Get Over Yourself! - Patti Novak 2008-12-30
True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page

questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula:

- **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back.
- **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way.
- **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

Get Inside Her: Dirty Dating Tips & Secrets from a Woman - Marni Kinrys 2013-02-15

Guys, Discover Insider Dating Tips From A Woman: One night, I sat up late reading email after email from attractive, witty guys who were

single and ready to date, and instead of being impressed and enraptured, I began to wonder what on earth was going wrong in the world. You see, these emails were not the typical online dating messages. They weren't asking me out on dates, or vying for desire or attention. They were sent from great guys, who no matter what they tried, always seemed to find that beautiful women ended up dating jerks and never calling them back. Now, you might be wondering what all these guys are doing emailing me their questions, but as a professional Wing Girl, it's my duty to be the girl who gives it to guys straight of the dating community. I'm always brutally honest and have been told I have a gift for seeing things from both sides of the dating lines, but it took me a few glasses of wine and some seriously deep thinking to try to piece the puzzle together. What was going on? I knew all my gorgeous girlfriends were looking for these types of men. Men who were exciting, fun, good, honest and who had their life together... So as they were they emailing me, detailing their failed attempts, I tried to find the one common factor that was holding these great guys back. I spoke with them at length about their dating history, trying to figure out if they were doing something wrong, and then it struck me. It wasn't them; it was "The Game" they had been told to play. They had the best intentions, but they were going about attracting and dating beautiful women in all the wrong ways. They were dating from the male perspective and in a way that seemed right to other guys; but this wasn't communicated clearly to women! As I started to reply to each email, instead of telling them what I thought they wanted to hear or what I thought male Pick Up Artists might tell them, I started to lay it all out on the line. Later on, when I asked my girlfriends for their opinion, they couldn't believe what I had written. I was revealing all secrets women would never tell men. I was putting it out there in a way that would give guys what my girlfriends called the upper hand, but I defended my actions. These were genuinely great guys! I was tired of hearing how women could never find what they were looking for. Now, when I gave the men a road map to go out and find them, they freaked out! That's when I knew I had something worth sharing. Something that would turn the dating

world on its head; finally, I thought, "It's time to shake things up!" If you have ever wondered why you aren't on the calendars of beautiful women, why they never seem to call back, or always end up with the jerks of the world, then you have to hear what I have to say. You need to accept that it's not your fault and face the facts. Men and women are different. We act, think, and date differently. If you want to find success, you have to see things from a different perspective. You have to gain the world's first (and best) awarded female Pick Up Artists perspective! Now when I go out, meet with clients, call, or email these great guys back, I get something in return. I get to see them finally date the women they have always wanted and deserved. They tell me how easy and simple it has become, and how they cannot believe they didn't think of it first. Of course, I always laugh and tell them, "How could you? We think differently!" They send me photographs, updates, and once in a while, I'll be invited to a wedding or two. Now, it's your turn. Come see where the controversy lays. Discover the secrets that will make women want you, chase you, and call you back every time. Become the man you have always wanted to be but didn't know how.

F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life - Brian Nox 2016-10

The MANipulator Manual: Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act. F*ck him in this case is not physical, it's mental. So many women get in trouble in their love lives, and 99.9 percent of that trouble could have been avoided if they'd said, "Well, f*ck him!" a bit more often. Too many women are way too nice and compliant to their men, especially when these men don't deserve that kind of treatment. And yet, every woman I've ever met tries to not be needy or wear her heart on her sleeve. She simply wants to protect her feelings. Nevertheless, most women I've coached have had men seem very interested only to disappear suddenly. These women are left standing in the dark. Once the guy vanishes, they often find out it's easier to get the President of the United States on the phone than the man who seemingly really liked them...just not enough to stick around. This should stop. I, as a dating coach and author of books for women who want to get men, cannot take it anymore. You deserve better. This is not your fault. It's his! He needs to learn to be much more transparent and upfront. That said, we both know most men won't change. We can lead a horse to water, but we can't make it drink. Or can we? What if there was a way to change a guy's behavior? What if you could get into his head and take over the driver's wheel? What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike? At first, this might seem impossible. Nevertheless, I'm sure you've already met women who are good at manipulating their men. Enter the high-

value woman. You know her. You've seen her. She's the woman who always has great men drooling over her. It's the woman you see getting all the attention. You often wonder, "How does she do it? What do they see in her? What does she know that I don't?" You might have even complained to your girlfriends that men just don't seem to notice what a catch you are. Your girlfriends may have even said, "He doesn't know what he's missing." What if you could make him see it? When you look at these high-value women who get their way with men, it might have surprised you that their looks don't seem to matter. The high-value woman can be great looking, average looking, or even bad looking. It doesn't matter. She knows her way around men. She knows how to mentally f*ck them. Are you ready to implement her strategies? You'll see behavior you've never seen from him. He'll start to put in an effort that makes you feel like you're a queen because to him, you are. At first, it will be strange. If you've never truly been in control of a man, it might feel like riding a horse for the first time. But soon, it will make you feel all tingly inside. I'm not kidding. There's nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea. (This is important, as you'll see. He needs to think he is the one in the driver's seat, even though you actually are.) This book is not about becoming someone you're not or turning your boyfriend into a spineless manslave. It's about your empowerment, about taking back what's yours. No man should ever be able to play games with you, to take you for granted, to treat you even a tiny bit less than you deserve. By the time you've finished this book, this will all be part of your past. Are you ready? Then hit the buy button at the top of this page and start your high value woman journey right away!

Tapping the Little Girl in Your Woman - Ryan Hale 2016-10-26

Something has do be done. Too many relationships are ending in divorce and heartache. I blame the men. I blame you. Don't get mad too at me just yet, let me explain my reasoning. Men have misplaced authority over their girl(s). They no longer dominate and take the reigns. They let the girl tell them what to do, feminizing them. Most people reading this know I'm 100% right, but people reading this will still get their feeling hurt and want to immediately criticize me for this argument. Many of you reading this book intro will be secretly condemning me to hell. Others will be upset with me for telling it like it is. Come up with whatever excuse you want, women are hardwired to submit and do as they're told. They are hardwired to be little girls. Here's my peace on this matter: The cause of a woman's unhappiness is the fact that they have been socially conditioned to believe that they have power, can manage independently, etc. etc. etc. A woman who knows her place, who obeys her man, who accepts him as her dominant - the girl is always happy and contented with being a submissive little girl. On the other hand - a woman who attacks men aggressively, spouts off all this equality crap, and who refuses to submit is ALWAYS unhappy, depressed, and miserable. If you happen to be a girl reading this, I hope this helps you better understand your problems. I am a man. I dominate. It's what I'm hardwired to do. I make no appologies for it. I am who God made me. I am a man. If you want to buy into the lie that men and women are equal, God forgive you. I am here to tell you that the solution or answer to most, probably all, of your relationship issues is your unwillingness to accept this truth. If you are ready to accept this truth, this book will help you with what to do next. You see, you must learn how to train your woman to be a little girl. This isn't hard, once you know what to do. This book will provide you sound practical advice and how-to so you can transform your relationship

(and/or future relationships) with girls in the future. It takes a while to regress a girl back to childhood. I tell you this so you do not give up on your quest to change her back to her normal state, the state God intended her to be. Mainly what you are doing is un-doing the harm that social conditioning has brought on her since her interactions with other feminists, educators, television, internet, etc. We call this process re-education. Your girl must be re-educated if she's to find her happy place once more. I wish you luck. You'll need it. It took me awhile, I won't lie. The journey may not seem rewarding now, but reflecting back I can tell you it was some of the happiest moments in my life - training her to obey and be a little girl. The men I have taught this knowledge to have seen the dawning of a new era in their relationships and lives. There have been incredible breakthroughs and transformation. Let me walk you down this path. Let me help you. Let's get started. The sooner we do, the sooner you'll fall in love with the little girl that is hidden in your woman. Let's free that little girl and let her know it's okay to emerge and be accepted. Your little girl will love you so much for taking the time to put her in her place and discipline her well.
