

If A Woman Doesn't Get Her Period

Loose and Lethal - Rae Davis
2014-04-22

The first three Dusty Deals Mystery series novels in one box set. Read along in this fun cozy mystery series as amateur sleuth and antique store owner, Lucy Mathews, her Alaskan malamute, Kiska and a cast of quirky characters discover romance and murder in the mountains of Montana. Loose Screw Lucy Mathews, crime reporter turned antiques dealer, avoids confrontation like a home perm. She even lets a cat shove her around. When Lucy trips over the body of a buckskin-clad relics trader, her ex-boss asks her to cover the story. She tries to tell him no, but old habits die hard and soon she finds herself directly in the path of a killer and the exasperating, if attractive, detective in charge. Can Lucy

catch a killer or is this the last confrontation for her—period? Cut Loose No one's perfect. At least that's what Lucy Mathews tells herself. Except faced with her boyfriend's rodeo queen ex-wife and perfectly trained Australian shepherd, she has to wonder if maybe this whole 'no one's perfect' thing was made up by someone like...Lucy. Lucky for Lucy though, things are hopping around Helena. It's rodeo season, and she has a booth. It's a great opportunity to expand her clientele and maybe even snag a cash prize for Kiska as the world's first sheep herding malamute. Except Kiska can't herd, Lucy loses her wallet, and oh yeah...there's that dead rodeo queen Lucy just stumbled over. Good thing her boyfriend's a detective. Except that's not going so well either. A new

detective is in town, and he's convinced Lucy's involved in the rodeo queen's murder. Her boyfriend is no help at all and worse he's spending a little too much time with his ex-wife. Lucy finds herself out of money, out of love, and maybe this time, out of luck. Loosey Goosey You can choose your friends, but you can't choose your family. You can though move two thousand miles away and hope they don't come to visit. Unfortunately, for Lucy Mathews that only works for so long. Lucy has a perfect week planned. The kind of week that includes a romantic dinner with her cowboy detective boyfriend, big dollar sales to the visiting Beef Ranchers Association and their wives, and maybe a relaxing holiday weekend at home with her Alaskan malamute, Kiska. What she doesn't have planned is a visit from her animal activist brother, his pet goose, Pauline, and his neon yellow van. Lucy's plans quickly go to the birds. First, her date is interrupted by brother and goose. Second she discovers a dead body, under

her brother's van. Then, when her brother gets arrested for the murder, the worst thing imaginable happens, Lucy's mother finds out. Not only is Lucy is left in charge of babysitting the recalcitrant goose, but her mother is threatening to come to Montana herself to solve the murder. Lucy has no choice but to dive into the investigation, and find the real murderer before her brother is put away for good.

Susan's Growing Up - Sheila Hollins 2018-06-11

This is a story about what can happen to a girl when she starts her period. People do not need to be able to read in order to understand the story. Susan does not understand what is happening to her when she finds blood on her sheets and clothes. She does not tell her mother, but goes straight to school. In the playground, other girls giggle and point at the blood stains. Susan doesn't know why they are laughing at her. A teacher notices what is happening and calls Susan aside to explain what

menstruation is, and how she should look after herself. Susan's mother provides further reassurance on her return home from school. She shows Susan how to keep herself clean and comfortable. Susan has become a woman, and her mother takes her shopping to celebrate.

Welcome to Your Period -

Melissa Kang 2019-08-01

A frank, funny, age-appropriate guide for pre-teens about getting your period, from Dr Melissa Kang (a former Dolly Doctor) and Yumi Stynes (all-round excellent woman).

Getting your period for the first time can be mortifying, weird and messy - and asking questions about it can feel even worse. But it doesn't have to be like that! This little book is packed with honest advice on all the things you need to know: from what cramps feel like to whether you can feel it coming out, to what you should do if your pad leaks onto your clothes. Welcome To Your Period includes case studies, first-person accounts and questions from real teens (and

answers from real experts - us!) so you can manage your period like a boss. Winner of the 2020 ABIA Book of the Year for Older Children. Longlisted for the 2020 ABDA Best Designed Children's Non-Fiction.

Swipe Right - Dj Bryce

2020-01-10

This box set features Swipe Right to Mate, Swipe Right for Love, and Swipe Right for Passion! Swipe Right to Mate Victoria is floundering.

She's lost her home, her boyfriend, everything... rather than go back to her parents with her tail tucked between her legs, or inconvenience her best friend, she decides to take matters into her own hands. When she comes across a mating app, Tori thinks she may have just found a way to solve all of her problems, and maybe, just maybe, find love along the way. A trial period with Mal, the sexy bear shifter who contacted her seems like the answer. But, when she gets there and realizes it's not only Mal she's there to meet, but also his best friend Kai, will

*Downloaded from

on 2021-01-19 by guest*

this opportunity be more than this human bargained for? Swipe Right to Mate is the first in a new trilogy by DJ Bryce. This is a menage standalone about a desperate woman finding exactly what she needs, where she least expects it. Swipe Right for Love Katja is lost. After finally dumping her douche of an ex, she thought she had things figured out. A job as a nanny, which offered room, board and stability. But, when she loses that, Katja realizes she's left with nothing. When she comes across a mating app, Katja hopes she's found a way to dust herself off and start anew. She's not looking for love, just companionship and a place to call home. Bane lost his mate five years ago and has since lived his life for his daughter, Sloane. Now that she's getting older, he's realized that Sloane needs more than he can offer, so he allows his friends to talk him into joining the mating app that changed their lives. The only stipulation, is that the women he meets have to pass his tests before they can meet

his daughter, and need to know they have no hope of winning his heart. Swipe Right to Love is the second in a new trilogy by DJ Bryce. It follows two people eager for companionship, who are determined not to let love in their lives. The thing is... love doesn't always follow the rules. Swipe Right for Passion Shonda is lonely. Over a decade ago, she'd fallen for the man she knew was her mate, only to have him flee the pack and never return. She's lived her life on automatic. No boyfriends, no excitement, only work and friends. When she learns that the man she loves has joined a mating service and has an active profile on the app, Shonda knows this may be her last chance to be with the man who's always owned her heart, even if she has to lie to make it happen. Grayson likes being alone. He has his farm, his solitude, and the occasional visit from his brother, Bane, and Bane's family. For years that has been enough, but now... Gray wants more. Not ready to leave his land, he

decides to follow in his brother's footsteps and try to find a mate. He just needs someone who'll be okay living on the outskirts of society. *Swipe Right for Passion* is the third in a new trilogy by DJ Bryce. Can two people who missed their opportunity at fate get a second chance at their happily ever after?

A Beautiful Spy - Rachel Hore
2021-02-18

From the million-copy Sunday Times bestseller comes a thrilling novel about a woman with an extraordinary life, based on a true story.

'Fantastic... Exciting, impeccably researched and full of powerful period atmosphere' Daily Mail
Minnie Gray is an ordinary young woman. She is also a spy for the British government. It all began in the summer of 1928... Minnie is supposed to find a nice man, get married and have children. The problem is it doesn't appeal to her at all. She is working as a secretary, but longs to make a difference. Then, one day, she gets her chance. She is recruited by the

British government as a spy. Under strict instructions not to tell anyone, not even her family, she moves to London and begins her mission - to infiltrate the Communist movement. She soon gains the trust of important leaders. But as she grows more and more entangled in the workings of the movement, her job becomes increasingly dangerous. Leading a double life is starting to take its toll on her relationships and, feeling more isolated than ever, she starts to wonder how this is all going to end. The Russians are notorious for ruthlessly disposing of people given the slightest suspicion. What if they find out? Full of suspense, courage and love, *A Beautiful Spy* is a stunningly written story about resisting the norm and following your dreams, even if they come with sacrifices. 'Rachel Hore has written a masterful novel, rich in period detail, and her heroine is an unforgettable character' Sunday Express
'As far as her friends and family think, Minnie is an ordinary

girl but she is a government spy - recruited to infiltrate the communist government. But how long can anyone lead a double life?' Best 'Stunning. A masterclass in storytelling. Flawless writing and a great plot that builds suspense... I loved every moment' Dinah Jefferies, author of *The Tuscan Contessa* 'Rachel Hore brilliantly contrasts the thrilling world of high-stakes politics with the inner life of a passionate woman leading a dangerous double existence' Wendy Holden, author of *The Governess* 'Phenomenal! Absolutely loved it. I was rooting for Minnie from page one right to the very end... What a treat of a read' Tracy Rees, author of *The House at Silvermoor* 'A compulsive and enjoyable read' Historical Novel Society 'Based on the life of Olga Gray, this atmospheric thriller is a delight to read' Sun 'Minnie Gray - on the outside an ordinary woman, inside a spy for the British Government who is asked to infiltrate the Russians' My Weekly
Indianapolis Eagles: The First

Period - Samantha Lind
2020-10-14

The Indianapolis Eagles Set One contains the first three full-length novels from author Samantha Lind's best-selling Indianapolis Eagles Series! JUST SAY YES What will it take for her to Just Say Yes? Scott Taylor has a perfect life. He gets to fulfill his dream of playing professional hockey and has a loving family, and a tight group of friends. But the one thing missing in his life is a partner to come home to. He knows exactly who he wants to fill that position- the only woman he has ever loved. The one who got away, who constantly consumes his every thought. What it would take to get her to Just Say Yes to a second chance? Becca Phillips is an independent woman who has made her career as an ER nurse a priority in her life. She has a loving family and a best friend by her side, but she can't seem to get over her first love, Scott. Insecurities led her to break up with him years ago when he started climbing the ranks in professional hockey

Downloaded from
legacy.opendemocracy.net
on 2021-01-19 by guest

and, for eight years, Becca has avoided Scott when he returns home each summer. Can she overcome her fears and allow love back into her life? All she has to do is Just Say Yes to the one and only man she has ever loved. SCORING THE PLAYER Cockey, man whore, player.... Those are all ways I have been described by the media and countless women. Are they accurate? Possibly. But, that's all I let the media see of me, Brian Kelly, defensive player for the Indianapolis Eagles Hockey team. I have no intentions of settling down and changing the media's perception of me. I can't tell if women are after me for my bank account, the status symbol of being with a professional athlete, or if they really want me for me. Then I meet her. The one woman who doesn't let my charm affect her or cause her to jump directly into my bed. Can I possibly change my ways and settle down? Grounded, selfless, giving...Those are all the ways my family and friends have described me. Are they right?

Possibly. But, I'm so much more, and need some passion and excitement in my life. My best friend is moving on and I want that someone special to share all that life has to offer. Let it be known that I, Kinley Williams, want the right someone special. So why did he have to crash into me? The one man who is so clearly wrong for me. Then again, he doesn't seem like anything the tabloids claim him to be. So is he really all that wrong? PLAYING FOR KEEPS Friends with benefits—it never works. Someone always ends up wanting more. What happens when both want more, but neither will tell the other? Richard Murphy has been in the NHL for fifteen years, playing the game he loves. But with retirement looming in the next few years, he's ready to settle down and start a family. There's only one woman he wants that with, but she's put him firmly into the friends—with benefits—category. Can he change her mind and heart, and prove to her he's playing

for keeps? Madison O'Neal has been a lover of sports since she was young. She and her dad bonded over them, both during and after her mother lost her battle with breast cancer. Her love of sports led to a successful career as a sports agent. As much as she loves her job, what she really wants is a family—and someone to call her own. But the one man she's head-over-heels in love with has her in the friends—with incredible benefits—category. Can Madison and Richard find their way through the murky waters of friendship and become the lovers they secretly want to be?

The Empowerment Cycle -

Sharon Wood 2021-09-29

Goodbye menstrual shame, hello empowerment! This is a self-discovery guide (supported by evidence-based research) for any menstruating person to understand their cycle and use that knowledge to improve their lives. The Empowerment Cycle is about creating a movement for women to discover the power of the menstrual cycle, how it is

connected to everything, and how to use it to get great results in all aspects of your life. Women have four phases in their menstrual cycle, each phase bringing with it different strengths that can assist women in reaching great results in all areas of their lives. It doesn't matter if it is in sport, career, or in relationships, the menstrual cycle impacts a woman's ability to perform, communicate, and achieve whatever it is they desire. Simply by working with the female body instead of ignoring it or even worse, against it. Women have a powerful, unique internal tool. A woman's menstrual cycle impacts their life in many ways: relationships, energy levels, self-esteem attitudes, and physical changes. This book will help guide you to make better decisions, reach greater results, and build genuine relationships in your life.

Stolen Mate - Cecilia Lane

2018-07-09

Take one protective, growly shifter. Add his fated mate, a

Downloaded from
legacy.opendemocracy.net
on 2021-01-19 by guest

sassy woman who awakens his bear. Stir in a marriage of convenience, a remote cabin in the woods and let simmer... Everly Mather's very terrible, no-good day is fixing to get a whole lot worse. To start off, her alpha announces he wants to mate with her, to produce an heir. When she gives him an emphatic nope, her guardians take her for a drive and abandon her on the side of a desolate road. The long hike home is punishment for her defiance. Her bad day takes another down turn when a big, hulking bear shifter stops for a friendly game of twenty questions. He seems to think she needs rescuing. He's all kind of mad and snarling on account of her pride dumping her in the middle of nowhere. He refuses to mind his own business. And refuses to go away. When she insists she's just fine without his help, thank you very much, Mr. Growly McBosy tosses her into his truck, and hauls her out to his cabin in the woods. If her jaguar pride cast her aside they don't deserve a fine little thing

like her. He announces his plans to keep her. Period. Just a little neighborly protective custody... Everyone thinks bear shifter Sawyer Strickland is gentlemanly... Yeah, that all goes right out the window the moment he finds the pretty little blonde on the deserted road. Everly's lovely hazel eyes and sweet curves awaken his bear along with a whole lot of protective instincts. She doesn't want his help? Too bad. She's getting it anyway. There's no way he'll leave a vulnerable, albeit sassy, woman out in the middle of nowhere. Especially when said female is his mate. Instead of returning her to her people, he carries her off to his cabin. His hospitality doesn't exactly win her over. Even after a few days, circling each other in tight quarters, she's still a tad miffed over the whole deal. After a little time, she'll come around. He's sure. But what comes around instead is her pride alpha, spouting all sorts of nonsense about mating with Everly. Not happening. Sawyer's ready to give the big

cat shifter a beat down. He's furious that Everly was left behind by her pride members. Also, she belongs to him.

There's that too. Just when things are about to get interesting, Everly surprises both men. She claims she's already married. To Sawyer. Sawyer knows he can protect his woman with a marriage of convenience. Even if his possessive bear demands to claim his sweet, fiery mate.

~~~ Step into the world of *Shifting Destinies*, where the men and women you meet might just be a little more than human. Their towns are protected by magic, and their hearts are open and ready for love. But watch your step - more than darkness lurks in the shadows.

[Evening Primrose: a heart-wrenching novel for our times](#) -

Kopano Matlwa 2017-07-27

A powerful and timely novel from 'South Africa's Chimamanda Ngozi Adichie' (Bookseller) . 'Heart-wrenching' Grazia . With urgency and tenderness *Evening Primrose* explores

issues of race, gender and the medical profession through the eyes of a junior doctor. When Masechaba finally achieves her childhood dream of becoming a doctor, her ambition is tested as she faces the stark reality of South Africa's public healthcare system. As she leaves her deeply religious mother and makes friends with the politically-minded Nyasha, Masechaba's eyes are opened to the rising xenophobic tension that carries echoes of apartheid. Battling her inner demons, she must decide if she should take a stand to help her best friend, even it comes at a high personal cost. 'The best kind of political novel, its turns of emotion are virtuosic.

Matlwa's voice is one we need.'

Rowan Hisayo Buchanan, author of *Harmless Like You* 'Slices straight to the heart, deft and clean' Laura Jane Williams, author of *Becoming* 'A daring and uniquely South African story' Marie Claire, South Africa on Coconut

**Handmade for Christmas** -

Jennifer Conner 2014-12-02

A New Adult collection from

Downloaded from

on 2021-01-19 by guest

four of your favorite authors plus bonus craft and recipe ideas. Four young women look to make ends meet and join a local Christmas craft fair, but will they also find love this holiday season. Ten Minutes for Christmas - Jennifer Conner

Everly's not sure why Logan is sleeping on her mom and dad's couch. They've known each other since they were kids, but he can't just keep coming in and out of their lives. They're not kids anymore. For now, he's in their life, but when a crisis strikes will they be ready to commit to each other? Logan's just a family friend, right? All he's asking for is ten minutes... and then he'll make it through the day. Forget-Me-Not Christmas - Natalie-Nicole Bates

Jorie Beckett has never celebrated Christmas. Now after returning home after an extended period abroad, she looks forward to renewing her relationship with family, and start her life anew. Even if that means celebrating the holiday. She doesn't expect to run into her high school sweetheart at a Christmas Market. Kyle

Koykendall pledged to always love and protect Jorie, but didn't live up to his promise. He's now bitter and angry, and Jorie can't understand why. After all, he failed her, not the other way around. Can Jorie and Kyle work through the secrets and lies of the past that split them apart, and rediscover their love? Or will Jorie's first Christmas be a memorable disaster? Mistletoe in the City - Amber Daulton

Krista Hartley never expected the unrequited love of her life, the irresistible Derek Weston, to work as the groundskeeper at the apartment building she just moved into. They barely spoke in high school but now, three years after graduation, they tore at each other's clothes and jumped into bed together at every opportunity. After all, how could a hot-blooded woman say no to a sexy man with an eyebrow ring, a dragon tattoo and a deadly swagger? A Christmas miracle drew Krista back into Derek's life. He kissed her for the first time under mistletoe, pampered her with romantic

candlelight dinners and memorized every inch of her delectable body with his tongue. He refused to let his dream girl slip through his fingers again but then another woman threatened their whirlwind romance. Hurt once before, Krista broke off their relationship and then Derek made a drunken mistake that could destroy their love forever. With just days to Christmas, he vowed to win back her heart and trust, and prove his innocence once and for all. Promiscuous Christmas - Sharon Kleve

Annie Swan wants it all, a career and a boyfriend, but she doesn't believe it's possible to have both. Annie's driven to become a nurse and she's not letting one night of mind-blowing sex on a Ferris wheel change all that. When Jack Ross sees something he wants he doesn't stop until it's his. Jack admires Annie's dedication but he knows with a little bit of understanding, forgiveness, and love you can have it all.

**7 Fatal Flaws of Divorceable Women** - Gregory Scott

2020-03-20

The 7 Fatal Flaws offers help for the woman who wants to begin fixing her marriage - even if her husband doesn't want to go to counselling, talk with her, read a book or doesn't seem to care. Many books have been written concerning the responsibilities of men in the marriage relationship. Men cause at least half (okay, probably more) of the problems in any marriage. Here's a fact: In more than 30 years of being a pastor, I can count on two hands the number of men who have come to me seeking help in their marriage. During the same time period, nearly every woman who comes to talk with me starts our chat by saying, "I wanted my husband to come but..." Men just aren't crazy about the idea of sitting down with someone who is going to want them to get in touch with their feelings, express themselves about things they think are private and who will ask them questions that they know will tick off their wives if they answer honestly. Love is a

commitment. Feelings fade, re-surge, dim, light up, come and go. Love that goes beyond our own self-interest is the constant that will see us through the ups and downs. For you, my reader, it means that you are the one who will have to see love through until your husband sees what's happening and joins you. You can only control you. You can only be responsible for you. 7 Fatal Flaws will give you a look inside your man's mind and feelings and take you on a journey that will bring out the best in you, your husband and your marriage.

Tuesday's Child - Janice

Hildreth 2014-07-22

Two years ago, Ginny Porter made some bad decisions -- the biggest of which was falling for her boyfriend's lies. While she regretted her period of rebellion, she would never regret the birth of their child, Sophy. Now, trying to get her life back on track and with a fresh teaching certificate in hand, she and Sophy are headed to an Idaho farm where Ginny has a summer job as a

tutor. For Dallas Reid, hiring a tutor for his eight-year-old step-brother had seemed like a good idea but he hadn't expected her to be a beautiful young mother and her adorable toddler. Their growing attraction for each other is hindered when Dallas realizes Ginny's past has a long reach and is endangering her life. But even though Dallas appears to be everything Todd was not, Ginny doesn't know if she can rely on her instincts and confide in him. By learning to trust each other and deal with the secrets each are holding, Dallas and Ginny's Idaho summer turns into life-changing lessons on God's grace and the blessing of second chances.

**The Gift of Before** - Dyren

Olen 2014-09-12

Rocinda doesn't know why she has these strong feelings of déjà vu. She doesn't understand why she can see the faces of other's from a different time period. But she can't worry about it because she has too many things to accomplish in life. The main thing being she

plans to be the greatest designer ever...to have her gowns worn on the red carpet at the Grammy's. Her best friend James is the only person who seems to understand her drifts into neverland and Rocinda doesn't realize how dependent her heart is on James until he is no longer around. When her chance at a shot at the top arrives, the wolves come out in full force. Only, her heart is somewhere else. She has to get it right this time. Even though it's 2015, Rocinda feels like a part of her is in a different time period. Grace has been handed a terrible lot in life. Why did she have to be born during the most horrible period of a colored persons' life? Slavery. Unbeknownst to her enslavers, she is smart and intelligent. Smart enough to pretend to be dumb in order to benefit herself. It is her plan to get her family to freedom. So what if she has to steal what is rightfully hers. She has no qualms about it. As a matter-of-fact, she becomes even more determined when she has to

endure the worst atrocities imaginable in a slaves life. Then God sends her a gift that enables her to bear it all. A love so strong that it reaches through time to right every wrong ever done to Grace. Next time, and there would be a next time for Grace...she would get it right. Until then, she would wait safely in his arms.

**Fairy Tale Billionaires** - Ava Ryan 2022-05-26

The entire series--three scorching hot fairy tale inspired billionaire romances in one volume! A billionaire player craves the one woman he can't have. An icy British princess... THE BILLIONAIRE'S PRINCESS Friday nights have a routine. Drinks with my brothers. Maybe a casual hookup later. Then the ice princess walks into the bar. And it's game over for me. I can't figure her out. She runs hot and cold. She turns me inside-out. I like to keep my one-night stands cut and dried—my ambitions outweigh my emotions every time. Until she disappears

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net)  
on 2021-01-19 by guest*

without a trace. And I discover her little secret. She's an actual princess. I need more than one night from her. Much more. A woman like that deserves the whole fairy tale. She deserves a charming prince. Too bad I'm the one planning to earn all her happy endings... THE BILLIONAIRE'S BEAUTY They call him The Beast for good reason. Now this billionaire boss wants his beautiful--and off-limits--assistant... Griffin: They call me The Beast. Some people think I'm a bully. I'm not here to make friends. I ruthlessly clawed my way to the top of the real estate market in NYC. No friends needed. She's my feisty executive assistant. My right hand... woman. We have an unspoken arrangement: she pretends I'm smarter than she is while I pretend not to notice how sexy she is. That was before she gave me her notice while wearing that dress. I can do a lot. Run my family empire. Ignore the loneliness the top brings. Punch anyone who looks twice at her. But letting her go without a fight? Over

my dead body... THE BILLIONAIRE'S CINDERELLA She's just a girl next door and a pastry chef. Why would a sexy billionaire ever want more than one steamy night with her? Ryker: Marriage and relationships aren't for me. I have no desire to revisit my failures. Now I work hard and play hard--period. Until suddenly there she is. Sexy. Unexpected. Sweet. Unforgettable. One unprecedented night with her only whets my appetite for more. She's been burned before, which makes her suspicious of me. Doesn't think she's good enough, that I'd prefer someone more... society. If only she knew how uninterested I am in other women since I first laid eyes on her. And I hope she never knows the things I think about when I look at her now. Fairy tales endings are meant for children's books. I know that. But I write my own stories... **Sanctuary, Chelsea's Story - The Carpenter Chronicles, Book Two** - Janice Limb Myers 2015-05-12

It's not love that hurts, but the loss of love. Chelsea Carpenter learns of her fiance's death in Iraq while choosing her wedding dress, just weeks before Clark was due home. Her 'happily-ever-after' was not to be. She could never love again. Devastated and broken-hearted, Chelsea tries to escape by throwing herself into her work at the Carpenter family's publishing business, the only other love of her life aside from her family. Before and after work she hides herself away in a condo in the mountains above Sundance where no one stops by to interrupt her self-imposed exile from the world. She only ventures out to attend church, pick up groceries, and see her family. They worry that after two years she still cannot move on, but are helpless to find a way to bring her out of her shell. If anyone can do it, Carter, her twin brother can. Just imagine that you are a 26-year-old, beautiful publishing executive who has absolutely no interest in any man because you firmly believe your fiance

was your one and only true love in this life. What would you do when situations continue to arise that throw you directly into the path of a new gorgeously handsome employee, one that makes your heart flutter and your palms sweat each time you see him? To acknowledge an interest in another man would be to betray your fiance, right? What Readers are Saying About The Carpenter Chronicles: This was a delightful story. I really had no idea how it would develop but I dove right in. It was hard to put down! I appreciated reading about a successful young woman who held true to her values and standards. It is not often enough in a contemporary setting that you read about that. It is very easy to write a period piece from some time in the past where the young woman doesn't have any problem maintaining her standards. However, it is much more difficult to make a believable, interesting story that is contemporary where a woman maintains high standards.--L.H. Hatton When I

first opened the book, I assumed it would be like any other romance. Thankfully, I was wrong! The characters in *Sacrifice* are compelling, real, and relatable, and the story takes unexpected turns that will keep any reader turning pages. What results is a fascinating story that actually drove me to care about the characters and invest myself in the outcomes of their lives.- Carrie Ott I am a sucker for Christian romance books. I thought this book would be like every other book I have read. But after reading, I got so into the story and was so delighted to read about a character that shares my faith! I loved how Janice Myers wrote this story. It kept you wanting to finish the whole book in one day and I am glad to say that the ending was just perfect. The characters and the storyline were well written and I really liked how she described a lot of things, making you feel like you are there. I cannot wait for the next book and see what happens to the family!-Karen H. Be the first of your friends to buy

SANCTUARY, CHELSEA'S STORY. Do it today!"  
*Cuffing and Loving* - C.M. Kars  
2023-01-17

When a bartender decides to finally grow up and get her life together, the last thing she needs is a quiet (and handsome) bouncer with an adorable puppy to derail her plans. Things are about to get cuffed. Izzy Prewitt has always been the Prewitt wild child. She doesn't have a career yet, despite being in her mid-twenties, and she's been tending bar ever since she was of legal age. When she finally decides that she's going to become that better version of herself that her family can be proud of, the last thing she needs is to get embroiled in helping a coworker and his puppy. Izzy can tell that Callum's vibe is all about putting his head down and working hard, but Luna the puppy has other plans. Before Izzy knows it, she's invested in the pup's health and welfare, even if Callum seems to think of her as the consummate party girl that always gets her way.

on 2021-01-19 by guest

When Izzy spends Valentine's with Callum, she's wondering if something serious with him is up her alley, if Callum sees a future where they're both together. Except Izzy's always been the Prewitt Party Girl, and a serious relationship is something she's never really experienced. Can Callum be her first? Cuffing season (n.): the period between October and Valentine's Day where single people tend to look for short-term relationships for the holidays. Keywords: holiday romance, Cuffing Season romance, Cuffing Season, contemporary romance, Valentine's day romance, strangers to friends to lover, puppy named Luna, dog named Luna, the dog is happy, party girl heroine, bad boy hero, falling in love for the first time, sweet romance, falling in love, messy heroine, grumpy hero, sunshine heroine, grumpy x sunshine trope, grumpy x sunshine, cozy romance, back to school in your twenties, college(ish) romance. For fans of Penny Reid, Cassie Mae, Mary Frame, Olivia Dade, Elle

Kennedy, Mariana Zapata, Sariah Wilson, Helen Hoang, Emily Henry, Ali Hazelwood, and Christina Lauren.

**Forever Romance Box Set -**

Allyson Charles 2023-07-28

MUST LOVE DOGS. The Forever Romance series is small town romance for people who love hot men, feisty women, and the four-legged friends who bring them together. Each full-length novel is connected but can be read as a standalone. FOREVER HOME - If Bradley had a dating philosophy, that would be it. He learned early in life not to take the little things for granted. Carpe diem is more than just a motto to him; it's the standard by which he lives his life. Isabelle hasn't met a plan she doesn't like, and getting involved with Brad and his rescue shelter full of misfit mutts isn't in her schedule. Between her job and her young daughter, she doesn't have time to indulge in puppy love. But when she ends up in a pooch predicament, she and Brad can't help getting their leashes tangled. Long walks

lead to longer kisses. Before Izzy knows it, she's making new plans, ones that include a house full of squeaky toys and candlelit dinners. But when she learns a trade secret that threatens the existence of Brad's beloved shelter, she'll have to choose between doing what's right for her career, or doing what's right for her and Brad. Animal attraction might have lit the fire of this relationship, but if it has any chance of surviving, Brad and Izzy are both going to have to learn some new tricks. Forever Home is a must-read for those who love small-town, opposites attract romances filled with heat and furball humor. It's perfect for fans of Roxanne St. Clair and Jill Shalvis. FOREVER FOUND - Gabe has always preferred dogs over people. This grumpy veterinarian might have the magic touch with his four-legged friends, but animals of the human variety he doesn't much tolerate. Especially the perky socialite who keeps at him like a dog with a bone. Even though she saved the Forever Friends

animal shelter, Marla can't catch a break with the sexy vet who haunts her dreams. If he's looking at her, he's scowling. She tells herself she doesn't need the approval of a man nearly a decade younger than her. She just can't understand why his disapproval hurts so much. But when Marla uncovers an illegal dog fighting operation, Gabe will do whatever it takes to protect her, and save the ill-treated dogs. And Marla will discover that his grumpy scowls might have been hiding something other than hate, something that looks a whole lot like love. Forever Found is a must-read for people who love small-town, older woman/younger man, and grumpy/sunny romances filled with heat and furball humor. FOREVER WILD - Dax is no stranger to trouble. If he isn't stirring it up, he's sniffing it out faster than a bloodhound does a bone. But even his limits are tested when he finds a beautiful woman hiding in the back of his van. She's the only person who can out-crazy his best efforts. She's frustrating,

sexy...and the one thing standing between him and his dreams. Lissa goes where the wind takes her, but this time her spontaneity has put a target on her back. On the run, she thinks Dax and his band of rescue dogs just might be the only way to put her pursuers off the scent. Getting attached can only lead to trouble, but Dax and Lissa can't fight their animal attraction. Somewhere along the way, Dax's priorities change from keeping Lissa safe, to just keeping her, period. But love doesn't come without sacrifice. Dax might love a challenge, but Lissa might be more than he can handle. *Forever Wild* is a must-read for people who love small towns, a free-spirited heroine who's nothing but trouble, and romances filled with heat and furball humor.

**Ladyish** - London Ford

2022-10-19

Teenage girls have a harder time than previous generations... Does she know what to expect and how to navigate the challenges with confidence? You've had 'the

talk'. Your daughter has started her period, or she knows what to expect when it arrives... but is she truly prepared for everything that being a teenager entails? The reality is that being a teenager is a little different from how it was when you were growing up. Girls face contemporary challenges that simply weren't around for older generations... and no matter how well you think you've prepared them for their teenage years, there are bound to be a few things that slip through the net. Your daughter doesn't just need to know about the changes in her body. She needs to know about navigating significant issues like sexuality, gender identity, and body image... and she needs to know what to expect from the world around her while she battles the changes in her body and her soaring emotions. She needs to do this in her own time and at her own pace - after all, a huge part of growing up is getting to know yourself and understanding the importance of independence. But that doesn't mean she has

to go it alone... Simply by providing her with the resources she needs in order to explore her identity and prepare her for the big wide world, you can help her step into womanhood completely in charge of her own pathway. Providing her with this unique guide to adolescence is the perfect way to do this. Inside, she'll discover: The plus side of periods - how what seems like a curse is actually something to celebrate Why she wants to sleep all the time... and what she can do to feel better when that simply isn't possible The surprising link between fashion and nutrition - and why she needs to be aware of this Everything she ever wanted to know about bras (plus everything she didn't realize she needed to know!) The ins and outs of body image... and why (and how) to make sure she has a positive one How to navigate the mental health challenges that seem to spring up from nowhere The reason she's struggling with her confidence... and what she can do to overcome this A complete

understanding of gender identity - perfect for if she's unsure of her own or wants to understand a friend who's struggling with theirs How to navigate bullying and harassment - whether online or in real space All the background information she needs in order to understand her sexual orientation - no matter what it is or how unsure she is right now Essential sexual health and family planning advice - so she'll always stay safe and in control Inspiring journaling prompts to accompany every chapter - so she can reflect and explore along the way And much more. Adolescence has always been a challenging time, and today's teenagers are facing things you may not be equipped to teach them about... But that's okay. All you need to do is provide them with the resources they need to understand themselves and the world around them - and they'll do the rest. Your daughter has everything she needs to navigate her teen years with grace and confidence... She just needs a

little nudge in the right direction. Give your little girl everything she needs to blossom into a confident young woman: Scroll up and click "Add to Cart" right now.

**Portland Storm** - Catherine Gayle 2015-06-04

**BREAKAWAY** She's reaching for a breakaway pass. Dana Campbell has spent the past seven years in self-imposed isolation for a crime she didn't commit. The danger is well in the past, but her panic attacks make it impossible to have a normal, healthy relationship with a man. Even her counselor has given up on her. She has to find someone she trusts to help her fight through the panic, or her seven-year ordeal will become a lifetime sentence. There's only one man she feels safe enough to ask. He got caught with his head down. As the captain of the NHL's once elite but now fading Portland Storm, Eric Zellinger knows a thing or two about keeping his focus on the job. Questions are flying about his ability to lead the team back to the playoffs. If they don't make it, he might be

shipped out of town. It's the worst time possible for his best friend's kid sister to divide his focus. How can he give her what she needs without jeopardizing both the Storm's playoff hopes and his future with the team? It's her only chance, but it's his last shot. **ON THE FLY** Injury after injury has put Brenden Campbell's NHL career on hold for years. Now he's playing for the Portland Storm and determined to make it stick. Few things in life drive him more than being told he can't have something he wants, and what he wants most is to prove he belongs. Brenden also wants Rachel Shaw, the cute, little redhead who just got hired as the general manager's new assistant. But then she went and made herself off-limits, telling him: "I don't date." Those three words pretty much guarantee that he'll do everything he can to change her mind. Rachel is changing things up on the fly for her family, moving them somewhere she can be the kind of mom her kids deserve.

Allowing anyone else to be in their lives is out of the question, at least until her instincts get back on track. How else can she be sure who to steer the kids clear of? Right now she trusts no one, including herself, and especially not a man like Brenden Campbell. He's way too handsome and a little bit cocky. Falling for a guy like him is a mistake she can't afford to make twice. **TAKING A SHOT** Katie Weber has had a crush on Jamie Babcock for almost two years, since he joined her father's pro hockey team, the Portland Storm as an eighteen-year-old rookie. When cancer takes her health, her hair, and even her friends, she can't bear to go to senior prom...until Jamie intervenes. **LIGHT THE LAMP** Life's been rough lately for Noelle Payne, but she's not one to let negativity rule. So, she lost her job? She'll find another one. The bank foreclosed on the house? Well, she can live out of her car for a while. There's always an upside to be found...but now Noelle needs

to find something to give her life meaning. She owes it to the universe to figure it out, too, because a stranger just saved her life. When Liam Kallen's wife died, his goal-scoring ability died with her. After a trade from the only pro hockey team he's ever played for, he's now playing for the NHL's Portland Storm. Everyone said he needed a change of scenery, but nothing changes until he rescues Noelle. All of a sudden, the world once again looks bright and he's lighting the lamp like he used to. Noelle's cheerful disposition is just the bit of sunlight Liam needs in his life. He wants to give her everything she needs because she's everything he wants. The problem? She doesn't believe she needs anything...at least nothing material. The one thing they both know she truly needs—a real purpose—also happens to be the one thing he doesn't know how to give her. If he can't help her find that, she might walk away and take all her sunshine with her.

**Curing Premenstrual Tension Naturally** - Karillo

MELLO 2022-09-24

Dear Friend, If you are reading this page then it is very likely that you are already experiencing some of the more uncomfortable symptoms associated with premenstrual tension. Although getting your monthly period is supposed to be a natural occurrence it is clearly distressing for many women to go through. Normally a condition that causes the following symptoms might have you worried that you are suffering from a serious or even fatal disease—abdominal pain, bloating, joint pain, muscle pain, diarrhea, constipation, onset or worsening of acne, tenderness, excess water, tenderness, weight gain, cravings for sugar, alcohol, insomnia, anxiety, disorientation, disassociation, panic attacks, insomnia, weepiness, decreased libido, lack of sex drive, poor concentration and lack of focus. Normally such a big list of symptoms might have you calling a doctor to get a diagnosis! However in this case it is not necessary because what you have just

read above is simply all of the symptoms that can occur when a woman is about to get her period! Is Moodiness, Pain and Bloating Paralyzing Your Life In the Days Leading Up to Your Period? Just what is premenstrual tension (also known as PMS) anyway and why does it cause most women so much misery? For most women who suffer PMS, the condition usually sets in between seven and fourteen days before the beginning of their period, although for some women who suffer severe PMS, the condition can become one that is almost permanent, with symptoms being present before, during and after menstruation. This physical disruption is very distressing for most women. Some females who experience it only have mild symptoms but others are simply overwhelmed by anxiety, pain and mood swings. Just getting through the lead up to getting one's period can feel like an uphill battle that must be fought every day! Furthermore, because many women find it difficult to

concentrate and focus on what they are supposed to be doing, work performance often suffers and they are considerably more likely to suffer accidents when suffering the worst of PMS. The bad moods and anxiety associated with premenstrual tension affects all areas of your life. Do you really want to keep confusing and upsetting other people with this condition? Premenstrual tension can be a baffling for other people to watch and emotionally painful for the woman who is experiencing. Many women find themselves emotionally confused by the process and at the mercy of many different distressing symptoms at once. It can be excruciating! It is just all so overwhelming and also for many women quite frightening. For some it feels like they are losing their beauty or like they are losing their mind. It also doesn't help that women are often called irrational when they suffer from this disorder. It takes away from their credibility and costs them their reputation - not only in their

personal relationships but on the job. This is why it can be crucial for you, as a woman, to take control and do something about your symptoms. Part of winning the battle against the symptoms of premenstrual tension is able to do this is recognizing that this is a process that every woman goes through and being able to identify exactly what is going on in your body. That is why in *Curing Premenstrual Tension Naturally* I give you a crash course in just exactly what PMT (also known as PMS) is all about. In this concise, informative and easy-to-read eBook I discuss - The prevalence of premenstrual tension in this society and why even women as young as thirteen can experience it. How the days leading up to your period are affected by fluctuating hormone levels and how to predict when your symptoms will be worse. How the levels of progesterone in your body can especially contribute to mood swings, bloating and other problems associated with premenstrual

tension How your levels of serotonin, the feel good chemical in your brain, might be affecting your ability to weather the days leading up to your period and what you can do to elevate this hormone How your family history may predict whether or not you are likely to suffer from PMS How one's general health can affect how well you adjust to the discomfort of premenstrual symptoms How your personality type can impact how you deal with having your period Why sexual intercourse seems more uncomfortable when you have PMS How dramatic falls in estrogen levels work to cause

your face to flush and make you feel uncomfortable and anxious in the days leading up to your period How falling estrogen levels can cause you to have a fever and start sweating for no reason How to deal with the onset of skin problems like acne How to deal with the painful swelling breasts that can be one of the symptoms of PMS How changes in hormones can affect every single organ in your body What single activity you can do every day to deal with the weight gain associated with PMS Why some women suffer changes in memory or attention span as their estrog
