*From Malin Head to Mizen Head* - Joanna Donnelly 2023-10-05

Broadcast at 6 a.m. and midnight on RTÉ Radio 1, the Sea Area Forecast has come to occupy an almost sacrosanct place in the day for many. Its familiar (though often incomprehensible) language acts as a wake-up alarm for a proportion of the population and sends another swathe of them to bed at the end of the day. Yet few people truly understand its unique language and the significance of the romantic sounding headlands whose locations are central to revealing the incoming weather. From Mizen Head to Malin, Valentia to Loop Head, Carlingford Lough to Hook Head, rising or falling slowly, backing south-east to north-east or veering south-to-south-west – what does it all

mean? Here, meteorologist Joanna Donnelly goes on a journey around Ireland's Sea Area Forecast. Visiting the places that are a familiar part of the daily broadcast and explaining the history, language and science associated with it, *From Malin Head to Mizen Head* fans our endless fascination with the weather while sweeping us away on a journey around Ireland's most remote headlands.

reservation) has been reborn. The gods and heroes of legend walk the land, but so do monsters. Maggie Hoskie is a Dinétah monster hunter, a supernaturally gifted killer. When a small town needs help finding a missing girl, Maggie is their last best hope. But what Maggie uncovers about the monster is much more terrifying than anything she could imagine. Maggie reluctantly enlists the aid of Kai Arviso, an unconventional medicine man, and together they travel the rez, unravelling clues from ancient legends, trading favours with tricksters, and battling dark witchcraft in a patchwork world of deteriorating technology. As Maggie discovers the truth behind the killings, she will have to confront her past if she wants to survive. Welcome to the Sixth World. 'An excitingly novel tale' Charlene Harris 'Fun, terrifying, hilarious, and brilliant.' *Under the Tuscan Sun* - Frances Mayes 1998  
Frances Mayes - widely published poet, gourmet cook and travel writer - opens the door on a wondrous new world when she buys and restores an abandoned villa in the spectacular Tuscan countryside. She finds faded frescoes beneath the whitewash in the dining room, a vineyard under wildly overgrown brambles - and even a wayward scorpion under her pillow. And from her traditional kitchen and simple garden she creates dozens of delicious seasonal recipes, all included in this book. In the vibrant local markets and neighbouring hill towns, the author explores the nuances of the Italian landscape, history and cuisine. Each adventure yields delightful surprises - the perfect panettone, an unforgettable wine, or painted Etruscan tombs. Doing for Tuscany what Peter Mayle did for Provence, Mayes writes about the tastes and pleasures of a foreign country with gusto and passion. A celebration of the extraordinary quality of life in Tuscany, UNDER THE TUSCAN

Brian and Arthur's Modern Family - Brian Dowling-Gourounlian 2023-10-26

When Brian Dowling and Arthur Gourounlian announced they were expecting their first child, with Brian's sister Aoife acting as their surrogate, it felt like their family dream was finally coming true. Their daughter, Blake, was born in September 2022, but their happily-ever-after has not been without its troubles. Now Brian and Arthur detail their crazy journeys and the sliding-doors moments that brought them together to create a family of their own.

Following Arthur's journey to escape war-torn Armenia and Brian's path to self-acceptance after being catapulted into the spotlight as a young gay man in the early noughties, and the sudden death of his mother, this is a story of the pain that life can sometimes bring, but ultimately it is a story about love in all its many magical forms. From births to marriages to deaths, and everything in between, this heartfelt

memoir brings Arthur and Brian's positive and inspiring attitude to the page.

THE BRAND NEW, UTTERLY HILARIOUS AND TOTALLY ADDICTIVE ROMANTIC COMEDY FROM THE NO. 1 BESTSELLING AISLING SERIES 'Aisling is one of the finest comic creations of all time' MARIAN KEYES 'This is the best one yet! I didn't want it to end' 5\*\*\*\*\* READER REVIEW 'That rare, precious thing: a fictional character you care about like a friend. It's a joy to spend time with Aisling again' LISA McGEE, creator of DERRY GIRLS \_\_\_\_\_

Aisling is 31, and she's still a complete Aisling. With her cafe BallyGoBrunch flying and the door firmly closed on her relationship with boyfriend John, Aisling accepts an unexpected job offer and boards a business-class flight to New York in her best wrap dress and heels. As she finds her feet in the Big Apple, she throws herself into the dating game, grapples with 'always-on' work culture, forges and fights for new friendships.

But catching up with family and friends on WhatsApp and email is not the same as sitting in Maguire's putting the world to rights over mini bottles of Pinot Greej and a shared bag of Taytos. And yet New York has so much to offer, not least in the fireman department . . . \_\_\_\_\_

Blood Heir - Ilona Andrews 2021-01-12

From award-winning author, Ilona Andrews, an all-new novel set in the New York Times #1 bestselling Kate Daniels World and featuring Julie Lennart-Olsen, Kate and Curran's ward. Atlanta was always a dangerous city. Now, as waves of magic and technology compete for supremacy, it's a place caught in a slow apocalypse, where monsters spawn among the crumbling skyscrapers and supernatural factions struggle for power and survival. Eight years ago, Julie Lennart left Atlanta to find out who she was. Now she's back with a new face, a new magic, and a new name—Aurelia Ryder—drawn by the urgent need to protect the family she left behind. An ancient power is stalking her adopted mother, Kate Daniels, an enemy unlike any other, and a string of horrifying murders is its opening gambit. If Aurelia's true identity is discovered, those closest to her will die. So her plan is simple: get in, solve the murders, prevent the prophecy from being fulfilled, and get out

without being recognized. She expected danger, but she never anticipated that the only man she'd ever loved could threaten everything. One small misstep could lead to disaster. But for Aurelia, facing disaster is easy; it's relationships that are hard.

*Only the Lonely* - Amanda M Lee 2018-10-13

*Master of Salt & Bones* - Keri Lake 2020-04-18

Meet the Devil of Blackthorne Manor ...When I was a little girl, I dreamed a handsome knight would come and rescue me from my wretched mother. He'd ride up on his white steed and break the curse I've been fated to carry since the day I was born. Funny how things changed over time. How the fairy tale twisted into something far more crooked, darker than I ever imagined. In reality, my knight is scarred and broken, living alone in a castle of bones that overlooks the sea. He isn't searching for me. He never was. Lucian Blackthorne is as cursed as I am, and equally shunned by the locals, the fishers of men, who

believe him to be the devil in the flesh. Perhaps he is, with the way his amber eyes draw me in, ignite me like an infernal blaze. And the sins he whispers in my ear are as wickedly intoxicating as the man himself. Yet, his touch is heaven and his will is my weakness. He calls us forbidden, an unsalvageable tragedy, with no happy end. Maybe we are. But in this story, he's the one who needs saving. Master of Salt & Bones is a dark modern gothic contemporary standalone romance.

is a bit of a hames (she's lost two phones already this year - Aisling has never lost a phone). They love hoofing into the Coors Light if they're 'Out', or the vodka and Diet Cokes if they re 'Out Out'. Ais spends two nights a week at her boyfriend John's. He's from down home and was kiss number seventeen at her twenty-first. But Aisling wants more. She wants the ring on her finger. She wants the hen with the willy straws. She wants out of her parents' house, although she'd miss Mammy turning on the electric blanket like clockwork and Daddy taking her car

'out for a spin' and bringing it back full of petrol. When a week in Tenerife with John doesn't end with the expected engagement, Aisling calls a halt to things and soon she has surprised herself and everyone else by agreeing to move into a three-bed in Portobello with stylish Sadhbh from HR and her friend, the mysterious Elaine.
