**Gay and Catholic** - Eve Tushnet 2014-10-20

Winner of a 2015 Catholic Press Award: Gender Issues Category (First Place). In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. Eve Tushnet was among the unlikeliest of converts. The only child of two atheist

academics, Tushnet was a typical Yale undergraduate until the day she went out to poke fun at a gathering of philosophical debaters, who happened also to be Catholic. Instead of enjoying mocking what she termed the "zoo animals," she found herself engaged in intellectual conversation with them and, in a move that surprised even her, she soon converted to Catholicism. Already self-identifying as a lesbian, Tushnet searched for a third way in the seeming two-option system available to gay Catholics: reject Church teaching on homosexuality or reject the truth of your sexuality. *Gay and Catholic: Accepting My Sexuality, Finding Community, Living My Faith* is the fruit of Tushnet's searching: what she learned in studying Christian history and theology and her articulation of how gay Catholics can pour their love and need for connection into friendships, community, service, and artistic creation.

Questions and answers about sexuality

[In Pursuit of Love](#) - Vincent J. Genovesi 1996

While retaining the basic structure of the original book, this new edition has been thoroughly updated in light of some official Catholic documents and other theological writings dealing with sexual morality that have appeared since 1986. The Catechism of the Catholic Church, Pope John Paul II's encyclicals *Veritatis splendor* and *Evangelium vitae*, and the

1986 and 1992 statements of the Congregation for the Doctrine of the Faith on pastoral care of homosexuals and the issue of discrimination against them are among the more recent magisterial publications considered in this text. This edition also contains several new sections: the misuses of sex (adultery, pornography, prostitution, sexual violence); four rationales for viewing a committed love relationship as the only appropriate context for sexual intercourse; marriage as a sacrament and marital sexuality and love as embodiments of commitment, intimacy, and passion; and public policy and the civil rights of homosexuals. This edition also includes an expanded discussion of topics such as sexism, sexually transmitted diseases especially HIV/AIDS and the moral questions raised by new family-planning methods (Norplant, Depo-Provera), RU-486, postcoital hormonal interventions against pregnancy, the start of human life, and abortion. Vincent J. Genovesi, SJ, received his PhD in Christian ethics from Emory University. He is a professor at St. Joseph's University in Philadelphia. His articles have appeared in such journals as *The Thomist*, *The Way*, *America*, and *Review for Religious*.

Sexual Diversity and Catholicism - Joseph A. Coray 2015-04-09

The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity. On the one hand, official documents have condemned violence and verbal abuse directed at persons of different sexual orientation; on the other hand, the Church has approved and lobbied for certain types of discrimination: in housing and employment, for example, and also with regard to marriage or civil unions. *Sexual Diversity and Catholicism* focuses specifically on Roman Catholic magisterial teachings on sexual diversity. It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom (between Church teachings, the Bible, philosophy, science and experience) and how their interplay might contribute to the further development of Church teaching. It addresses the issue of sexual diversity and its legitimate expression under the headings *Interpreting Church Teachings*, *Interpreting the Bible*, *Interpreting Secular*

*Disciplines*, and *Interpreting Human Experience*. Part One: *Interpreting Church Teachings*, includes *My Brother Dan*, by Bishop Thomas J. Gumbleton; *Unitive and Procreative Meaning: The Inseparable Link*, by James P. Hanigan; *The Bridegroom and the Bride: The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality*, by Susan A. Ross; and *The Church and Homosexuality: A Lonerganian Approach*, by Jon Nilson. Part Two: *Interpreting the Bible* contains *The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology*, by Patricia Beattie Jung; *Questions About the Construction of (Homo)sexuality: Same-Sex Relations in the Hebrew Bible*, by Robert A. Di Vito; *Romans 1:26-27: The Claim That Homosexuality Is Unnatural*, by Leland J. White; *The New Testament and Homosexuality?* by Bruce J. Malina; and *Perfect Fear Casteth Out Love: Reading, Citing, and Rape*, by Mary Rose D'Angelo. Part Three: *Interpreting Secular Disciplines* includes insights from the human and social sciences: *Homosexuality, Moral Theology, and Scientific Evidence*, by Sidney Calahan; *Informing the Debate on Homosexuality: The Behavioral Sciences and the Church*, by Isaiah Crawford and Brian D. Zamboni; and *Harming by Exclusion: On the Standard Concepts of Sexual Orientation, Sex, and Gender*, by David T. Ozar. Part Four: *Interpreting Human Experience*, brings the voices of two of the Church's faithful women: *Papal Ideals, Marital Realities: One View From the Ground*, by Cristinal. H. Traina; and *Catholic Lesbian Feminist Theology*, by Mary E. Hunt.

**Crossing the Threshold of Love** - Mary Shivanandan 1999

The papal encyclical *Humanae Vitae* predicted the disintegration of marriage and family life, partly as a result of the widespread use of contraception. Pope John Paul II has since addressed the problem by articulating a fresh understanding of marriage, love, and sexuality which takes account of the dignity of the human person, and especially of women. In this most exhaustive and scholarly assessment of John Paul II's Christian anthropology ever written, Mary Shivanandan examines the scientific data and the theological analysis that underlie his

teachings on marriage and sexuality. Her book will be an essential text for the study of the development, meaning, and implications of Catholic doctrine in this controversial area. It is both lucid and multi-disciplinary. Its appearance marks a new stage in the debate over sexuality in the modern world. ABOUT THE AUTHOR: Mary Shivanandan, STD, is a professor at the John Paul II Institute for Studies on Marriage and the Family. PRAISE FOR THE BOOK: "Mary Shivanandan has successfully accomplished a daunting task: the distillation of John Paul's profound and complicated vision of the essence of man and the meaning of marital love. . . . [A] very valuable presentation of the thought of John Paul on human sexuality, marriage, and the family. Anyone who wants to understand the Pope on these matters must have Shivanandan's book as part of his personal or formal curriculum."--New Oxford Review "An exceptionally brilliant study, Shivanandan very accurately and clearly sets forth the major ideas developed at length by Pope John Paul II in many of his writings. . . . She has entered into serious dialogue with contemporary thinking regarding the nature of the human person, the meaning of the human body, and the meaning of human sexuality, relating and contrasting this thinking with that of John Paul II."--Prof. William E. May, John Paul II Institute for Studies on Marriage and Family "Shivanandan has made a significant contribution to the enrichment of our understanding of marriage. In a concise way, she reveals the subtle insights of John Paul II, which resonate in so many people's lives once they are explained in such a clear way."--Rev. Msgr. Peter J. Elliott, Casa Internazionale del Clero, Rome "The monumental text book the prolife movement has been waiting for. This is the definitive study of the Pope's innovative theology of the body and its implications for human life and marriage. . . ."--Faith & Culture Bulletin "This is an exceptional study. Shivanandan not only offers a tour de force of the evolution of John Paul's thought, but also demonstrates its far-reaching implications for the lives of couples, families, and whole societies. She unmasks the deception of our 'safe-sex' society by demonstrating that only when we come to see the body and sexual intercourse as the expression of transcendence

of the person will we be able to 'cross the threshold of love.' . . . Mary Shivanandan's new book *Crossing the Threshold of Love* should establish her as a recognized scholar, theologian, and expert on Pope John Paul II's anthropology. . . ."--National Catholic Register "Pope John Paul II's thought and teaching on human sexuality evolved over a couple of decades, and Professor Mary Shivanandan unpackages this thought carefully and extensively. . . . In presenting John Paul II's thought, Mary Shivanandan brings a thorough grounding in philosophy and a theological education. She also has twenty years of experiential learning in the matter of Natural Family Planning and what this can bring to communion in one flesh. A full index of subjects as well as a generous bibliography enrich this work."--Liguorian "Shivanandan is largely successful in bringing out the main elements of the pope's personalism. She has *Gay and Catholic* - Eve Tushnet 2014 In this first book from an openly lesbian and celibate Catholic, widely published writer and blogger Eve Tushnet recounts her spiritual and intellectual journey from liberal atheism to faithful Catholicism and shows how gay Catholics can love and be loved while adhering to Church teaching. "The author of this book provides readers with a basic understanding of the history of Catholic teaching on sexual ethics, particularly as it has evolved in the last half century."--

*Made for Love* - Michael Schmitz 2018-07-01

In *Made for Love*, Fr. Michael Schmitz presents the Catholic teaching on same-sex attraction and same-sex "sexual" relations. He begins by giving background information regarding the different worldviews of the human person, the philosophical ideas of nature and purpose, the differences between objective and subjective truth, the principle of non-contradiction, and the fallen human nature that resulted from Original Sin. He then discusses in great detail the nature and ends of human sexuality and the nature of true love, while, in a compassionate and non-judgmental way, explaining the flawed nature of same-sex "sexual" relations. While this book is intended primarily for those who have same-sex attraction and their family and friends, its presentation of the compassionate truth of Catholic teaching on same-sex attraction will be of great benefit to everyone in today's society.

*Human Sexuality in the Catholic Tradition* - Kieran Scott 2007

Contemporary culture provides conflicting and confusing messages about the meaning and purpose of human sexuality. This book provides much-needed pastoral guidance in addressing moral issues of sexuality in both the Catholic Church and broader culture today.

*Living the Truth in Love* - Janet Smith, Ph.D. 2015-10-05

*Living the Truth in Love* grew out of the desire to provide answers to the questions posed in the Lineamenta for the Synod on Marriage of 2015

in Rome: "How can the Christian community give pastoral attention to families with persons with homosexual tendencies? What are the responses that, in light of cultural sensitivities, are considered to be most appropriate? While avoiding any unjust discrimination, how can such persons receive pastoral care in these situations in light of the Gospel? How can God's will be proposed to them in their situation?" (40) People who want to be instruments of Christ's love to those who experience same sex attraction—among them our children, brothers and sisters, aunts and uncles, parents, friends, and coworkers—seek guidance on how best to do so. We need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys. We also need to ground our responses in a genuine Christian understanding of the human person and of human sexuality. More and more of those who have left the gay life style are telling their stories, stories that disclose that engaging in homosexual sexual acts has not delivered the happiness sought. Fortunately, for many there is a second chapter to the story, a beautiful story of falling in love with Jesus and his Church, of finding an ennobling understanding of the truth of the human person. Their journeys and transformations have often been facilitated by family members and friends, counselors and spiritual directors, who have been affirming and accepting of those who experience same-sex attraction without approving all their choices. Those who courageously face the realities of their lives and resolutely make the changes necessary—a process generally involving a significant amount of suffering, prayer, commitment to the sacraments, and a refashioning of relationships—eventually find peace, not misery, in accepting the Church's teaching on sexuality. In their willingness to undergo conversions of many kinds and in their desire to seek holiness and live lives of complete self-giving, they become witnesses of the saving power of Jesus' love and the graces he bestows on those who love him. This volume includes essays that lay out the Christian view of the human person and of human sexuality, essays that challenge the bifurcation of sexualities into "heterosexual" and "homosexual." Topics

include an explanation of the meaning of the word “disorder”, a discussion of the therapeutic power of friendship, and an application of St. Pope John Paul II’s personalism to the question of same-sex attraction. Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ’s healing love. Several of those who experience SSA tell their touching and inspiring stories.

*Moral Tradition* - Shaji George Kochuthara 2007

**Just Love** - Margaret Farley 1992-11-01

In a pathbreaking exploration of sexual ethics, Farley--who is highly regarded by her peers on both the right and the left, by religious feminists and Christian moralists--sheds new light on key issues: justice, personhood, the family, feminism, homosexuality, reproductive technology, and more. Farley is the author of *Personal Commitments: Making, Keeping, Breaking*.
