Discover the art of instant attraction and become the type of man girls beg for! One rejection after another...Trust me, I know the feeling. Most of my teenage years I've been the weird guy who always chocked and felt anxious when he tried to approach a girl. Even worse, most of the advice I got was from some jocks who told me to basically treat women like dirt. This only led to the girl feeling grossed out by me and well... me feeling grossed out by myself.... Luckily, I'm not the type who admits defeat. So, I started doing some proper research and took advice form men who oozed charisma and attracted women instantly and ethically wherever they went. I'll admit...it took a couple of years for me to master everything. But that's because I had to go through trial and error and trim out all the nonsense. Luckily for you, this book allows you to skip that. No BS, just the essentials without overcomplicating anything. If you join me on this journey you will discover:

- How to pick up women in an ethical way which leaves you BOTH happy and satisfied.
- The things you NEED to improve about yourself in order to attract women instantly for the rest of your life.
- A specially designed book structure containing clear lists, step by step guidelines and scenarios which you can easily remember and apply in your own life.
- The biggest barriers you need to overcome in order to stop feeling anxious when approaching any woman.
- How to make killer first impressions that will make women obsessed with you.
- How to master the art of texting and never feel nervous or embarrassed after sending her a text.
- How to keep a conversation going in a natural and enjoyable way.
- How to create a flirty vibe and sexual tension which will lead to some real action.
- How to have a proper one-night stand which will make you stand out and make her come back for more.

I'm going to warn you from the beginning. It's not going to be easy and the magic won't happen overnight. It'll require you to step outside your comfort zone...a lot.
