Time Between Us - Tamara Ireland Stone
2012-10-25

Anna and Bennett were never supposed to meet. Why would they? Anna's a sixteen-year-old in 1995, fiercely determined to secure a running scholarship so she can leave her quiet, dull town and finally travel the world. Bennett's a seventeen-year-old in 2012, living in San Francisco and trying to control his ability to travel through time - an incredible gift, but also an unpredictable curse, which constantly threatens to separate him from the people he loves. When a minor lapse in judgment puts his sister Brooke in danger, Bennett finds himself two thousand miles and seventeen years away - in Anna's world. As he searches for Brooke, Bennett is strangely and inescapably drawn to Anna, who feels sure she's seen him somewhere before. Through the gorgeous, mysterious newcomer, able to travel anywhere in a split second, Anna visits deserted tropical beaches and stunning mediterranean coastlines for the first time, and they can't help falling for one another. But they both know, deep down, that it can never last. For no matter how desperate Bennett is to stay with Anna, his uncontrollable condition will inevitably knock him right back to where he belongs - and Anna will be left to pick up the pieces.

Angela Carter's Book Of Wayward Girls And Wicked Women - Angela Carter 2015-11-05

This bestselling collection of stories extols the female virtues of discontent, sexual disruptiveness and bad manners Here are subversive tales - by Ama Ata Aidoo, Jane Bowles, Angela Carter, Colette, Bessie Head, Jamaica Kincaid and Katherine Mansfield among others - all have one thing in common: the wish to restore adventuresses and revolutionaries to their rightful position as models for all women Reflecting the wide-ranging intelligence and deliciously anarchic taste of Angela Carter, some of these stories celebrate toughness and resilience, some of them low cunning: all of them are about not being nice.

powerful, and dangerous new rival awaits, one who’ll kill millions to get what he wants. 6th International Conference on the Conservation of Earthen Architecture - The Getty Conservation Institute 1991-02-28

On October 14-19, 1990, the 6th International Conference on the Conservation of Earthen Architecture was held in Las Cruces, New Mexico. Sponsored by the GCI, the Museum of New Mexico State Monuments, ICCROM, CRATerre-EAG, and the National Park Service, under the aegis of US/ICOMOS, the event was organized to promote the exchange of ideas, techniques, and research findings on the conservation of earthen architecture.

Presentations at the conference covered a diversity of subjects, including the historic traditions of earthen architecture, conservation and restoration, site preservation, studies in consolidation and seismic mitigation, and examinations of moisture problems, clay chemistry, and microstructures. In discussions that focused on the future, the application of modern technologies and materials to site conservation was urged, as was using scientific knowledge of existing structures in the creation of new, low-cost, earthen architecture housing.

The Dare - Elle Kennedy 2020-06-16

Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance

to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

Declan I'm destined to become the next CEO of my family's media empire. The only problem? My grandfather's inheritance clause. Fulfilling his dying wish of getting married and having an heir seemed impossible until my assistant volunteered for the job. Our marriage was supposed to be the perfect solution to my biggest problem. But the more we act in love for the public, the more unsure I feel about our contract. Caring about Iris was never part of the deal. Especially not when breaking her heart is inevitable. Iris My plan to marry Declan was simple in theory. Move in together. Throw a wedding. Have a baby. We set rules to prevent any kind of issues. Ones that were never meant to be broken, no matter how much Declan tempts me. But what happens when our fake relationship bleeds into our real one? Falling in love was never an option. At least not for me. Terms and Conditions is the second book in a series of spicy standalone novels featuring three billionaire brothers.

Kings of Quarantine - Caroline Peckham

2022-09-16

Cruel. Heartless. Quarantined. The ruthless boys of Everlake Prep never saw lockdown coming. But the virus isn't their number one enemy. I am. And as if being confined to a boarding school for the elite wasn't bad enough,

now I'm stuck in isolation with the boys who hate me most too. Saint, Kyan and Blake. The Night Keepers. Or so they call themselves. They've embodied the Native American legend which lives in this valley, taking on the role of the monsters who lurk in the forest. And though they act like beasts, they may also be the most tempting creatures I've ever seen. With the virus escalating and my dad's name splashed through the news, my entire world is falling apart. What he did has cast a dark shadow over me. And the Night Keepers want to make me pay for his crimes. Then things went from bad to worse when I touched the sacred rock. A rock which supposedly holds a curse to bind me as the Night Keepers' slave. And as crazy as it sounds, I decided to play along. Because there are things about me they don't know. Things my dad has hidden from me for years. All I can be sure of is that I have to find a way to escape this school. But until then, those savage boys are making my life a living hell. As the virus sweeps through the country and the world twists into something ugly and unknown, the kings of this school become true monarchs. Even the teachers bow to them now. And I'm kinda glad about that 'stay six feet away from one another' rule, because without it, I know they'd rip me apart. At least there's a silver lining. I'm cosying up to Coach Monroe. My hot as hell, brooding P.E. teacher who has a vendetta of his own against the Night Keepers. And with his help, I may succeed at doing more than escaping the clutches of these heartless fiends. I might even destroy them along the way. My father taught me how to be strong. How to prepare for the end of the world. So this isn't going to be the end of my world, mark my words. But if I'm able to use my mind and body to bring these assholes to their knees, it might just be the end of theirs. This is a high school bully romance series where the main character will end up with more than one love interest. It may have triggers for some as it has off the charts angst, dark love-hate themes, scenes of intense bullying and some violence (not aimed towards the main character) and is not for the faint of heart. Prepare to enrol at Everlake Prep. Bring your hand sanitiser, face masks and toilet paper to barter with, but don't expect to hold onto them for long. Because it's time to go into quarantine

with the Night Keepers. And everything you own now belongs to them.

Independent People - Halldór Laxness
2010-09-30

The great Icelandic novel by the Nobel Prize-winning novelist Halldór Laxness 'There are good books and there are great books and there may be a book that is something still more: it is the book of your life' New York Review of Books First published in 1946, this is a humane, epic novel set in rural Iceland. Bjartus is a sheep farmer determined to eke a living from a blighted patch of land. Nothing, not merciless weather, nor his family, will come between him and his goal of financial independence. Only Asta Solillja, the child he brings up as his daughter, can pierce his stubborn heart. As she grows up, keen to make her own way in the world, Bjartus's obstinacy threatens to estrange them forever. Written by the Nobel prize-winner dubbed the 'Tolstoy of the North', this is a magnificent portrait of the eerie Icelandic landscape and one man's dogged struggle for independence. 'I defy anyone to finish Halldór Laxness's Independent People without wetting the pages with tears' Jonathan Franzen, Guardian 'The greatest Icelandic novel and surely one of the best books of the 20th century' Hallgrímur Helgason, Guardian
