Upon a Stone Altar - David L. Hanlon 2019-09-30

Upon a Stone Altar tells the history of a remarkable people who inhabit the island of Pohnpei in the Eastern Caroline Islands of Micronesia. Since the beginnings of intensive foreign contact, Pohnpei has endured numerous disruptive conflicts as well as attempts at colonial domination. Pohnpeians creatively adapted to change and today live successfully in a modern world not totally of their own making. Hanlon uses the vast body of oral tradition to relate the early history of Pohnpei, including the story of the building of a huge complex of artificial stone islets, Nan Madol.

Hooked - Cdr Clayton E. Fisher Usn (Ret) 2009-06

As my vision cleared, the Zero fighter, with its big red "meatball" insignia was flying off my right wing, just like a wingman. THE PILOT WAS STARING AT ME! Like a cat with nine lives, CDR Clayton Fisher, a Navy carrier pilot, narrowly escaped death time after time. His love of flying began in childhood, starting with rides in barnstorming biplanes and a blimp, continuing on into the Battle of Midway, where he was a dive bomber pilot during the greatest naval battle in U.S. history. He flew in the initial flight of dive bombers attacking Japanese aircraft carriers in the Battle of Santa Cruz in the South Pacific where his ship, the USS Hornet, was sunk. Later during the Korean War he flew 80 combat bombing missions over North Korea in the famous Corsair fighter off the

USS Essex during 1951 and 1952. Fisher's dramatic tales of life as a flight student, later as a dive bomber and fighter instructor, come to life vividly in HOOKED

African American World War II Casualties and Decorations in the Navy, Coast Guard and Merchant Marine - Glenn A. Knoblock 2009-07-20

"This book is an account of the 2,445 African American men who were killed, wounded or decorated during World War II in the Navy, Coast Guard, and Merchant Marine. In addition to detailing the circumstances and location of each loss, information of a more personal nature is often included. The book includes many pictures of the men profiled"--Provided by publisher.

This Day in American History, 4th ed. - Ernie Gross 2018-01-16

This up-to-date fourth edition of the most important and interesting data—on a day by day basis—throughout American history includes more than 1,400 new entries with information on a wide variety of subjects—both the “important” matters (Supreme Court decisions, war events, scientific breakthroughs, etc.) and the lesser known but thought provoking incidents and phenomena (societal changes, unexpected

events) that add richness and depth to American history.
USS Wasp - Vol II - 1999-06-15

Black Men and Blue Water - Chester A. Wright 2009

It was a warm summer afternoon when Bill and his little sister Nell headed out with their fishing poles and snacks for the little pond in the meadow. "Be home in time for supper," Mother called as she waved

goodbye. Later that afternoon while sitting beneath a shade tree eating their snacks, they spied off in the distance a rusted old steam engine with a caboose attached behind. On exploring it further, they encounter unexpected events that prevent them from ever making it home in time for supper. Enjoy this mixture of adventure, fantasy, suspense and Christian morals all in one as you follow Bill and Nell through their adventures into the unknown.
