desires. The truth is, more often than not, they are. Scorpios have a big ego. They know what they are and what they are not. It doesn't matter what you think about them. If you ask a Scorpio for a favour, it will be either a simple 'Yes' or 'No', not something like 'I will try'. If he really likes you, he will go out of the way to help you. You never have neutral feelings for a Scorpio; you will either be amongst his dedicated admirers or malicious enemies. However, no one challenges him openly, not even the most spiteful enemy. If you are not sincere with your feelings, don't even try to get close to a Scorpio girl. With those beautiful, penetrating eyes of hers, she can read exactly what is on your mind. She can easily make out your real intentions, so Don't Flirt. It will amount to insulting her and I assure you, insulting her is

[Astrology for Real Relationships](#) - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your

mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.
