Why Men Don't Marry - Bianca Gold

In this modern world, women are finding to be more difficult to get a good husband, much less a good boyfriend. Good men seem to be scarce and hard to find. But what could we say about good women? And is it true that men don't want to get married because they are afraid of commitment, or simply because they don't like any of the choices presented to them? Do men really prefer bitches? And how far can feminism go, if men simply do not accept the new trends into which feminism has led women? This book intends to answer all these questions and much more. Finally, you will understand the truth of why men don't want to get married anymore, and what you can do about it, what kind of transformations and actions you can follow in order to make a man marry you. This book was written for modern women, women who know what they want, and are ready to fight for it. This book is surely for you, because it is based on true stories, and will show you exactly what you need to do in order get married with the man of your dreams.

The Construction of Muslim Identities in Contemporary Brazil - Cristina Maria de Castro 2013-04-25

This book represents a contribution to the studies of Muslim minorities, and can be compared and contrasted to the analysis of Islam in Europe and in the USA. Besides presenting data about the largest Muslim community in Latin America, an area of the globe that is still ignored by those who study the "Muslim diaspora", this book contributes to the understanding of religious dynamics in minority contexts, as well as issues involving integration of immigrants.

The Alpha Of My Eye - Blessilda Cheong 2013-11-26

Have you ever wished? That you had the last laugh? Because that was what Katherine Rose Claw wanted. She wanted the last laugh between her battles with fate, but the thing is. You do not win against fate, nobody does. Katherine Claw has been torn between love and fate, between two brothers, only because fate does not want to be crossed. But what happens when you choose love and not fate and ended up with fate having power over love as well, what happens when you are supposed to choose? Even when you do not want to? Katherine has everything, a first love, a destined mate and a charming warrior but only one heart to give. What would you have done? Who would you have chosen? If fate has not screwed you over, four times. It is all a matter of fight or fall.

Race and Democracy in the Americas - Georgia Anne Persons Race and Democracy in the Americas examines dimensions of the comparative dynamics of race and ethnicity, with a directed focus on the Americas, most particularly Brazil and the United States. Brazil and the United States are two countries in the Americas that have been major hosts for the African diaspora. Both countries experienced prolonged enslavement of Africans and both now claim to be beacons of democracy for much of the developing world. Both Afro-Brazilians and African Americans have fielded major liberation movements against racism and

oppression yet both groups continue to experience considerable residual racial discrimination and displacement. Brazil and the U.S. remain racialized societies though both officially purport to be otherwise. The chapters of this volume illuminate a common search for understanding how race operates in societies generally, and how shapes life opportunities for African Americans and Afro-Brazilians, both oppressed by this most detrimental social construction. The project that fueled this volume represented a rare opportunity for collaboration between Afro-Brazilian scholars and their African American counterparts. This volume offers a passionate conversation between colleagues who have endured common sociopolitical and cultural struggles, but who have only belatedly been able to meet and connect as individuals. Both groups share identities as scholars and activists, for neither identity alone is sufficient to nourish the longings of their hearts nor of their consciences. This volume also represents an all too rare opportunity to give voice and expression to the work of Afro-Brazilian scholars. Volume 9 of the National Political Science Review also carries a special tribute to Mack Henry Jones, a senior black political scientist retiring from Atlanta University and honors Jones's legacy and continues his quest for understanding the nature and intricacies of oppression and possible paths to liberation. This essential work will be of particular interest to ethnic studies specialists, African American studies scholars, political scientists, historians, and sociologists. Georgia A. Persons is professor of political science in the School of Public Policy at Georgia Institute of Technology where she also directs the Center for the Study of Social Change.

Brazilian Women Speak - Daphne Patai 1988

Twenty Brazilian women, including domestic servants, secretaries, nuns, hairdressers, prostitutes, schoolgirls, and entrepreneurs, discuss their lives.

Benedita Da Silva - Benedita da Silva 1997

A champion of the poor and advocate for women, Afro-Brazilian Senator Benedita de Silva shares the sometimes heart wrenching, always inspiring story of her life. Illustrations & photos.

The Palgrave Handbook of Critical Menstruation Studies - Chris Bobel 2020-07-24

This open access handbook, the first of its kind, provides a comprehensive and carefully curated multidisciplinary and genre-spanning view of the state of the field of Critical Menstruation Studies, opening up new directions in research and advocacy. It is animated by the central question: "what new lines of inquiry are possible when we center our attention on menstrual health and politics across the life course?" The chapters—diverse in content, form and perspective—establish Critical Menstruation Studies as a potent lens that reveals, complicates and unpacks inequalities across biological, social, cultural and historical dimensions. This handbook is an unmatched resource for researchers, policy makers, practitioners, and activists new to and already familiar with the field as it rapidly develops and expands.

Double pleasure - Mat Marlin

Constance's match: My wife is twenty-three, I'm fifty, our union grows stronger every time something new and exciting happens. Experiences of a young woman who is not afraid to gamble even when the risk is significantly high and she knows that paying is a source of pleasure. Constance has become my wife and she is unleashed, love is always hot but she seeks something more every time and her desire always leads her to reach immense and intense pleasures without looking anyone in the face. Porn gifts: A girl discovers what pleasure means by trying many different experiences of sex until she reaches unimaginable levels of excitement. Alba is a young woman but she immediately understood that her desires and her wonderful body can give her infinite surprises and she doesn't hold back finding adventures and trying sex experiences where emotions go beyond the limits of reason and if during an embrace or after a relationship also receives a gift accepts it wholeheartedly. Love, sex, gifts is the winning way to feel good and smile at life. NO READING FOR MINORS.

Kidnapping the Brazilian Tycoon - Carmen Falcone 2014-08-18

Passion was never in the bargain Addison Reed lost her fiancé, but she'll do whatever it takes to protect his legacy. When the gorgeous and arrogant landowner, Brazilian billionaire Bruno Duarte, who is thwarting her at every turn, refuses to meet with her, she puts her plan into action. He will listen to her. Bruno's plan was simple: return to Brazil and marry to fulfill his father's dying wish. But when his engagement crumbles, and he's then stranded with an idealistic woman hell-bent on saving a tribe of people on his land, he sees the perfect solution. If his feisty and passionate abductor agrees to a bogus marriage, he'll relocate the tribe.

With the Brazilian heat rivaling the growing heat of their desire, will Bruno and Addison abandon their respective plans and give in to each other, or will their differences tear them apart?

Mysteries of the Pythagorean Brotherhood - Robin Sacredfire 2016-03-11

There is no wisdom where there is no love, and there is no love without light. This light, so magical and mysterious to many, touches us only when we show ourselves naked of preconceptions, fears and delusional desires. The fool will always seek for the truth outside of himself and will never find it. He will join the best groups, obtain the best books, talk and live with the wisest humans on planet Earth, and always remain blind. God truly chooses the enlightened ones, and makes them enlighten by nobility of heart. One must work towards his own salvation, by promoting the best values, in order to reach the light and for the light to touch him. Love cannot be found without altruism, truth cannot be found without the acceptance of ignorance, and God cannot be found with a selfish and tyrannic ego. Those that reject these laws, reject themselves, because, in their ignorance, persist in a path that brings them more delusions and more pain. Like a wild monkey, they go from tree to tree, without ever realizing their nature, without accepting that conscience, like a princess, awaits to be rescued. Indeed, both the evil ones and the most dogmatic cry the most, because they do not know how much they are victims of their own deceptions, how much they reflect their own inner dragons. In its love for wisdom, the Pythagorean Brotherhood emerged in Europe as a light to the word, to bring freedom and a much deeper state of happiness. And few are those that truly understand its value. Hopefully, this work will show you how valuable it was for mankind. Within the following chapters, an opportunity is offered to understand the relation between beauty, art, logic, truth and soul.

Mosquito - Gayl Jones 2022-03-08

From the highly acclaimed author of *Corregidora* and *The Healing*—a rare and unforgettable journey set along the US–Mexico border about identity, immigration, and “the new underground railroad.” “Jones’s great achievement is to reckon with both history and interiority, and to collapse the boundary between them.”—Anna Wiener, *The New Yorker* First discovered and edited by Toni Morrison, Gayl Jones has been described as one of the great literary writers of the 20th century. In *Mosquito*, she examines the US–Mexico border crisis through the eyes of Sojourner Nadine Jane Johnson, an African American truck driver known as Mosquito. Her journey begins after discovering a stowaway who nearly gives birth in the back of her truck, sparking her accidental and yet growing involvement in “the new underground railroad,” a sanctuary movement for Mexican immigrants. As Mosquito’s understanding of the immigrants’s need to forge new lives and identities deepens, so too does Mosquito’s romance with Ray, a gentle revolutionary, philosopher, and, perhaps, a priest. Along the road, Mosquito introduces us to Delgadina, a Chicana bartender who fries cactus, writes haunting stories, and studies to become a detective; Monkey Bread, a childhood pal who is, improbably, assistant to a blonde star in Hollywood; Maria, the stowaway who names her baby Journal, a misspelled tribute to her unwitting benefactor Sojourner; and many more.

Cyberwar - Kathleen Hall Jamieson 2020

"Imagine a strategy memo forecasting cyberattacks by Russian hackers, trolls, and bots designed to roil social discontent and damage the electoral prospects of a major party US presidential nominee, or, if she winds up winning, to sabotage her ability to govern by seeding allegations of Democratic voter fraud. Guaranteed payoff. No fingerprints. No keystroke record. No contrails in the cloud. To ensure that Americans would believe that disparaging messages about her were made in the US, use bitcoin to buy space and set up virtual private networks (VPNs) on American servers. Distribute hacked content stolen from the accounts of her staff and associates through an intermediary, WikiLeaks. Use identity theft, stolen Social Security numbers, and appropriated IDs to circumvent Facebook and PayPal's demand for actual names, birth dates, and addresses. On platforms such as Instagram and Twitter, register under assumed names. Diffuse and amplify your attack and advocacy through posts on Facebook, tweets and retweets on Twitter, videos on YouTube, reporting and commentary on RT, blogging on Tumblr, news sharing on Reddit, and viral memes and jokes on 9GAG. Add to the mix a video game called Hilltendo in which a missile-straddling Clinton figure vaporizes classified emails sought by the FBI. Employ "online agitators" and bots to upvote posts from imposter websites such as BlackMattersUS.com to the top of such subreddits as r/The_Donald and r/HillaryForPrison. Drive content to trend. To maximize the impact of your handiwork, use data analytics and search-engine maximization tools built into the social media platforms. To test

and fuel doubts about the security of US voter information, hack the election systems of states. And, throughout the primary and general election season, insinuate the notion that if Hillary Clinton were to win, she would have done so by rigging the election, an outcome that would repay her assaults on the legitimacy of their leader's presidency with doubts about her own. Were she instead to lose, she would no longer be a thistle in the toned torso of the hackers and trolls' boss's likely boss. Every result but one produces desirable results for the Kremlin. Outcome one: Clinton is off the international stage. Outcome two: she wins but can't govern effectively. Outcome three: the former Secretary of State is elected and the country simply moves on, but the sabotage nonetheless has magnified cultural tensions and functioned as a pilot from which to birth later success - perhaps when she runs for a second term. The only eventuality that damages the Russian cybersoldiers and their commander-in-chief is the fourth in which, in real time, the cyberattackers are unmasked by a vigilant intelligence community, condemned by those in both major political parties and around the world, characterized by the media as spies and saboteurs, the Russian messaging is blocked or labeled as Russian propaganda, and, when included in media accounts, the stolen content is relentlessly tied to its Russian origins and sources. None of that happened. Instead, to the surprise of the Russian masterminds as well as both Hillary Clinton and Donald Trump, he won the Electoral College and with it a four-year claim on 1600 Pennsylvania Avenue. Although countrywide she bested him by almost 2.9 million votes, he unexpectedly captured an Electoral College majority by running the table. By the end of the evening of November 8, Florida as well as Wisconsin, Michigan, and Pennsylvania were in his column. The ways in which Russian hacking and social media messaging altered the content of the electoral dialogue and contributed to Donald Trump's victory are the subjects of this book. To begin my exploration, this overview chapter will highlight key findings of the US intelligence community; preview my focus on the hackers and trolls and the synergies between them; justify casting the Russian machinations as acts of cyberwar; outline ways in which susceptibilities in our system of government and media structures magnified their effects; and note five presuppositions that will shape my analysis of the Russian trolls' work and one that will guide my study of the effects of the hackers."--

Transnational Desires - Suzana Maia 2012

Life histories of women negotiating their identities between two worlds

Holy Harlots - Kelly E. Hayes 2011-05-11

Holy Harlots examines the intersections of social marginality, morality, and magic in contemporary Brazil by analyzing the beliefs and religious practices related to the Afro-Brazilian spirit entity Pomba Gira. Said to be the disembodied spirit of an unruly harlot, Pomba Gira is a controversial figure in Brazil. Devotees maintain that Pomba Gira possesses an intimate knowledge of human affairs and the mystical power to intervene in the human world. Others view this entity more ambivalently. Kelly E. Hayes provides an intimate and engaging account of the intricate relationship between Pomba Gira and one of her devotees, Nazaré da Silva. Combining Nazaré's spiritual biography with analysis of the gender politics and violence that shapes life on the periphery of Rio de Janeiro, Hayes highlights Pomba Gira's role in the rivalries, relationships, and struggles of everyday life in urban Brazil. The accompanying film *Slaves of the Saints* may be viewed online at ucpress.edu/go/holyharlots.
[How To Live in Denmark Updated Edition](#) - Kay Xander Mellish 2017-04-24

Bad Girl - Steve Maser 2021-01-01

Thirty year old businesswoman Gail Bard is determined to the cravings that have tormented her for years, namely to be spanked on her bare bottom by a dominant man. Through a kinky dating site she hooks up with experienced dominant Michael Roth. He has no interest in a relationship as he already has a vanilla girlfriend. Gail should regard him solely as her Disciplinarian, which is fine with Gail, whose deepest fantasies involve punishment. But after a series of intense encounters during which she is repeatedly spanked, strapped, caned and anally fucked she becomes increasingly attached to Michael, so when she's downsized out of her job, she accepts a position as a receptionist in his office. A blow to her pride, yes, but the price she must pay to continue her punishment sessions. Once Roth marries his girlfriend Valerie, he pressures Gail to accept a job as his wife's maid. It's one humiliation after another until she has become for all intents and purposes Roth's slave. But things come to a head when Roth offers her to his handsome house, guest for him to use as he pleases.

[Looking for God in Brazil](#) - John Burdick 1993-12-28

For a generation, the Catholic Church in Brazil has enjoyed international renown as one of the most progressive social forces in Latin America. The Church's creation of Christian Base Communities (CEBs), groups of Catholics who learn to read the Bible as a call for social justice, has been widely hailed. Still, in recent years it has become increasingly clear that the CEBs are lagging far behind the explosive growth of Brazil's two other major national religious movements—Pentecostalism and Afro-Brazilian Umbanda. On the basis of his extensive fieldwork in Rio de Janeiro, including detailed life histories of women, blacks, youths, and the marginal poor, John Burdick offers the first in-depth explanation of why the radical Catholic Church is losing, and Pentecostalism and

Umbanda winning, the battle for souls in urban Brazil.

New York Magazine - 1987-06-15

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
