*The Book You Want Everyone You Love\* To Read  
\*(and maybe a few you don't)* - Philippa Perry  
2023-10-12

\*\* Get closer the people who matter the most with the help of the nation's favourite therapist, PHILIPPA PERRY \*\* 'Life bible incoming: Philippa Perry's sage (and witty) advice will have you re-evaluating all the relationships in your life' STYLIST 'I LOVE Philippa Perry and think she's wise and brilliant' BELLA MACKIE 'Philippa Perry is one of the wisest, most sane and secure people I've ever met' Decca Aitkenhead, SUNDAY TIMES 'Philippa Perry is a superwoman' CHRIS EVANS

---

Life is all about relationships and the quality of those connections, whether that's with family, partners, friends, colleagues or most importantly yourself. If you can get those relationships on a functional and even keel, then the other tricky stuff that life throws your way becomes easier to manage. In this warm, practical and witty book, No.1 Sunday Times bestselling psychotherapist Philippa Perry shows you how to approach life's big problems. How do you find and keep love? What can you do to manage conflict better? How can you get unstuck and cope with change and loss? What does it mean to you to be content? Are other people just annoying or are you the problem? With a healthy dose of sanity, Philippa Perry's compassionate advice could help you become a happier, wiser person. Includes some material adapted from the Ask Philippa columns in Observer Magazine.

**Love Life** - Nancy Peach 2021-09-16

An uplifting and feel-good read perfect for fans of Mhairi McFarlane and Beth O'Leary! 'Moving, romantic and very funny - a winning combination' Charlotte Northedge, author of *The House Guest*

**Burnt Toast** - Teri Hatcher 2006-05-02

From America's most beloved comedic actress and the star of *Desperate Housewives* comes a personal, heartfelt, and often very funny manifesto on life, love, and the lessons we all need to learn -- and unlearn -- on the road to happiness. Teri Hatcher secured her place in

America's heart when she stood up to accept her Golden Globe for Best Actress and declared herself a "has-been" on national television. That moment showcased her down-to-earth, self-deprecating style -- and her frank openness about the ups and downs she's experienced in life and work. But what the world might not have seen that night is that Teri's self-acceptance is the hard-won effort of a single mother with all the same struggles most women have to juggle -- life, love, bake sale cookies, and dying cats. Now, in the hope that her foibles and insights might inspire and motivate other women, Teri opens up about the little moments that have sustained her through good times and bad. From the everyday (like the importance of letting your daughter spill her macaroni so she knows it's okay to make mistakes) to the rare (a rendezvous with a humpback whale -- and no, he was not a suitor), the message at the heart of *Burnt Toast* -- that happiness and success are choices that we owe it to ourselves to make -- is sure to resonate with women everywhere.

**Never Forget Love** - Barbara Cartland  
2021-12-01

The lovely young Nerissa Stanley, her brother, Harry, and their father, a distinguished academic writer on Elizabethan architecture live a threadbare existence in their family home. So when her beautiful elder sister, Delphine, pays a surprise visit to her and Harry and then offers them a large sum of money, they have no option but to accept. Delphine, who abandoned the family several years earlier to marry the rich elderly Lord Bramwell is now widowed they learn for the first time. But she is now set on marrying another rich and prestigious aristocrat -- the imperious and handsome Duke of Lynchester. Ashamed of their meagre lifestyle, she demands that her siblings pose as cook and butler in return for three hundred pounds, while she entertains the Duke in style in her ancestral home. But, after the superb dinner is over, the Duke wanders into the kitchen unexpectedly and, instantly transfixed by the beauty, grace and charm of Nerissa, insists that the whole family joins his house party at his magnificent stately house, Lyn, which is not too far away.

Downloaded from

by guest

There Nerissa discovers the secret curse of the Lynchester Dukes that they will never be happy once they inherit the title and then, through her special perspicacity and a vivid dream, when she talks to the ghost of a long dead Duchess, she puts the curse to rest. The Duke's heart is now set forever on Nerissa and he risks life itself and their future happiness in a cunning but perilous gamble when both of their hearts are at stake.

*The Art of Travel* - Alain de Botton 2003-05-29

This title takes us on a journey through the satisfactions and disappointments of travelling. Dealing with such topics as airports, exotic carpets and mini-bars it reveals the hidden motivations, expectations and complications of our voyages into the wide world.

**The Know** - Martina Cole 2004-07-05

Her child is missing but someone out there knows the truth... 'Intensely readable' Guardian 'Powerfully written fiction' The Times 'The undisputed queen of British crime thrillers' Heat From Sunday Times No.1 bestseller Martina Cole, comes a gripping crime drama featuring the fearless Joanie Brewer, whose her need for revenge threatens to destroy even the ones she loves. Joanie Brewer's children are everything to her. She gives them all the love she can, but she's brought them into a tough world. Her son Jon Jon is already up to his neck in a life of crime and her daughter Jeanette is more streetwise than a fourteen-year-old should be. Her youngest Kira, though, is too sweet and too innocent for their dark world. Joanie does her best to protect her baby. But when Kira disappears, Joanie's real nightmare begins. Never underestimate Martina Cole's women. For other powerful female characters, be sure to also read Martina Cole's *Goodnight Lady*, *Close and Get Even*.

**Beckoned, Part 2: From Bath with Love** - Aviva Vaughn 2017-07-14

Can fire and ice both survive? Fire and ice have nothing on Angela Holguín and fellow MBA student Soren Lund. When they first met at school in the exciting seaside city of Barcelona, Angela was intrigued by the aloof Dane; he was enthralled by the vivacious Californian. But their timing was off and they went their separate ways - until Fate and Destiny put them back in the same city: London. In the British capital, Angela and Soren not only reunite, their desire reignites. This time they are determined not to

let love slip through their fingers. They tumble into each other's arms and embark upon a passionate journey that takes them from the chic, bustling streets of London to the romantic, historic byways of Bath and back again. It is there, at their final destination, that Angela and Soren must face reality. While opposites attract, they might not be able to coexist. In the next three days, they will have to decide if what they have is truly love or simply the beckoning of desire. BECKONED: slow burn, second-chance romance inspired by food, travel, and Jane Austen. Over 300 reviews with 4.4+star average! Part 2 of a complete, 6-part series.

"Aviva Vaughn's debut will sweep you off your feet. BECKONED is a vibrant, sensual story about longing and second chances. Get ready to fall in love." -Mia Hopkins, Award-Winning Author of *Thirsty*; voted one of the five best romances of 2018 by the Washington Post.

"After reading book one I was excited to read this book and I can say I was definitely not disappointed. The writing style made me feel like I was experiencing those emotions with them. The more I read the more I found myself hoping that they could find a way to make things work, the more invested I became. The whole story was engaging and well written. A brilliant follow up to book one. I cannot wait to read the next book in this amazing series." ~Kerry, 5-star review "So I am slightly infatuated with the writing style of Aviva Vaughn. She was new to me when I first read Part 1 of this series, but I connected with her writing style right away, and this book doesn't come up short in the slightest. Aviva Vaughn writes in a fan-fiction sense of Jane Austen. HOW COULD ONE NOT LOVE IT!?!?! This alone had me hooked, leading to intense and complicated characters with realistic situations and personalities." ~Liz, 5-star review "Aviva Vaughn continues to enthrall me with her writing in this series. The scenic details and flowing storyline, hooks you from the beginning and will make you want more at the end. Luckily, there is book 3. I can't wait to continue reading the series and see if there is a HEA for Angela." ~Lisette, 5-star review "Wow. Aviva Vaughn has done it again! "Beckoned, Part 2: From Bath With Love" gives the reader a beautiful image of bustling London life contrasted wonderfully with the lazy pace of

Bath. As a lover of Jane Austen books, this series has been such a treat with Angela's love of travel, books and all things Austen! FIVE STARS!!!" ~Emily, 5-star review "This series has absolutely captured me, personally I love a good cliffhanger and this book contains a brilliant one, I have fallen head over heels for each character and their personalities, so after reading book 1 I could not wait to be sucked in to this book as it continues with the story of passion,love, and travel some of my favourite story baselines. I will definitely be following and looking out for other books/series from this author as her writing and descriptions are beautifully written." ~Claire, 5-star review "Beckoned, Part 2: From Bath with Love by Aviva Vaughn was as good as the first book. I couldn't put it down and read it immediately after the first book. I love how the author makes you feel like you are a part of the story. I can't wait to read book 3 and would read anything this author writes! I love the characters and the writing. I give this book 5 stars."

~Amanda, 5-star review "After finished and loving part 1 in this series I could not wait to start the second book and I was not disappointed at all! As this starts where book 1 finished it should definitely be read after it. I cannot wait to read part 3 especially after being left on a cliff-hanger with this book!!" ~Katie, 5-star review "Another great book written by Aviva Vaughn, that you will not be able to put down. Including me, that I read it in one sitting. Ms. Vaughn's writing flows and is so descriptive. She makes you feel like you are there with her characters. She takes you on an emotional roller coaster ride that has many twists and turns. I cannot wait to read Part 3 in the Beckoned Series, I know it will be just as good." ~Dori, 5-star review "Angela and Soren's story continues in this second part of the series. I really enjoy Aviva Vaughn's writing style. It is conversational and easy. The plot flows effortlessly. The characters are real and flawed. I felt like I was walking the streets of Bath with them. Continue to love this series and looking forward to book 3!" ~Heather, 5-star review "This is a series that I am so happy I started reading. I found myself lost in its pages and not wanting to put it down until I had finished. I can't wait to read the next book in the series." ~Laura, 5-star review -----  
Dearest Reader, I wrote BECKONED for many

reasons, but first and foremost, I wrote it to feature the kind of people I know: diverse, smart, complicated men and women. My heroines are strong and educated, and my heroes are polite and respectful. As an avid reader, I wanted to see characters that looked like me and my friends and reflect the world I want to see. I also wanted to write a beautiful book. I consider BECKONED to be a modern story told in an old-fashion way with lots of metaphors and beautiful phrases, and where the sex is explicit but also elegant. So if you are a Word Nerd like me, then you will love BECKONED! If you choose to embark on this journey with me, you--and your taste buds--will get to visit London, Barcelona, Bath, Los Angeles, Honolulu, Costa Rica, New Zealand, and Copenhagen. It will be a fun--and delicious--ride! There are even recipes in some of the books as well as soundtracks to give you a multi-sensory experience. BECKONED is a single story in six parts and should be read in order. The intimacy is steamy, but it is slooooooow burn and is distributed throughout the books because of how the couples' relationships change and deepen. Birthing BECKONED has truly been a labor of love, and I hope you enjoy reading it as much as I enjoyed writing it! BUCKLE UP and enjoy the journey. Wishing you love and romance, ~Aviva

**A Season For Love** - Ally Sinclair 2023-09-26  
"When Emma Love's mother retires, it is time for her to take the reins of the family dating agency and build on its success. And she has a fresh new idea: to host a Jane Austen-style Regency Season of glamorous events where potential lovers can actually take the time to get to know each other in person, with no apps in between. As the round of glamorous social events begins, we meet some of Emma's new clients, and see her matchmaking skills in action. Annie, who has a romantic soul but believes she lost her chance at love a long time ago; recently divorced Jane, who is not quite ready to see what her new love life might look like, and wild child Lydia, who is more interested in hooking up than finding her Mr Darcy. All is going swimmingly but as the Season unfolds, there is a fly in Emma's ointment - the irritating Mr Knight, with his casual attitude and gentle cynicism. Why is she allowing him to ruffle her calm, ordered life and

why can't she stop thinking about him? She has no intention of becoming romantically involved herself, of course; she is far too sensible to take a chance on love - isn't she?"--Publisher.

**How Proust Can Change Your Life** - Alain de Botton 1998-12-15

Alain de Botton combines two unlikely genres-- literary biography and self-help manual--in the hilarious and unexpectedly practical *How Proust Can Change Your Life*. Who would have thought that Marcel Proust, one of the most important writers of our century, could provide us with such a rich source of insight into how best to live life? Proust understood that the essence and value of life was the sum of its everyday parts. As relevant today as they were at the turn of the century, Proust's life and work are transformed here into a no-nonsense guide to, among other things, enjoying your vacation, reviving a relationship, achieving original and unclined articulation, being a good host, recognizing love, and understanding why you should never sleep with someone on a first date. It took de Botton to find the inspirational in Proust's essays, letters and fiction and, perhaps even more surprising, to draw out a vivid and clarifying portrait of the master from between the lines of his work. Here is Proust as we have never seen or read him before: witty, intelligent, pragmatic. He might well change your life. "From the Trade Paperback edition.

[The Life and Loves of a She-devil](#) - Fay Weldon 1984

This is not a book for everyone, but its admirers are vigorously enthusiastic. For example: Rhoda Koenig in *New York Magazine*, who calls it ". . . a novel of blazingly hot revenge, one that amply illustrates the saying about heaven having no rage like love turned to hate, nor hell a fury like a woman scorned." Or Rosalyn Drexler, who said on the front page of *The New York Times Book Review*, "It affords a scintillating, mindboggling, vicarious thrill for any reader who has ever fantasized dishing out retribution for one wrong or another." Or Carol E. Rinzler, who wrote on *The Washington Post Book World's* front page, ". . . what makes this a powerfully funny and oddly powerful book is the energy of the language and of the intellect that conceived it, an energy that vibrates off the pages and that makes SHE-DEVIL as exceptional a book in the remembering

as in the reading . . . a small, mad masterpiece." Copyright © Libri GmbH. All rights reserved.

**Beau Brummell** - Ian Kelly 2013-07-23

"If people turn to look at you in the street, you are not well dressed, but either too stiff, too tight, or too fashionable." -- Beau Brummell Long before tabloids and television, Beau Brummell was the first person famous for being famous, the male socialite of his time, the first metrosexual -- 200 years before the word was conceived. His name has become synonymous with wit, profligacy, fine tailoring, and fashion. A style pundit, Brummell was singly responsible for changing forever the way men dress -- inventing, in effect, the suit. Brummell cut a dramatic swath through British society, from his early years as a favorite of the Prince of Wales and an arbiter of taste in the Age of Elegance, to his precipitous fall into poverty, incarceration, and madness. Brummell created the blueprint for celebrity crash and burn, falling dramatically out of favor and spending his last years in a hellish asylum. For nearly two decades, Brummell ruled over the tastes and pursuits of the well heeled and influential, and for almost as long, lived in penury and exile. With vivid prose, critically acclaimed biographer Ian Kelly unlocks the glittering, turbulent world of late-eighteenth/early-nineteenth-century London -- the first truly modern metropolis: venal, fashion-and-celebrity obsessed, self-centered and self-doubting -- through the life of one of its greatest heroes and most tragic victims. Brummell personified London's West End, where a new style of masculinity and modern men's fashion were first defined. Brummell was the leading Casanova and elusive bachelor of his time, appealing to both men and women of his society. The man Lord Byron once claimed was more important than Napoleon, Brummell was the ultimate cosmopolitan man. "Toyboy" to Georgiana, Duchess of Devonshire, and leader of playboys including the eventual king of England, Brummell inspired Pushkin to write *Eugene Onegin*, and Byron to write *Don Juan*, and he influenced others from Oscar Wilde to Coco Chanel. Through love letters, historical records, and poems, Kelly reveals the man inside the suit, unlocking the scandalous behavior of London's high society while illuminating Brummell's

enigmatic life in the colorful, tumultuous West End. A rare rendering of an era filled with excess, scandal, promiscuity, opulence, and luxury, Beau Brummell is the first comprehensive view of an elegant and ultimately tragic figure whose influence continues to this day.

**The Architecture of Happiness** - Alain de Botton 2007-03-29

THE NUMBER ONE INTERNATIONAL BESTSELLER From one of our greatest voices in modern philosophy, author of *The Course of Love* and *The School of Life*, this book explores the fascinating hidden links between the buildings we live in and our long-term wellbeing.

'Engaging and intelligent . . . Full of splendid ideas, happily and beautifully expressed' Independent What makes a house truly beautiful? Why are many new houses so ugly? Why do we argue so bitterly about sofas and pictures - and can differences of taste ever be satisfactorily resolved? To answer these questions and many more, de Botton looks at buildings across the world, from medieval wooden huts to modern skyscrapers; he examines sofas and cathedrals, tea sets and office complexes, and teases out a host of often surprising philosophical insights. *The Architecture of Happiness* will take you on a beguiling tour through the history and psychology of architecture and interior design, and will change the way you look at your home. 'Alain de Botton takes big, complex subjects and writes about them with thoughtful and deceptive innocence' Observer 'Clever, provocative and fresh as a daisy' Literary Review

[How Proust Can Change Your Life](#) - Alain de Botton 2012-02-23

'What a marvellous book this is . . . de Botton dissects what [Proust] had to say about friendship, reading, looking carefully, paying attention taking your time, being alive and adds his own delicious commentary. The result is an intoxicating as it is wise, amusing as well as stimulating, and presented in so fresh a fashion as to be unique . . . I could not stop, and now much start all over again.' Brian Masters, Mail on Sunday 'De Botton not only has a complete understanding of Proust's life . . . but what is particularly charming about this small, readable book is its tongue-in-cheek benignity, its lightly

held erudition and its generous way of lending itself to what is not only the greatest book of the century but also the darkest and the most eccentric' Edmund White, Observer 'It contains more human interest and play of fancy than most fiction . . . de Botton, in emphasizing Proust's healing, advisory aspects, does us the service of rereading him on our behalf, providing of that vast sacred lake a sweet and lucid distillation.' John Updike, New Yorker 'De Botton's little book is so charming, amusing and sensible that it may even itself change your life.' Allan Massie, Daily Telegraph 'This engaging book is one of the most entertaining pieces of literary criticism I have read in a long while.' Sunday Telegraph 'A very enjoyable book' Sebastian Faulks

**Dean And Me** - Jerry Lewis 2011-07-22

For ten years after WWII, Dean Martin and Jerry Lewis weren't only the most successful show business act in history, they were history. Starting as a fill-in for another act in Atlantic city, their improvised, anarchic routines soon sold out all the greatest venues in America. They made films, they made millions. They made a legend. But amidst the dazzling success and the late night laughter, tensions developed between the reserved straight man, Martin, and the manic goon, Lewis. When the duo, who had reinvented the comic double-act, split acrimoniously in 1956 they didn't speak to one another for the next 20 years. This is an intimate memoir of those years of fame and success by one of the only surviving legends of the rat-pack era. Jerry Lewis remembers everything - the casinos, the mobsters, the endless pranks, the cocktails, the women, the meteoric rise to stardom. Here for the first and only time and in his own inimitable, wise-cracking voice he relives his days of glory with Dean Martin and gives a frank account of their relationship and break-up. A hilarious ride and heart-breaking, cautionary tale of what fame and fortune can do to love and friendship.

[The Cupid Effect](#) - Dorothy Koomson 2018-08-09

'Dorothy's novels are a gripping, page-turning joyride to read' Malorie Blackman There's something special about Ceri . . . Ceri D'Altroy is no stranger to matters of the heart...

Historically, Ceri's questionable decisions have involved sex, shoes or giving unsolicited advice - until one episode of Oprah has her abandoning

her life and job to start afresh in Leeds. The new Ceri vows not to meddle in other people's love lives, no matter how good she is at it. But Ceri never anticipated how desperately her new colleagues and flatmates would need her match-making skills. And surely, there's no way she could make things worse?

**The Love Academy** - Belinda Jones 2011-06-08  
Readers of Jo Thomas, Lindsey Kelk, Sophie Kinsella and Paige Toon will love this deliciously funny and uplifting romantic comedy set amongst the glitz and glamour of Venice. 'This is definitely worth cramming in your suitcase' -- Cosmopolitan 'Great characters... hilariously written... buy it!' -- New Woman 'A sparkling read' -- OK! 'I haven't read a bad book yet by this author' -- \*\*\*\*\* Reader review 'All in all, a lovely romantic dance through Venice - schmaltzy yes, but truly fabulous too!' -- \*\*\*\*\* Reader review 'The most perfect romantic love story' -- \*\*\*\*\* Reader review 'A wonderful, fun, addictive read' -- \*\*\*\*\* Reader review 'This is chick-lit at its best' -- \*\*\*\*\* Reader review

\*\*\*\*\*  
\*\*\*\*\* DO YOU HAVE ENOUGH LOVE IN YOUR LIFE? Journalist Kirsty Bailey would have to answer no. She has the essential starter kit - a boyfriend - but somehow Joe seems to have skipped the vows of for better/for worse and gone straight to for granted. But then just as she's on the verge of settling for a swoon-free existence, Kirsty's magazine sends her to a majestic Venetian palazzo to attend the much gossiped-about Love Academy... Her undercover mission? To prove her editor's theory that this 'school for singles' is nothing more than an escort agency with a sexy accent and fancy glass chandeliers. But what if her editor is wrong and their promise of true amore is for real? Will Kirsty be able to resist the kind of moonlit temptations she's been dreaming of for years, or is her relationship with Joe going, going, gondola? If you think Casanova was a bad boy, just wait until you see what Cupid has in store for Kirsty...

*I Love You, Goodbye* - Cynthia Rogerson  
2012-02-27

"Rogerson is a master of fresh and sparky writing... a spirited novel by a writer of considerable gifts" THE GUARDIAN Dramatised on BBC Radio 4's Woman's Hour Shortlisted for

Creative Scotland Book of the Year Award 2010  
Ana thinks she understands love. As a marriage counsellor she deals with the death of love every day. But when a new man unexpectedly enters her life, she finds that, for the first time ever, her heart is ruling her head and her strict rules of love are no longer so easy to apply. Rose is at her wits end with her husband Harry. Their familiar, frustrating marriage is reaching crisis point. Should Rose stick to what she knows or find a new way to live her life - without Harry - and try to find the happiness she craves? And Maciek, philosopher turned pizza-maker, has left home to escape a messy love affair. But as his feelings for someone new begin to grow, little does he realise how much his life is about to change. Love often happens when you least expect it. It's just like that in Evanton, a small Highland village, just like everywhere else. In this funny, profound and engaging story, separate lives begin to inextricably intertwine and change forever as each tries to answer the universal question: what is love? REVIEWS:

"Captured me from the first... a hugely accomplished novel." LOUISE WELSH  
"Rogerson's prose is impressive and deceptively powerful, making this a subtle and insightful read." THE BIG ISSUE "A great read... it's sexy, funny, full of laconic and tender insights into the wonderful mess that people make of their relationships, and into that elusive prey we call love." TIM PEARS "A good writer, who thinks properly about the world." THE SCOTSMAN  
"What is love? Love is the relationship that will develop between you and this quirky, wise, and fascinating novel. Your heart will pang with recognition again & again as Rogerson explores the foibles that make relationships so beautiful and so heartbreaking. An engaging, insightful and witty novel that resonates with a profound emotional intelligence." KEVIN MacNEIL "Her style is easy and graceful, but her spiky humour takes most of the honours in this tale of kiss and don't tell." SCOTTISH REVIEW OF BOOKS  
**A Rock 'n' Roll Lovestyle** - Kiltie Jackson  
2017-09-23

Perfect mix of travel, romance and drama... For a debut novel this is a cracker, and one I will highly recommend. (Pam Howes - three times Amazon Best Selling Author) I am not normally a 'chick lit' book reading type of girl - but I have to

say I might be a convert! I read the whole book in one sitting! ...a warm, funny book with a hint of suspense running through it. So who exactly is Sukie McClaren? A Cat lover? A Sound of Music Fanatic? A Fiercely Independent Woman? She's all of the above. And when she is sent to Salzburg for a business trip in early December, she believes all her dreams have come true. Packing her suitcase, the only thing on her mind is finding the Sound of Music locations around the city and finally seeing the Doh-Ray-Me steps. Becoming the new best friend of the world's hottest rock-star doesn't even get a look in. Pete Wallace is a reclusive, rock-star and the world's Number One, male solo artist. It's been three years since his last tour and he's preparing to go back on the road again. A week in Salzburg, schmoozing with the music press, is one of his worst nightmares. He can't wait for it to be over. When Pete and Sukie meet, it is the beginning of a beautiful friendship. Lonely for too long, he begins to remember how it feels to be happy and have people in his life who care for him. However... Eduardo di Santo's wants Pete dead! His kid sister was badly injured at a Pete Wallace concert three years before and Eduardo is intent on getting revenge. The desire now consumes his every waking moment. When Pete's new tour is announced, he begins to make his plans. Plans that will culminate in Pete's demise! Is Pete and Sukie's new friendship destined to die before it has a chance to flourish? A love story that begins in Austria... But is it destined to end in Italy? A thoroughly enjoyable rollercoaster of a book from the beginning to the very end.

Edwardian and Georgian Fiction - Sterling Professor of Humanities Harold Bloom 2009  
This volume examines the great writers of the late 19th and early 20th centuries, from Thomas Hardy to Joseph Conrad.

**Eleanor of Aquitaine and the Four Kings** - Amy Kelly 1991-01-01

The story of that amazingly influential and still somewhat mysterious woman, Eleanor of Aquitaine, has the dramatic interest of a novel. She was at the very center of the rich culture

and clashing politics of the twelfth century. Richest marriage prize of the Middle Ages, she was Queen of France as the wife of Louis VII, and went with him on the exciting and disastrous Second Crusade. Inspiration of troubadours and trouvères, she played a large part in rendering fashionable the Courts of Love and in establishing the whole courtly tradition of medieval times. Divorced from Louis, she married Henry Plantagenet, who became Henry II of England. Her resources and resourcefulness helped Henry win his throne, she was involved in the conflict over Thomas Becket, and, after Henry's death, she handled the affairs of the Angevin empire with a sagacity that brought her the trust and confidence of popes and kings and emperors. Having been first a Capet and then a Plantagenet, Queen Eleanor was the central figure in the bitter rivalry between those houses for the control of their continental domains—a rivalry that excited the whole period: after Henry's death, her sons, Richard Coeur-de-Lion and John "Lackland" (of Magna Carta fame), fiercely pursued the feud up to and even beyond the end of the century. But the dynastic struggle of the period was accompanied by other stirrings: the intellectual revolt, the struggle between church and state, the secularization of literature and other arts, the rise of the distinctive urban culture of the great cities. Eleanor was concerned with all the movements, closely connected with all the personages; and she knew every city from London and Paris to Byzantium, Jerusalem, and Rome. Amy Kelly's story of the queen's long life—the first modern biography—brings together more authentic information about her than has ever been assembled before and reveals in Eleanor a greatness of vision, an intelligence, and a political sagacity that have been missed by those who have dwelt on her caprice and frivolity. It also brings to life the whole period in whose every aspect Eleanor and her four kings were so intimately and influentially involved. Miss Kelly tells Eleanor's absorbing story as it has long waited to be told—with verve and style and a sense of the quality of life in those times, and yet with a scrupulous care for the historic facts.
