thing she’s ever wanted. Tabitha Walker is a black woman with a plan to “have it all.” At 33 years old, the checklist for the life of her dreams is well underway. Education? Check. Good job? Check. Down payment for a nice house? Check. Dating marriage material? Check, check, and check. With a coveted position as a local news reporter, a “paper-perfect” boyfriend, and even a standing Saturday morning appointment with a reliable hairstylist, everything seems to be falling into place. Then Tabby receives an unexpected diagnosis that brings her

picture-perfect life crashing down, jeopardizing the keystone she took for granted: having children. With her dreams at risk of falling through the cracks of her checklist, suddenly she is faced with an impossible choice between her career, her dream home, and a family of her own. With the help of her best friends, the irreverent and headstrong Laila and Alexis, the mom jeans-wearing former “Sexy Lexi,” and the generational wisdom of her grandmother and the nonagenarian firebrand Ms. Gretchen, Tabby explores the reaches of modern medicine and tests the limits of her relationships, hoping to salvage the future she always dreamed of. But the fight is all consuming, demanding a steep price that forces an honest reckoning for nearly everyone in her life. As Tabby soon learns, her grandmother’s age-old adage just might still be true: Black girls must die exhausted.

How Stella Learned to Talk -

Christina Hunger 2021-06-24

'A wonderful book.' - Temple Grandin, author of *Animals in Translation* Understand what your canine best friend is thinking with this New York Times bestselling handbook. An incredible, revolutionary true story and surprisingly simple guide to teaching your dog to 'talk' from speech-language pathologist Christina Hunger,

who has taught her dog, Stella, to communicate using simple paw-sized buttons associated with different words. *How Stella Learned to Talk* is part memoir and part how-to guide. It chronicles the journey Christina and Stella have taken together, from the day they met, to the day Stella 'spoke' her first word, and the other breakthroughs they've had since. It also reveals the techniques Christina used to teach Stella, broken down into simple stages and actionable steps any dog owner can use to start communicating with their best four-legged friend. Filled with conversations that Stella and Christina have had, as well as the attention to developmental detail that only a speech-language pathologist could know, *How Stella Learned to Talk* is the indispensable dog book for you and your puppy pal. What does it mean to be 'bad' at money? Money is not a maths problem. Spending, saving, splitting the bill or asking for a pay rise - these are moments dominated by our own hang-ups, habits, anxiety and ambitions. Money features in our friendships, family life, our choice of late-night treat and who we date. And yet it's so often hidden behind shame and silence. We need to start talking about it. Funny, frank, and filled with insights, practical advice and conversations with everyone from company CEOs to debt advisors to housemates, Open Up is the book that will transform your relationship to money. It shows how talking can change your life, relationships and bank balance, and influence bigger issues like pay gaps or the living wage. This book strips away the awkwardness to help you gain

The Charisma Myth - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a

How To Start Chatting With A New Girl On Instagram

fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma

down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.
