

Literary Lust The Sexiest Moments In Classic Fiction

Wonder, Lust & Itchy Feet - Sally Dellow 2019-05-19

In WONDER, LUST & ITCHY FEET a fearless, intelligent and eager woman-mother, lover, wife and daughter-collects for the first time a selection of poetry from her first four decades of living and writing. Unhesitatingly she exposes intimate feelings and heartfelt values about friendship, family, desire, disaster, finding a home and exploring the world. There is disappointment and rebellion here; but also humour and wisdom. There is passion, pain, regret, hope; a desire to love and live to the full. The work feels powered by a desire to find life's joy, knowing that tomorrow we die; yet there is also a generous understanding that a new generation will take our place, live and love in their turn. Sally Dellow's deliberate use of simple language provides a counterpoint to her sophistication of structure, delightful and meaningful word-play, and entertaining rhyme. There is a wide range of reference garnered from rich experience of life and travel in many cultures and countries. As a poet, Sally Dellow has a highly intelligent understanding of the right words and concepts to express, and communicate effectively, deep-felt universal experiences in a highly personal way. Among the many striking and strong poems in this collection, 'Sand' is one that has the resonance of a modern classic. "Poetry looks straight at what the rest of us leave in the periphery of our vision: Sally Dellow, again and again, brings back our lazy eye to focus, precisely, on the nub of experience. Exuberant word-play and a singing ear bring music and humour to all that she scrutinises. Dellow is raucous, irreverent and achingly naked. This collection is all tender warmth and wonder, but hilarious and Hot as Wasabi too." - Martin Alexander, author of Clearing Ground and Poetry Editor of the Asia Literary Review "These are generous and intimate poems, crafted with language that dances on the page, borne out of keen observation and contemplation of not only life's most joyous moments, but also its most sorrowful, and at times, most frightening." - David W. Hill, Fiction Writer and Assistant Editor of Underground America: Narratives of Undocumented Lives "Evocative yet compact in its language, Sally Dellow's collection reveals a desire to grasp poetry-and life-by the horns. By turns lucid and playful, these poems are characterised by a humour and lightness of touch that enables both writer and reader to engage with issues that matter.//In 'Mottled', she sets out her perception of poetry as "hard thoughts softened by beautiful constructs; // Sweet sounds wrapped round pain". There is much pain, much sweetness to be found within these pages." - Viki Holmes, author of miss moon's class, and co-editor of the international women's poetry anthology Not a Muse "With an artist's eye, Sally Dellow looks at key aspects of life-the search for a home, the need for companionship, the satisfaction of family-and finds something amazing in each remembered detail. She selects scenes from her experience as a traveler, mother and writer, and presents them with an immediacy that allows us to share in the moment. Each poem in this collection contains vivid images, unexpected turns of phrase, and insight into what it means to be aware, worldly and human in the present day." - Thaddeus Rutkowski, author of Haywire "Wonder, Lust & Itchy Feet is an intimate journey; the emotional vulnerability gives the pieces their veracity. Tellingly, many Hong Kong poems in the Itchy Feet section declare an unavowed commitment to the place that she has made her home. Perhaps she has scratched that particular itch for the last time. -David McKirdy, author of Accidental Oriental

Tropic of Cancer - Henry Miller 2015-06-04

Shocking, banned and the subject of obscenity trials, Henry Miller's first novel Tropic of Cancer is one of the most scandalous and influential books of the twentieth century Tropic of Cancer redefined the novel. Set in Paris in the 1930s, it features a starving American writer who lives a bohemian life among prostitutes, pimps, and artists. Banned in the US and the UK for more than thirty years because it was considered pornographic, Tropic of Cancer continued to be distributed in France and smuggled into other countries. When it was first published in the US in

1961, it led to more than 60 obscenity trials until a historic ruling by the Supreme Court defined it as a work of literature. Long hailed as a truly liberating book, daring and uncompromising, Tropic of Cancer is a cornerstone of modern literature that asks us to reconsider everything we know about art, freedom, and morality. 'At last an unprintable book that is fit to read' Ezra Pound 'A momentous event in the history of modern writing' Samuel Beckett 'The book that forever changed the way American literature would be written' Erica Jong Henry Miller (1891-1980) is one of the most important American writers of the 20th century. His best-known novels include Tropic of Cancer (1934), Tropic of Capricorn (1939), and the Rosy Crucifixion trilogy (Sexus, 1949, Plexus, 1953, and Nexus, 1959), all published in France and banned in the US and the UK until 1964. He is widely recognised as an irreverent, risk-taking writer who redefined the novel and made the link between the European avant-garde and the American Beat generation.

[Literary Lust](#) - Stella Hyde 2006

Tired of all those sex how-tos that are about as erotic as VCR instruction manuals? And pornography that's guaranteed to make you feel inadequate? For really intense sexual inspiration, what better place is there to look than in the pages of literature? Let's face it, Chaucer, Flaubert, D. H. Lawrence, Zola, the Bronte s, Anai s Nin, and even prim Jane Austen knew how to push the right buttons. "Literary Lust" presents a catalog of intimacies from the canon of classic fiction that will perk up the most jaded couples -- and offers witty, down-to-earth advice on how to put them into practice, spelling out exactly what props are required in order to set a scene, its level of difficulty (Languid, Break a Sweat, Athletic), how much role playing is required (Come as You Are, Let's Pretend, Drama Queen), and how much pleasure it's likely to deliver (Romance, Bodice Ripper, Hardcore). From the exotic delights of "The Perfumed Garden" to the wanton explorations of "Fanny Hill," from the debaucheries of "Moll Flanders" to the coquetries of Colette, "Literary Lust" offers a spicy selection of the hottest love scenes ever written, and it tells readers how to take them out from between the covers and experience them between the sheets.

[Reno Tramp](#) - Florence Stonebraker 2019-03-21

Armchair Fiction presents a new line of "Scandalous Classics," featuring the works of Florence Stonebraker. "Reno Tramp" is another expertly woven tale of overt lust, hardboiled action, dastardly deeds, blatant sexual promiscuity, and outright sin! However, if you're looking for XXX-rated literature, you have the wrong book. Other than "damn" or "hell" there isn't even a single four-letter word in its pages. But if you're looking for a surprisingly well-written story chock full of prurient, erotically charged moments about dazzling, wanton women and brutishly mis-guided men, then you need go no further. You see, Florence Stonebraker (1896-1977) was the true queen of the "Naughty Novels" of the 1950s and 1960s. Without crossing society's ambiguous boundaries of righteous indignation, she was able to spin webs of scandalous, risqué behavior in novel after novel. "Reno Tramp" is another tawdry Stonebraker gem. It is the second of five Armchair Fiction releases of her works. No one will ever confuse Florence Stonebraker with literary bigwigs like Stephen King, but there's no question her novels are worth dusting off for a second look. "Reno Tramp" is the story of a wanton redheaded tart that men would die for—literally. Brenda Blair was the hottest little number to hit Reno in a long while—and she knew it. This beautiful floozy was out for diamonds—and she knew the one way to get them was by giving herself up for business and pleasure. In other words, she was going in for sin. Little did she know, though, that her captivating charm over men would have deadly consequences. After a lovers' spat turned deadly, Brenda had no choice but to run into the arms of a devious and revolting casino owner named Carter Kemp. Kemp had big plans for Brenda. So in exchange for her life, Brenda faced the choice of having to sign a deal with the devil. As Brenda floundered into a life of depravity, into her life walked a wonderful kid named Johnny and a billionaire playboy named Tony. But Brenda was bad for men and while she was around no man was safe!

7 Best Short Stories: Classic Erotica - Edith Wharton 2019-06-17

Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which have the power to or are intended to arouse the reader sexually. Other common elements are satire and social criticism. The invention of printing, in the 15th century, brought with it both a greater market and increasing restrictions, like censorship and legal restraints on publication on the grounds of obscenity. Because of this, much of the production of this type of material became clandestine. August Nemo has selected seven classic tales of eroticism that are part of the history of human sexual culture: - *Daphnis and Chloe* by Longus - *Idyll* by Guy de Maupassant - *Beatrice Palmato* by Edith Wharton - *Venus in Furs* by Leopold von Sacher-Masoch - *The Lustful Turk* by Anonymous - *Sub-Umbra* by Anonymous - *How He Lost His Whiskers: An Episode in the Life of Steve Broad* by Anonymous For more books with interesting themes, be sure to check the other books in this collection!

This is the first American edition to include the extensive and ingeniously sardonic appendix by the author, written under the anagrammatic pseudonym Vivian Darkbloom.
