I Like You, I Love Her - J. R. Rogue 2020-09-21
Severin It feels like I've been in love with Bryan Winthrop my entire life. Before he kissed me in front of the entire school. As he danced with her the night of our senior prom. After his younger brother, Ben, made me smile through my tears. "It'll never work with him. He will never leave her..." It's been more than ten years since I let myself fall for the boy whose heart wasn't mine. And the Prom King's lips are finally mine to kiss. "When I came back here I wasn't expecting to see you, and when I did, I felt this tumble..." But he's still keeping me in the shadows. As his

younger brother breaks me open in the day. Ben You shouldn't covet whom your brother desires. Our pastor father would say he taught me better than that. But I knew over ten years ago my brother didn't deserve her. And nothing's changed since she came back into both our lives. "You think what you felt for my brother back then was love, but what I felt can't be the same?" I'm still the one who makes her laugh--the one who challenges her. And he's still the one treating her like a dirty little secret. "You really are a watercolor, Severin Thompson. I can read you..." You shouldn't covet whom your brother desires. This summer, I'll remind him of that.

HIS LOVE. HER FANTASY - Adrian Gabriel Dumitru

His love ... Her fantasy ... understanding what love is about. As friends, as a man, but also as a woman, we try to define the undefined from a love story. Dreaming about love and being in love ... the path from the fantasy to the love

story itself ... is just a matter of luck ... or maybe where you find yourself, on the timeline of your own life. Maybe is the perfect time for you to explore what love is about, or maybe other things are important at the moment ... and the love story can only be a future "project". Exploring what love is about ... in our minds, as a fantasy ... or in the real life, as a real love story ... is depending only and only if we are ready or not. But what is the difference between fantasy and reality, when even the Bible is saying that everything we see is just an illusion? Well ... i believe that the fantasy is only the beginning of defining what we want ... and the love story is the "experiment" itself. Is it too much to name a love story ... an "experiment"?! Well ... exploring ... as a fantasy or as reality is letting your soul understand what love is about. And ... sometimes is even a life lesson. The moment when you jump into the fairy tale ... the real fantasy ... and you understand the meaning of love ... the fact that love is about giving and not about receiving ...

that is the moment when you also understand what life is about. Accepting your partner, just as he / she is ... just as accepting all the people from our lives is the moment of awakening. Me, Adrian ... and my dear Annie ... are only trying to define the unseen path from fantasy to the love story itself. And also ... let you know that this path is leading you to point when your thinking will be totally redefined. Life itself ... is about love. Seeing what love is about ... is understanding the meaning of life. If the "love chapter" started for you ... even if it's just a fantasy of reality ... you should be happy. The awakening will come to you!

Because I Love Her - Andrea N. Richesin
2009-04-01

This profound and poignant collection highlights some of the best literary writers of our time in an era when the roles of mothers and daughters

are constantly being questioned and redefined. Because *I Love Her* explores the deepest bonds and truths of motherhood by sharing stories and secrets of becoming a mother and grandmother. Just Love Her - D. E. Fast 2022-06-09

"What you need is a good woman." That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school. "What you need is a good woman, Don." I believed my mother when she said it. I didn't walk around on a daily basis and repeat the mantra of the good wife, but I did take it to heart. It wasn't until I got married that I realized that although I had a good woman, life wasn't getting easier or more fulfilling—in fact, it was

getting much, much harder. One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto, believing like me in my younger days that when you find the right woman, all your problems will magically disappear. Most of the time (not all, but most) it's after marriage that the real problems begin. It's not that they weren't there before, it's just that our "good woman" turns into a full-length relational mirror exposing the sin and idolatries that were already there, but were easy to run away from, before we got hitched to our eventual "bad" wife. This little book will identify one of the main causes of "bad" marriages: idolatry. Many if not most, men "worship the ground she walks on" instead of just loving her.

Ugly Love - Colleen Hoover 2014-08-05

From Colleen Hoover, the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, a heart-wrenching love story that proves attraction at first sight can be messy.

When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

walk of our lives, we come across many strangers with whom we share many moments. These are undoubtedly the one whom we love, and it becomes so arduous to understand when love happens by chance..... It feels so good to talk about a school love story, a story without a relation, where the two strangers, strangers even when they were well known to each other and continued to be a stranger, loved each other but believed in their Destiny. Shaurya, a nerd boy who just opposed his name's meaning, lacked the courage and courage to speak his heart. Time is his deadliest fear. Abhilasha, a lovely girl who was synonymous with the meaning of her name, was loved by all; happiness is her shadow... Both of them are busy accepting whatever is going on in their life, and their Destiny is still unjustified, which is desperate with many surprises. Waiting for years, the story is all about the unexpected that happened in their life. And finally, one question which strikes corner to corner in their

All About Me (Love & Hate series #2) I'm the monster, a bloody human incapable of emotion I soon realise that my revenge didn't make me feel any fucking better about myself, instead it pissed me off to realise that I'm in love with her. Two days later the letter addressed to me arrives in the post and the ground moves beneath my feet, because the whole truth about India is out in the open and the pain punches me so hard that I can't breathe, darkness crawls through me, sparking all the insecurities and fears about my dead brother back to ugly reality. India's pain is raw, deep and whenever I lay my eyes on her I remember the cruel things I've done. The next couple of months I focus on getting her back. This is the only thing that matters to me now. I must redeem myself; forget about anger, other birds and parties. India is the only person that I want, I love her and only her but the problem is that she hates my guts, so I'm the last person that she wants. I must prove to India that I'm worthy of her love,
