**30 Things I Love About My Mom** - Susan Gast  
2020-02-04

Valentine's Day and Mother's Day are fast approaching ... But no matter what time of year, show your mom just how much you care! Our beautiful Full Color book has 30 carefully crafted notes that help you convey just how much you love your mom! I love you mom, because you take such good care of me every day. You give me emotional support when I'm not sure about myself. You inspire me to be a better person. You teach me right from wrong. I love the way you stay calm when I mess up. I love you for the million meals you've made! I love it when you let me try on your clothes! Thanks for taking the dog out for a walk when I know I am supposed to do it. Thanks for giving me a loan when I needed some cash... I love that you let me wear clothes that you think are too weird! You have such patience, and grace. Your smile lights up the room! People love you because you're so much fun to be with! You always make me laugh! Your

*my-mommy-is-the-best-and-i-love-her-just-because*

wisdom is greatly appreciated. You always help others when they're in need. You spend time with me. You're always fair when we disagree. I love it when you tell funny jokes! I love the way you listen to my dreams. You teach me how to take care of myself. You're my best friend! I think you're so smart ... I learn a lot from you. You believe that independence is a good thing. You are the epitome of unselfishness. I love the way you're always optimistic! We share unconditional love. You like getting to know my friends. You don't mind listening to my music! I love you simply because you're you. On page two you have a special area to write your own personalized note to her! Go ahead - Make her Day ... \* \* \* Happy Valentine's Day and Mother's Day to all moms around the world!

Expectation Hangover - Christine Hassler  
2016-01-15

When our expectations are met and things go

*Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on  
2020-04-09 by guest*

according to plan, we feel a sense of accomplishment; we feel safe, in control, and on track. But when life does not live up to our expectations, we end up with an Expectation Hangover. This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively. Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step-by-step treatment plan. This book reveals the formula for how to process Expectation Hangovers on the emotional, mental, physical, and spiritual levels to immediately ease suffering. Instead of wallowing in regret, self-recrimination, or anger, we can see these experiences as catalysts for profound transformation and doorways that open to possibility. Often it is only when life throws us a curveball (or several) that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a

life we love. By the time you finish this book, you'll understand why your Expectation Hangover happened and have your own treatment plan — a clear course of action to pursue your goals while preventing future disappointment.

**Welcome to My World** - Johnny Weir 2011-01-11

In a memoir as candid and unconventional as Johnny Weir himself, the three-time U.S. National Champion figure skater who electrified the 2010 Winter Olympics shares his glamorous, gritty, heartbreaking, hopeful, and just plain fabulous life story. How does a boy from rural Pennsylvania become an all-American original style icon on the ice and off, adored by fans around the world, and hailed as “The Lady Gaga

*Downloaded from

of skating” (Salon.com)? The answers are here, in his invigorating and thoroughly entertaining chronicle of the emergence of his natural talents for skating and horseback riding; the physically and emotionally grinding path to becoming a champion; a family who sacrificed everything to support his passions; an ability to rise again after the most devastating defeats and never look back; an appreciation of style (from his mom) and self-discipline (that would be from his dad); and a fearless confidence to say whatever’s on his mind. Because when you’re Johnny Weir, you don’t worry about what other people think. You let everyone else worry about that for you. Welcome to his world.

### **Does Dream Change Everything?** - M. S.

Pavan Kumar 2020-07-11

Here is one of the finest fictional stories collection, that you must read it. When I was reading the bio of this book I felt like those incidents and views are damn true and original. The narration was being very well with the

curious actions involved by the writer. This book was completely about the dreams that would change your life if you could feel then it was your book. just read it you might know what I am saying for and what you are looking for. All about those dreams how changed the life of the characters involved. This feels very good while reading it and I am damn sure it won't regret your hopes and it will help you through the journey feel so amazing.

**Life as We Know It** - Marquita Johnson  
2021-05-03

This book is about a two-parent home with

wonderful family, great family trips, family holidays, and family vacations-a family full of love and support. But the reality is just because the grass looks green doesn't mean it's always green. The reality is that this book shows the struggles that you face in a two-parent home which is equal to the struggles in a single-parent home. It's about understanding that your love doesn't always have to come from your mother. It's about how a father stepped in and became a supporting role that a mother should have played. It is how a father can become a girl's best friend and how a mother can become a girl's worst enemy. This book is about double standards. It's about giving and giving and never receiving. It's about looking to receive unconditional love and never receiving it. It's about doing all you can, and at the end of the day, it's still not enough.

**The Story Within Us** - Megan Sweeney

2012-09-11

This volume features in-depth, oral interviews with eleven incarcerated women, each of whom offers a narrative of her life and her reading experiences within prison walls. The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships, exercise agency in restrictive circumstances, and find meaning and beauty in the midst of pain. Their shared emphases on abuse, poverty, addiction, and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime. Framing the narratives within an analytic introduction and reflective afterword, Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U.S. prisons. These women use the limited reading materials available to them as sources of

guidance and support and as tools for self-reflection and self-education. Through their creative engagements with books, the women learn to reframe their own life stories, situate their experiences in relation to broader social patterns, deepen their understanding of others, experiment with new ways of being, and maintain a sense of connection with their fellow citizens on both sides of the prison fence.

*Virtuous and Vicious Expressions of Partiality* - Eric J. Silverman 2023-12-01

This volume gathers essays from leading scholars to discuss partiality in ethics. The chapters examine the virtuous and vicious ways in which we relate to those close to us. There has long been a puzzle in ethics concerning the balance between our general moral obligations to everyone and our specific moral obligations to a smaller subset of people: our family, our

nation, and our friends. There has been longstanding tension between the moral intuition that equality entails that we have the same moral duties to everyone and the moral intuition that special obligations entail that we have much greater duties to those close to us. The chapters in this volume discuss varying perspectives on partiality within a wide range of relationships. Section 1 offers overarching visions of partiality. Section 2 examines how roles and relationships might shape partiality. Section 3 focuses on the potential moral dangers and pitfalls of partiality. Finally, Section 4 looks at specific applications of partiality expressed as our loyalty to country, religion, sports teams, and employers. *Virtuous and Vicious Expressions of Partiality* will be of interest to scholars and advanced students working in ethics, social and political philosophy, and philosophy of religion. *Out Here by Ourselves* - Diane Duggan 2000 First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

**It's In Their Blood** - Scott Lee Needham  
2016-09-23

This Memoir is written through the eyes, interviews, research and experiences of the author. It is a gift to his family; a verification of genetic history once lost, now found, resulting in discovery that had no memory, and memories that made a 70-year reunion possible. It is also a story for all, starting within this family and its consistent success in the professions that helped corroborate the passion and need to communicate. From printers, writers and publishers to vaudevillians and Hollywood actors, this true story reminds all of us about the wonders of inheritance, and how its relevancy revealed the seemingly miraculous. This family, once together and thriving, then separated for decades, now united and forever recorded within their memories and the contents of this book.  
Keywords: Entertainment, Vaudeville, Theater, Hollywood, Actors, Reunion, Siblings, Orphanage, Printers, Publishers.

Tears of My Mother - Wendy Osefo 2023-05-23  
When star of Bravo's The Real Housewives of Potomac Dr. Wendy Osefo was growing up, her mother was her everything. But when she became a mother herself, everything changed. In this "exquisitely-drawn portrait of the intense bond that only a mother can have with a daughter" (Katie Haufner, author of Mother Daughter Me), Wendy explores how her Nigerian upbringing has affected her life, her success, and her role as a parent. Wendy Osefo's mother, Iyom Susan Okuzu, arrived in the United States from Nigeria with two things: a single suitcase and the fierce determination to make a better life for herself and her future family. And she succeeded: starting out working in a fast-food restaurant and ultimately becoming the director of nursing at a major metropolitan hospital. While Susan may have taken pride in triumphing over every financial and emotional challenge, in Nigerian culture, a parent is only as successful as his or her

Downloaded from

2020-04-09 by guest

children. And so her daughter, with gratitude and appreciation for her mother's sacrifices, worked hard to meet every demand Susan made of her. With four advanced degrees and a position at Johns Hopkins University as a professor—as well as being a highly sought-after political commentator, a cherished wife, and a loving mother of three—Dr. Wendy has given her mother bragging rights for life. But at what cost to herself? In *Tears of My Mother*, the star of *The Real Housewives of Potomac* describes growing up as a first-generation American, balancing two distinct cultures. And she takes a critical look at the paradox of her mother's parenting: approval conditioned by achievement. As a teenager, Wendy struggled to carve out her own identity while still walking the narrow path of her mother's expectations. Unwavering family loyalty and obedience gave Wendy the road map to making it in America, but it also drove a wedge between mother and daughter, never more so than when she began to build her own

family. "A love letter to Dr. Osefo's mother and first-generation immigrants all across America" (*Library Journal*), this book is for anyone who has faced conflict in the mother-daughter relationship or wondered how much of their own upbringing they want to pass on to the next generation.
