**Hell Is Not the Issue** Andrew Caleb Doughty 2013-12-28 Have any of these questions bothered you? 1. How can a loving, merciful God send millions of people to Hell forever without hope? 2. How can God be good, when there is so much suffering and sorrow in this world? 3. Am I going to go to Hell when I die? If you have been looking for answers to these and other similar questions, then this book is for you. The premise of the book is that if God is God, then He must be good and He must be glorious. Can the One who created the universe really be defeated by the enemy He created? Or is all of this suffering and sorrow in this life meant to amplify the incredible plan that God has mysteriously woven throughout the world's most controversial and powerful book, the Bible? In *Hell Is Not the Issue*, you will see that it is God who has put limits on Himself to get us to believe that He is vulnerable to Satan and mankind's choices. But nothing could be further from the truth! God's amazing plan is designed to not only create a win for everyone—even Satan, but in doing so God is going to write the most incredible story of the ages. And you can discover this marvelous story about a Savior who allows people to go to Hell, not to be punished, but to be pardoned. Within these pages you will see that there are passages of Scripture that almost nobody talks about that give clues to this amazing redemption story. A story like you've never heard it told before, anywhere. God is good, and you will benefit from His goodness. See for yourself what the Bible actually says about Hell and the plan that God has for it. If you're like most people, you've never really studied this topic on your own before. Do you really want to leave the matter of Heaven and Hell unsettled in your mind until you're face-to-face with death? If you only ever read one book about Hell, *Hell Is Not the Issue* should be the book that you read.

*It's Tough To Be A Man In God's Economy* Dennis Wechter 2014-12-23 " I understand that it is indeed tough to be a man in God's economy, but we are called to be leaders and to walk in Christ's footprints. Our society has a difficult time placing man in a satisfactory role that would complement the Madison Avenue advertising group or the image-makers of Hollywood. They have decided the roles of leader, head of household, faithful husband and father, and moral compass don't seem to fit anymore. This thinking is totally unacceptable and should raise flags of discontent in every Christian household. As a group in today's world, men need to take back the responsibilities that they have either given away or have had stolen from them, and collectively become the men that Jesus spoke about in his word. There is no excuse for behavior that is not pleasing to God and therefore not profitable to any man. Do not let your earthly condition dictate your spiritual position. "

**It's A Mind Game Life** Deborah Brown 2023-02-09 Growing up, all we had to do was our chores and do good in school, and half of us couldn't do that. Our parents kept things from us because it wasn't for us. Later on in my life, as we became teens, our parents shared current events. One day, my dad said he was going to write a book; this book was called *It's a Mind Game: the Man within the Man* by Sampson Brown Jr. I connected and started reading it, and before I knew it, I was relating to some parts of the book that was inspired by the power of positive thinking and the million-dollar secret hiding in your mind books. My book will teach you how to recognize and live the mind game if you want to see goodness. They need to make the change from negative to positive, and you don't have to change the government, just yourself. I dedicate this book to my children, grands, family, and friends.

*By the Grace of God All Things Become New* Deborah O'Brien 2022-04-19 By the Grace of God will help you to comprehend how your choices have gotten you to where you are today. Life is full of never-ending choices; some big and some small. This book will help you see the error of your way thus far. The good news is it's NOT too late. You can begin to make right choices so you can turn things around little by little. One small step at a time. There are two kinds of lives we can live in the here and now. It is up to each person to choose for themselves how they will live. As you read this book, I will explain the difference between the two kingdoms we must live in (there are only two choices) God or Satan. We must choose who we will serve, for our Creator has given mankind free will. At one point, I had enough and didn't care to go on. In that darkness, I knew there had to be more, and I began seeking and I found a better way, and one worth living. By the Lord's grace and mercy, I can help you take back what the devil has stolen from you, for God is no respecter of a person, what He has done for me, He will do for you, are you ready? By God's amazing grace you can find out for yourself how to come out of that sin, death, and diseased world you have been placed in. For God has made an escape for each person if they will make the right choice. God will adopt you as His child and transfer you out of the kingdom of darkness and into His kingdom of light, where He sits on the throne, and Jesus reigns as King. Out of God's fine design, He has made the way of escape, and come back into His loving arms of blessing and wholeness, this was made possible by his Only Begotten Son Jesus Christ. In case you are unaware as I was: Jesus willingly laid down His life to save everyone else, so we would be reconciled back to the Father for eternity and escape an eternity of being separated from our Creator forever. Again, it is a choice. But this is by far the most important decision you will ever make. Choose to drink from the cup of the Lord, for that is the correct path. I can testify that God is faithful and a good, good Father.

Together Is a Beautiful Place Bailey T. Hurley 2022-05-17 Are you lonely? Do you struggle to find the real friends you long for? Here is your invitation to build lasting friendship through meaningful and intentional practices that anyone can do. The older we get, the less we find ourselves spending time in the company of good friends. Organic friendship becomes nearly impossible—after all, there are all sorts of obligations tugging at our attention. Or we find ourselves getting frustrated with shallow, draining conversations. Or, most painful of all, we feel like no one wants us—and who wants to be rejected? If you have found yourself desperately wanting connection but confused about why you are not experiencing it, you are not alone. And you don't have to stay there. As Christian women, our faith calls us to support one another on the path of growing as a follower of Jesus—a call that will connect us, create a solid foundation for trust, and bind us together in Jesus' love, no matter what struggles we face on the road of friendship. Together Is a Beautiful Place offers practical habits that are sustainable, deep, and valuable. You will identify what makes a godly, lasting friendship; tackle lies and false expectations about what it takes to build lasting friendship; and learn to tackle the barriers to friendship and invite healthy friendship rhythms. You will find that it is possible to grow healthy friendships, starting now.

Now we are finding that adult children of divorce were not so resilient after all. Many struggle with heavy issues that have been carried over into their adult lives. From exploring the chain of grief that has held adult children of divorce bound to their childhoods to healing through Jesus Christ, Robyn has done a phenomenal job of helping adult children of divorce release the links in their chain that have held them captive for years." - Linda Ranson Jacobs, Creator and Developer of DivorceCare for Kids "Chained No More will help you break free and find healing for the hurt you've experienced. If you are the adult child of divorced parents, dive into this material, and with God's help, find hope for the future while building a foundation for successful relationships in your life." - Steve Grissom, Founder of DivorceCare/Church Initiative

*The Unshakeable Truth* Dr. Steven Catalano 2019-10-28 The Unshakeable Truth is a nondenominational Christian guide to inner peace, based on true biblical facts. A system of cross-referencing is used to quote multiple scriptures to provide the believer with the truth in God's instruction from His written Word. With divine inspiration, I clarify all the confusion to the questions asked: Was Jesus Christ the Son of God? Is there really the Trinity? Is there only one God? As Christians today, are we expected to live under the Ten Commandments or abide in the blood covenant of Jesus Christ crucified? Do Christians of today live by sight or faith? What does it mean to live in faith, love, and blood and fear? Is there really a history and message of the cross, or is it just a shocking holy thing? I have answered these questions and more, through biblical facts and revelation from God. I can tell you that God does have a prescribed order for Christian living today and that God spoke to Jesus and that there is only one God and none like God.

**Win Your War** Mark Driscoll 2019 You're already in a war. It's time to fight. This book will equip you with tools to protect the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world. Win Your War is a practical marriage, parenting, and relationship book that is grounded in the Word of God and focused on recognizing Satan's role in your life. Mark and Grace Driscoll help you understand the power Jesus gives you to overcome the enemy's attacks. Mark and Grace Driscoll look at the nature of spiritual warfare in response to Adam and Eve. God has a kingdom where His people are governed by the Spirit. Satan has the world, where his people are governed by the flesh. Spiritual warfare is the battle between these two realities in everything, including our identity, temptation, gender, marriage, and emotional well-being. Some years ago Mark Driscoll preached on the Book of Genesis and discovered an unexpected theme about spiritual warfare that works itself out in all of human history: the storyline of the Bible is that there is first a wedding and then a war. Satan did not show up until a man and woman were married and had a ministry call on their lives. The first thing he did was attack marriage and separate men and women. After reading this book, you will uncover the five fronts of spiritual battle: your relationship with God, your identity, your family and friends, your church, and the world. *A Daily Walk with God* Richard Holland 2020-12-17 During my career as a school principal, I had a wonderful epiphany: every student, wherever they attended school, belonged to me! I may not have been their school principal, but they were my students. I had a duty to care, not only for the students in my school, but for students who attended schools everywhere. Though I am retired now, I still feel that sense of duty to care for all students, wherever they attend school, and that is why I wrote *A Daily Walk with God*. It is my hope that you will walk with God daily as you go to school. It is my hope that you will be mindful of his presence in your life every day. It is my hope that you will be mindful of his encouragement every day. It is my hope that you will be mindful of his love every day. Every day of the week, every hour of the day, every moment of every hour. You are that important to him. It is my hope that *A Daily Walk with God* reminds you of that!

*Encourage Yourself, It's Time* Deatrice F. Bell 2021-03-11 When it looks like all the strength that you had has been diminished and no one thinks of you and your needs, God does. This devotion is to remind you that you are "more than a conqueror" because you are the winner of your struggles. You are the "apple of God's eye," and He sees the loneliness and pain you feel. Only God can turn over what the enemy thought he took from you. You are strong and full of life and life more abundantly. You are beginning to live your life to the point of joy divine, and nothing can change it. As mothers, we put ourselves last in everything we do, but in this devotion "you can encourage yourself, it's your time." Your time to smile again, to laugh until it hurts again, to float freely again. Life will not be heavy now that you can spend time in His word and read what God says about the vessel He made you to become. You can now lift your head up with no pressures because you are the daughter of a King.

**GET YOUR FIGHT BACK YOU CHAMPION** Dr. Sylvia Black, PhD 2020-11-30 Fighting is the key to winning any battle or war against giants. If you don't fight you have no chance of defeating your giant. If you do fight you have a chance at defeating your giants. This world is a warzone. Your neighbors are not really your neighbors. It's the devil disguised as your neighbor. Or the devil may disguise himself as a city official, or a relative or even a pastor. You've got to fight. And as you fight you have to keep on fighting. No matter how bad it looks. You can't stop fighting. No matter what kind of report you received from the doctor, you can't stop fighting. If you stop fighting then your physical and your spiritual self will rot away as nothing and leave this world in the same sinful state they entered into this world with. The same way you used to beat your colleagues down back in the day in the street is the same way you must beat your giants down today. With the same determination that you are going to beat them down and defeat them. Your goal was to be powerful and victorious. Be victorious today. Dare to take that first step into the ring and start fighting again.

The Corruption of Interest Ron Gallo 2023-10-10 This book I consider one of my best and most intense. The false truth about what's going on in our society, and the world, has gotten so ridiculous, that I felt I had to write this to advise believers and non-believers the truth as Jesus states in the word, in John 14:6 & 8:32. It was upsetting me that the truth was not coming from the politicians and from the pulpit. It took President Trump (thank God for sending him), to expose the corrupt state wide media, and the corruption in Washington D.C. I give the plain truth, from the word not only about the evil Democrats, but I also talk about subjects like religion, race, crime, etc. topics that most people will not talk about, because they are afraid there not "politically correct". I don't have to be politically correct; I have to be Biblically correct, this is Gods world, not Washingtons. I start off with Interest, which God meant for good, but man has corrupted it. Did you know that you can learn from a spider how to be closer to God and live a more fulfilled Christian life of discipleship? Did you know you can learn from the child and the dog about yourself? There are many other gems wisdom that you will love and learn from. In my other books you can find on Amazon you would get a great blessing as well. There are the three volumes on "Balance, The Spider and the Saint, When I look up, and the childrens book, "Charlie the Spider and friends. I wrote them differently then other books out there. There are jokes, stories, quotes, to keep you entertained. Be Blessed my find, enjoy my books, but your relationship with God is even greater, that's first Priority. Thank you for reading this text, and enjoy my friend. See you on the way up.

**The 48 Laws of Power** Robert Greene 2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Be Saved! Timothy Herring 2015-03-09 God is crying out loud for his people. Thousands upon thousands of his children are dying unsaved! Our gangsters, our wayward teens, our ex-prisoners, and our young adults belong to God. They belong to us also. All is ours! We must face the blame. We created them. We created conditions that produced them. We shut down the mandatory military draft, the one sure way of teaching self-discipline, self-restraint, obedience, and responsibility to young adults prior to adulthood. Our Industrial Revolution paled in the light of the Technological Revolution, where high-paying apprenticeships and other jobs were given to robotics; one robot replaced twenty hard-working men with large families. Most of the remaining manufacturing jobs were shipped abroad, and the Industrial Revolution mud-bottomed out. Fast-food jobs were unable to support their families. We took away the industrial schools for delinquents who had large families; we gave these schools to the robotically displaced. Delinquents were pushed into jobs that could not support families. We made shotgun weddings disappear, so did the fathers. Where did they all go? They didn't go. They were pushed into the streets to survive. Pimps, drug dealers, confidence scammers, strong-arm robbers, gangsters, and identity thieves became the order of the day. Time is running out! The same thousands upon thousands of our wayward teenagers, gangsters, ex-prisoners, and young adults are falling through the cracks. Baby-killing spirits, seducing spirits, spirits of witchcraft, and spirits of divination are operating without walls in the metropolitan areas of the United States. This is of great concern to all saved people. We all recognize it, speak of it, and desire to do something about it. The task to overcome is so great we don't know where to begin! Some has even given up, referring to it as the Signs of the Times. We continue to do our church thing. We continue to do our televangelist's thing. We continue to do our international thing. We continue to strive for bigness. All of these is vitally important and must continue. But more is needed that speaks directly to gangsters, wayward teens, ex-prisoners, and young adults. More effort is needed to get their souls saved. If they come during the street ministry's call, that's great. We say we love you. But we will not call you directly to be saved.

*Thoughts from a Random Mind* RL Keller 2013 Thoughts from a Random Mind is the latest effort by author RL Keller. It's a daily devotional that is designed not to simply bless and encourage readers but also challenge them to think about who God truly is and how they might improve their walk with Him. They are meant to be thought-provoking, encouraging, edifying, instructional, and hopefully also a blessing to the reader. The author considers himself no different than anyone else—just a believer wrestling each day with his beliefs. These devotions were born out of his own personal struggles with life and how his walk with Christ has grown and become more consistent. God is paramount in RL Keller's life, and he is attempting to share his struggles through his writings so that the reader can know that he is not alone in the battle.

*Love: the Most Precious Gift of Life:the* Pejman Aghasi 2007-08 Love is the only hope. It is only because of love that man finds it possible to reach god. If there were no love there would be no religion, no prayer. If there were no love there would be no creativity, no music, no dance, no art, no poetry. If there were no love there would be no beauty, no friendship, no happiness, no intimacy. All that is valuable in life comes through love. Love is the source of all that is nourishing and fulfilling. Love is the only heavenly phenomenon on this earth. Everything else is earthly; therefore it is only through love that one can reach to god and heavenly states of being. Without love, life becomes dull, repetitive and unfulfilling. Love: The Most Precious Gift of Life shows us that we must live with love, because that is the only way to really live. The deeper and realer your love is, the deeper and more meaningful your life is. We must think of love and life as being the same and synonymous. If love has so many blessings, why do many couples struggle and face so many difficulties in their relationships? In the second part of Love: The Most Precious Gift of Life, the root social and psychological causes of these conflicts are uncovered, and a solution for solving each problem is also presented. And in doing so it helps us to keep our relationships healthy and intimate, and enable us to embrace love, and through love, reach to our highest potential which is self-realization and enlightenment.

**Journey to an Expected End** Michelle Ziregbe 2015-05-11 Have you ever felt like you were on the wrong track? Do you worry things won't work out as God promised? Journey to an Expected End is a compilation of stories, poetry, practical tips, prayers, and revelations given by God in different seasons of my life across the globe. It addresses issues, such as, why am I attracting the same type of people? How can this ailment be a part of God's plan for my life? It's a reflection on vast experiences from relationships, careers, school, and love, and puts emotions into words that echo the divine orchestration of God's hand in every aspect of a person's life. The definition of perfection from human lenses is often viewed as a straight line, and walking in anything that appears less than can cause a series of doubts. In Journey to an Expected End, you will learn how curved roads don't mean misplaced purpose; they are often a sign of God's unending love that will preserve the heart of man until He returns.

**Start to Finish** Darren T. Carter 2012-09 The goal of this book is to lay biblical foundations concerning the discovery of your gifts, the development of them, and the practical implementation of those gifts. It is truth that is simple, attainable, and applicable. **I Love Jesus, But I Want to Die** Sarah J. Robinson 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression,

anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

*Dating in the Millennium* Alicia S. Walker 2013-07-12 What therefore God has joined together, let no man separate, Matthew 19:6 Good communication openly and honestly is ideal when it comes to dating and marriage. Many women aspire to share a covenant relationship with the opposite sex, and really don't bargain for being labeled as girlfriend #2, friend, baby momma, or any other label or title that is given to them other than wife or fianc . As young girls and young adults most aspire to be married, have a family, and be in a one-on-one committed relationship. A relationship is like any living plant that requires sunlight, nurturing, and water. If you don't water it and provide it with enough sunlight, water and care, it dries up and dies. This holds true for any relationship between a man and a woman. Love makes the world go round. When cultivating a healthy and fruitful relationship, the relationship should be a win-win for both parties involved. It is important to begin a relationship with honesty, integrity, respect and trust. Ask God daily to lead, guide, and advise you so that you can make sound decisions when it comes to dating and marriage. He always give us signs when things are not right so pay attention to the things that are going on around you and in your life. Take time to do some soul searching and get in tuned with yourself and start asking yourself some very important questions. What truly makes you happy? And what is the real definition of love and what does it mean to you? Remember, you cannot make someone else happy if you're not happy with yourself. Live for you and do what makes you feel the happiest whether your family and friends agree or disagree. At the end of the day whatever choice or decision you make, you are the one who have to live with it.
