The Prophet Kahlil Gibran 2019-04-16 ALMUSTAFA, the chosen and the beloved, who was a dawn unto his own day, had waited twelve years in the city of Orphalese for his ship that was to return and bear him back to the isle of his birth. And in the twelfth year, on the seventh day of Ielool, the month of reaping, he climbed the hill without the city walls and looked seaward; and he beheld his ship coming with the mist. Then the gates of his heart were flung open, and his joy flew far over the sea. And he closed his eyes and prayed in the silences of his soul. BUT as he descended the hill, a sadness came upon him, and he thought in his heart: How shall I go in peace and without sorrow? Nay, not without a wound in the spirit shall I leave this city. Long were the days of pain I have spent within its walls, and long were the nights of aloneness; and who can depart from his pain and his aloneness without regret? Too many fragments of the spirit have I scattered in these streets, and too many are the children of my longing that walk naked among these hills, and I cannot withdraw from them without a burden and an ache.

The Space Between Us Courtney Peppernell 2020-10-27 A universal narrative on the significance of distance with love; remember to hold on to what you believe in. Ideal for those "whose love knows no bounds," The Space Between Us is full of profound anecdotes and messages, illustrating the courage and heartache of enduring physical distance. The Space Between Us explores the trials of love and what it's like to live a life separated by distance from someone you care about. Its content is thoughtfully divided into five chapters, or phases, of the long-distance experience: At First Glance Living for Tomorrow Lonely Nights Grow Together/Grow Apart When I See You. A combination of poems and prose are sporadically connected with small graphics and maps to visualize the journey of physical distance. These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief. Though both authors bring with them a unique perspective, the lens is singular; each is attuned to navigating this complex terrain.

The Essential Rumi Jalāl al-Dīn Rūmī (Maulana) 1997 Jelaluddin Rumi was born in the year 1207 and until the age of thirty-seven was a brilliant scholar and popular teacher. From this mysterious and esoteric friendship came a new height of spiritual enlightenment. When Shams disappeared, Rumi began his transformation from scholar to artist, and his poetry began to fly. Today, the ecstatic poetry of Jelaluddin Rumi is more popular than ever, and Coleman Barks, through his musical and magical translations, has been instrumental in bringing this exquisite literature to devoted followers. Now, for the first time, Barks has gathered the essential poems of Rumi and put them together in this wonderful comprehensive collection that delights with playful energy and unequalled passion. The Essential Rumi offers the most beautiful rendering of the primary poetry of Rumi to both devoted enthusiasts and novice readers. Poems about everything from bewilderment, emptiness, and silence to flirtation, elegance, and majesty are presented with love, humor, warmth, and tenderness. The Love Poems Of Rumi Deepak Chopra 2008-09-04 Born Jalal ad-Din Mohammed Balkhi in Persia early in the thirteenth century, the poet known as Rumi expressed the deepest feelings of the heart through his poetry. This volume consists of new translations edited by Deepak Chopra to evoke the rich mood and music of Rumi's love poems. Exalted yearning, ravishing ecstasy, and consuming desire emerge from these poems as powerfully today as they did on their creation more than 700 years ago. 'These poems reflect the deepest longings of the human heart as it searches for the divine. They celebrate love. Each poetic whisper is urgent, expressing the desire that penetrates human relationships and inspires intimacy with the self, silently nurturing an affinity for the Beloved. Both Fereydoun Kia, the translator, and I hope that you will share the experience of ravishing ecstasy that the poems of Rumi evoked in us. In this volume we have sought to capture in English the dreams, wishes, hopes, desires, and feelings of a Persian poet who continues to amaze, bewilder, confound, and teach, one thousand years after he walked on this earth' - Deepak Chopra

I Loved You From Afar Joni Acquafredda 2021-04-28 Early in 2020, no one could have ever imagined that a pandemic would alter life as we know it. Everyday life ground to a halt. Many of the precious things we took for granted were suddenly out of reach. The author of this book became a first-time grandmother in September of 2020. The illustrator's third grandchild was born on the same day. The pandemic has made visiting and holding these infants very difficult-to keep them safe, masks, socially distant visits in the back yard, door visits, and Zoom calls intervened. And in Italian and Greek families, big gatherings are simply what people do! After much soul searching, the author wrote her granddaughter a letter that tried to explain what she was feeling. It made her realize that these feelings were not unique. Many, many babies have been born during this pandemic.

Those grandparents-any family members, really-were feeling the same, going through the same emotions. This book is an effort to remind them all that they are not alone. . .and that love prevails even in the most challenging situations. With so much tragedy and sorrow this pandemic has brought to the world, this keepsake volume is a reminder that no obstacle can stand in the way of such a special bond. It touches on the longing of grandparents to hold their newborn grandchildren at a time when that couldn't happen. The illustrations in this book are based on symbols and patterns found in many different cultures throughout the world. They represent positive ideas-unity, harmony, courage, wisdom, strength, love, protection, and happiness, values we all wish for our children, our grandchildren, and the world.

Told in a poetic key, the fate of this couple, whose relationship begins with love at first like, offers a fractured mosaic of essential moments crowded with insecurities and urban neuroses, both contemporary and universal. The characters in the work of Leticia Sala seek light in the chaos churned out by modern culture and are always treated by the author with compassion, regard, and respect for their unfolding desires. *In Real Life* captures our infatuation with

Love by Night SK Williams 2021-02-02 More of a story than a collection of poetry, *Love by Night* will whisk you away from your world and into the dreamy romantic night. *Love by Night* begins with anxious hesitation and nervous attraction, grows into tender affection, blossoms into passionate love, delves deep into whimsical dreams, and finally builds an image of an idyllic future together, as the reader develops along with the two characters of this poetic story. Written as a conversation between two points of view in constant change and flux with each other, this book invites the reader into the conversation about the love that connects one person to another, but also all of us to each other. Through this written testament to the emotional journeys books can take us on, S. K. Williams breaks down stereotypes, sexism, relationship roles, and brings awareness to mental health, grief, anxiety, depression, how to move forward, how to love in a healthy way, and, most of all, how to love yourself when it feels impossible.

Love Poems Pablo Neruda 2008-01-17 Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaic island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia, *Love Poems* embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.
