The Routledge Companion to Gender, Media and Violence Karen Boyle 2023-09-29 With the heated discussion around #MeToo, journalistic reporting on domestic abuse, and the popularity of true crime documentaries, gendered media discourse around violence and harassment has never been more prominent. The Routledge Companion to Gender, Media and Violence is an outstanding reference source to the key topics, problems and debates in this important subject and is the first collection on media and violence to take a gendered, intersectional approach. Comprising over 50 chapters by a team of interdisciplinary and international contributors, the book is structured around the following parts: News Representing reality Gender-based violence online Feminist responses The media examples examined range from Australia to Zimbabwe and span print and online news, documentary film and television, podcasts, pornography, memoir, comedy, memes, influencer videos, and digital feminist protest. Types of violence considered include domestic abuse, "honour"-based violence, sexual violence and harassment, female genital mutilation/cutting, child sexual abuse, transphobic violence, and the aftermath of conflict. Good practice is considered in relation to both responsible news reporting and pedagogy. The Routledge Companion to Gender, Media and Violence is essential reading for students and researchers in Gender Studies, Media Studies, Sociology, and Criminology.

Miss Marple: Christian Sleuth Isabel Anders 2012-12-31 The rage for crime fiction today mysteriously includes a wide and enduring attraction to the few remaining wholly admirable role models still available to readers. The iconic Miss Marple, 'faved' by traditionalists and pop fans alike, deftly models her love of God and neighbor in concrete terms—and stands boldly for Truth and Good. This beloved, enigmatic, mild-mannered spinster champions the triumph of order over chaos in society, through her process of detection in which the solution rests in provable fact.

A Woman of No Importance Oscar Wilde 2020-05-21 Wilde's audacious drama of social scandal centres around the revelation of Mrs Arbuthnot's long-concealed secret. A house party is in full swing at Lady Hunstanton's country home, when it is announced that Gerald Arbuthnot has been appointed secretary to the sophisticated, witty Lord Illingworth. Gerald's mother stands in the way of his appointment, but fears to tell him why, for who will believe Lord Illingworth to be a man of no

I believe this is the first English country house you have stayed at, Miss Worsley?HESTER. Yes, Lady Caroline.LADY CAROLINE. You have no country houses, I am told, in America?HESTER. We have not many.LADY CAROLINE. Have you any country? What we should call country?HESTER. [Smiling.] We have the largest country in the world, Lady Caroline. They used to tell us at school that some of our states are as big as France and England put together. LADY CAROLINE. Ah! you must find it very draughty, I should fancy. [To SIR JOHN.] John, you should have your muffler. What is the use of my always knitting mufflers for you if you won't wear them?SIR JOHN. I am quite warm, Caroline, I assure you.LADY CAROLINE. I think not, John. Well, you couldn't come to a more charming place than this, Miss Worsley, though the house is excessively damp, quite unpardonably damp, and dear Lady Hunstanton is sometimes a little lax about the people she asks down here. [To SIR JOHN.] Jane mixes too much. Lord Illingworth, of course, is a man of high distinction. It is a privilege to meet him. And that member of Parliament, Mr. Kettle-SIR JOHN. Kelvil, my love, Kelvil.LADY CAROLINE. He must be quite respectable. One has never heard his name before in the whole course of one's life, which speaks volumes for a man, nowadays. But Mrs. Allonby is hardly a very suitable person.HESTER. I dislike Mrs. Allonby. I dislike her more than I can say. LADY CAROLINE. I am not sure, Miss Worsley, that foreigners like yourself should cultivate likes or dislikes about the people they are invited to meet. Mrs. Allonby is very well born. She is a niece of Lord Brancaster's. It is said, of course, that she ran away twice before she was married. But you know how unfair people often are. I myself don't believe she ran away more than once.HESTER. Mr. Arbuthnot is very charming.LADY CAROLINE. Ah, yes! the young man who has a post in a bank. Lady Hunstanton is most kind in asking him here, and Lord Illingworth seems to have taken quite a

fancy to him. I am not sure, however, that Jane is right in taking him out of his position. In my young days, Miss Worsley, one never met any one in society who worked for their living. It was not considered the thing. HESTER. In America those are the people we respect most. LADY CAROLINE. I have no doubt of it. HESTER. Mr. Arbuthnot has a beautiful nature! He is so simple, so sincere. He has one of the most beautiful natures I have ever come across. It is a privilege to meet him. LADY CAROLINE. It is not customary in England, Miss Worsley, for a young lady to speak with such enthusiasm of any person of the opposite sex. English women conceal their feelings till after they are married. They show them then.

You'll Miss Me When I'm Gone Rachel Lynn Solomon 2018-01-02 “Heartfelt, deeply moving.” —Buzzfeed “Dark and thought-provoking.” —Publishers Weekly “A stunning debut.” —VOYA A poignant, lyrical debut novel about twins who navigate first love, their Jewish identity, and shocking results from a genetic test that determines their fate—whether they inherited their mother’s Huntington’s disease. Eighteen-year-old twins Adina and Tovah have little in common besides their ambitious nature. Viola prodigy Adina yearns to become a soloist—and to convince her music teacher he wants her the way she wants him. Overachiever Tovah awaits her acceptance to Johns Hopkins, the first step on her path toward med school and a career as a surgeon. But one thing could wreck their carefully planned futures: a genetic test for Huntington’s, a rare degenerative disease that slowly steals control of the body and mind. It’s turned their Israeli mother into a near stranger and fractured the sisters’ own bond in ways they’ll never admit. While Tovah finds comfort in their Jewish religion, Adina rebels against its rules. When the results come in, one twin tests negative for Huntington’s. The other tests positive. These opposite outcomes push them farther apart as they wrestle with guilt, betrayal, and the unexpected thrill of first love. How can they repair

Women in Love D. H. Lawrence 2015-06-25 Excerpt from Women in Love Ursula and Gudrun Brangwen sat one morning in the window-bay of their father's house in Beldover, working and talking. Ursula was stitching a piece of brightly-coloured embroidery, and Gudrun was drawing upon a board which she held on her knee. They were mostly silent, talking as their thoughts strayed

through their minds. "Ursula," said Gudrun, "don't you really want to get married?" Ursula laid her embroidery in her lap and looked up. Her face was calm and considerate. "I don't know," she replied. "It depends how you mean." Gudrun was slightly taken aback. She watched her sister for some moments. "Well," she said, ironically, "it usually means one thing! But don't you think anyhow, you'd be - " she darkened slightly - "in a better position than you are in now?" A shadow came over Ursula's face. "I might," she said. "But I'm not sure." Again Gudrun paused, slightly irritated. She wanted to be quite definite. "You don't think one needs the experience of having been married?" she asked. "Do you think it need be an experience?" replied Ursula. "Bound to be, in some way or other," said Gudrun, coolly. "Possibly undesirable, but bound to be an experience of some sort." "Not really," said Ursula. "More likely to be the end of experience." Gudrun sat very still, to attend to this. "Of course," she said, "there's that to consider." This brought the conversation to a close. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. I Dated This Guy Once ? Toni Rae 2013-09 This is my story, no fabrications, no bullshit, just a small glimpse into the life of a young woman. There is a lot to be said about going through the volatile years of ages 18-26. How do we get through them? How do we approach our decisions? How can we tell the difference between a man with good intentions and a man with a mission to get laid? You honestly can't. There are so many things that young women must learn on their own. No matter how much a father or mother try to protect their children from the world, somehow the world happens anyway. I Dated This Guy Once... is intended to not only entertain you, but also to somehow educate you through my experiences. We are all made up of our past experiences, both good and bad. It is these experiences that form the fabric of the future. With that said, maybe people will start looking at life, relationships and marriage differently. Maybe perspective is all we need to change this

Modern Messages from Green Gables on Loving, Living and Learning Robert V. Smith 2021-10-20 Many people have read and been inspired by the Anne of Green Gables novels. However, few may know very much about the extraordinary intuition, brilliance, creativity, and productivity of the Anne-author, Lucy Maud Montgomery (1874-1942). Fewer still may understand how Montgomery was much ahead of her time as a feminist and an advocate for women's roles in society—as reflected in her writings and life story. This book encourages readers to imagine how Montgomery's life experiences influenced “the life of Anne” and consider how these real and imaginary lives offer messages for 21st century men and women—their loving, living, and lifelong learning. It offers such understanding by revivifying Anne a little more than 100 years after she left her literary existence in 1919, to portray her life story—fundamentally tied to loving. The revived Anne and her physician husband Gilbert Blythe, review the life, challenges, and triumphs of their

creator, and how Montgomery's example might offer messages for us on living and learning. Anne and Gilbert know that Montgomery was a keen observer of others—akin to many of the characters in her books. They describe how Montgomery imaginatively captured the essence of the people around her. The associations include not only the benevolent individuals on her beloved Prince Edward Island and in Ontario, Canada, but also the bigotry, sexual repression, and small mindedness common in the late nineteenth and early twentieth centuries. The revived Ann and Gilbert in this book illuminate Anne's and Montgomery's lives that portray integrity, tolerance, compassion, generosity, perseverance, and graciousness—even in times of personal adversity. When these traits are combined with lifelong learning, creativity, and a dedication of service to humanity, we realize enduring messages for all members of the global community in our modern times.
