12 Rules for Life - Jordan B. Peterson 2018-01-16

The #1 Sunday Times and International Bestseller from 'the most influential public intellectual in the Western world right now' (New York Times) What are the most valuable things that everyone should know? Acclaimed clinical psychologist Jordan Peterson has influenced the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of individual responsibility and ancient wisdom has resonated around the world. In this book, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Happiness is a pointless goal, he shows us. Instead we must search for meaning, not for its own sake, but as a defence against the suffering that is intrinsic to our existence. Drawing on vivid examples from the author's clinical practice and personal life, cutting edge psychology and philosophy, and lessons from humanity's oldest myths and stories, 12 Rules for Life offers a deeply rewarding antidote to the chaos in our lives: eternal truths applied to our modern problems.

India, that is Bharat - J Sai Deepak 2021-08-15

India, That Is Bharat, the first book of a comprehensive trilogy, explores the influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the

reshaping of Bharat through a British-made constitution-the Government of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

Mattress Actress - Annika Cleeve 2012-09-15

Mattress Actress is the story of Annika Cleeve's eighteen years as a sex worker. Her troubled childhood in Queensland led to working in a brothel on the Sunshine Coast at the age of fifteen, and from there Annika worked her way up to the high-end parlours, agencies and private work in various parts of Australia and internationally. In this book Annika reveals the truth of a sex worker's life; the clients, the girls, the parlour bosses, the rip-off merchants, the drug deaths, the white slavery, the discrimination, the corrupt police and politicians, the exotic travel and the money. Mattress Actress is a revealing and gutsy look at someone practising the world's oldest profession in the late twentieth century. From wide-eyed innocent to experienced and successful professional, Annika's story is both shocking and highly entertaining. "Annika Cleeve

is not her real name but this is her real story: a raw and honest account of life in the raw as a new recruit to the oldest profession." - Andrew Rule Also published as *Eve: Confessions of an International Call Girl* by Monsoon Books

The Trial of Henry Kissinger - Christopher Hitchens 2012-04-01

'A good liar must have a good memory: Kissinger is a stupendous liar with a remarkable memory.' Christopher Hitchens Christopher Hitchens goes straight for the jugular in *The Trial of Henry Kissinger*. Under his fearsome gaze, the former Secretary of State and National Security Advisor is accused of being a war criminal whose reckless actions and heinous disregard for international law have led to torture, kidnapping, and murder. This book is a polemical masterpiece by a man who, for forty years, was the Anglosphere's preeminent man of letters. In *The Trial of Henry Kissinger*, Hitchens' verve, style and firebrand wit are on show at the height of their potency. 'This is a disturbing glimpse into the dark side of American power, whose consequences in remote corners of the globe are all too often ignored. Its countless victims have found an impassioned and skilful advocate in Christopher Hitchens.' - Sunday Times

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to

stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Pimp - Iceberg Slim 2011-05-10

"[In *Pimp*], Iceberg Slim breaks down some of the coldest, capitalist concepts I've ever heard in my life." —Dave Chappelle, from his Netflix special *The Bird Revelation* *Pimp* sent shockwaves throughout the literary world when it published in 1969. Iceberg Slim's autobiographical novel offered readers a never-before-seen account of the sex trade, and an unforgettable look at the mores of Chicago's street life during the 1940s, 50s, and 60s. In the preface, Slim says it best, "In this book, I will take you, the reader, with me into the secret inner world of the pimp." An immersive experience unlike anything before it, *Pimp* would go on to sell millions of copies, with translations throughout the world. And it would have a profound impact upon generations of writers, entertainers, and filmmakers, making it the classic hustler's tale that never seems to go out of style.

From Sex To Superconsciousness - Osho 2004-07

Hitler in Hell - Martin Van Creveld 2018-04-16

After his death in the Berlin bunker, Adolf Hitler finds himself in Hell. With nothing better to do than to pass the time, Hitler reflects upon his life in light of the post-World War II world. In Hell, Adolf Hitler is finally

free to tell the true story of the Nazi Party, World War II, and the Final Solution.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's

wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Fracking 101](#) - Eric George 2016-04-24

Fracking, or hydraulic fracturing to give its proper name, has become part of our lives recently, due to the massive exploitation of America's shale oil and gas fields. Along the way it has stirred up controversy, with passionate opponents fighting against the oil companies. The fight has generated a lot of heat, but not much understanding. This guide, written by some-one who knows what he is talking about takes a detached, neutral view of the subject. Without pushing a view for or against, it provides the factual background you need to form an opinion of your own. An Informed and Neutral Introduction Like most people I have heard of fracking, but did I really understand what it was? To answer honestly, no. I knew it had something to do with mining and was perhaps destructive to the land. To me, it was just one of those words of the moment. This guide has given me a real sense and understanding of what fracking is. It allowed me, someone who has no experience in this field, to learn about the pros and cons of fracking, without having the good and bad of it forced down my throat. If you want an informed and neutral introduction into fracking, then this is the guide for you. ~ Debbie Prewer

Mother Hunger - Kelly McDaniel 2021-07-20

An insatiable need for sex and love. Periods of overeating or starving. A pattern of unstable and painful relationships. Does this sound painfully familiar? Trauma counselor Kelly McDaniel has seen these traits over and over in clients who feel trapped in cycles of harmful behaviors-and are unable to stop. Many of us find ourselves stuck in unhealthy habits simply because we don't see a better way. With *Mother Hunger*, McDaniel helps women break the cycle of destructive behavior by taking

a fresh look at childhood trauma and its lasting impact. In doing so, she destigmatizes the shame that comes with being under-mothered and misdiagnosed. McDaniel offers a healing path with powerful tools that include therapeutic interventions and lifestyle changes in service to healthy relationships. The constant search for mother love can be a lifelong emotional burden, but healing begins with knowing and naming what we are missing. McDaniel is the first clinician to identify Mother Hunger, which demystifies the search for love and provides the compass that each woman needs to end the struggle with achy, lonely emptiness, and come home to herself.

Seven Husbands of Evelyn Hugo - Taylor Jenkins Reid 2021-10-14

THE SUNDAY TIMES BESTSELLER AND TIKTOK SENSATION SOON TO BE A NETFLIX FILM 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of *Daisy Jones & The Six* in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with

Monique's own in tragic and irreversible ways. *The Seven Husbands of Evelyn Hugo* is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

Shatter Me - Tahereh Mafi 2013-10-23

Juliette must make a choice. Be a weapon. Or a warrior. Combining a crumbling dystopian world with a compelling heroine who has inexplicable powers, *Shatter Me* is a mesmerising thriller. 'Addictive, intense, and oozing with romance.' - Lauren Kate, author of *Fallen*.

The Gaslight Effect - Dr. Robin Stern 2007-05-01

In this groundbreaking guide, the prominent therapist Dr. Robin Stern shows how the Gaslight Effect works, how you can decide which relationships can be saved and which you have to walk away from—and how to gasproof your life so you'll avoid gaslighting relationship. Your husband crosses the line in his flirtations with another woman at a dinner party. When you confront him, he asks you to stop being insecure and controlling. After a long argument, you apologize for giving him a hard time. Your mother belittles your clothes, your job, and your boyfriend. But instead of fighting back, you wonder if your mother is right and figure that a mature person should be able to take a little criticism. If you think things like this can't happen to you, think again. Gaslighting is an insidious form of emotional abuse and manipulation that is difficult to recognize and even harder to break free from. Are you being gaslighted? Check for these telltale signs: 1) Does your opinion of yourself change according to approval or disapproval from your spouse? 2) When your boss praises you, do you feel as if you could conquer the world? 3) Do you dread having small things go wrong at home—buying the wrong brand of toothpaste, not having dinner ready on time, a mistaken appointment written on the calendar? 4) Do you have trouble making simple decisions and constantly second guess yourself? 5) Do you frequently make excuses for your partner's behavior to your family and friends? 6) Do you feel hopeless and joyless?

How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

Thriving in Sex Work - Lola Davina 2017-07-13

A self-help book for sex workers. Sex work is easy money? Hardly. The adult industry is riddled with pitfalls and dangers. Erotic labor is often emotionally demanding, draining, and complex. More Than Two - Franklin Veaux 2014-09-02

Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book More Than Two: A practical guide to ethical polyamory to help you find your own way.

This is How You Vagina - Nicole E. Williams, MD 2021-09-21

The history, mystery, and majesty of the most fascinating organ In *This is How You Vagina*, Dr. Nicole Williams presents readers with a much-needed education on the history, science, and attitudes of the most fascinating and misunderstood part of the female anatomy: the vagina. She covers valuable information about sexual function, childbirth, and physiology and provides answers to her patients' (and probably your) most asked questions. She matter-of-factly dispels the most common myths and misinformation concerning female genitalia, including—

- No, your vagina doesn't need steaming
- Those panty liners are unnecessary—your vagina needs to breathe
- It's actually perfectly normal for your vagina to have an odor—consider it your personal brand

This book is an easy-to-understand guide, complete with illustrations, for women to explore and understand their vaginas in a way they never have before. You will learn what's normal and what's not, including that, yes, yours is most certainly normal too. *This is How You Vagina* is essential reading for anyone who is looking to better understand the form and function of this most majestic and fascinating organ.

The Game Changer - Franklin Veaux 2015-09

To make an open marriage work, Franklin and Celeste knew they needed to make sure no one ever came between them. That meant no overnights, no falling in love, and either one of them could ask the other to end an outside relationship if it became too much to deal with. It worked for nearly two decades--and their relentless focus on their own relationship let them turn a blind eye to the emotional wreckage they were leaving behind.
