*Japan* - Jean-Marie Bouissou 2002

This text encompasses aspects of the transformation that raised Japan from the ashes of defeat to a model economy. It relates economic growth to social change and politics, and shows how these upheavals reverberated upon the Japanese value system.

Ero-Samurai - David Duff 2006

In *Ero-Samurai*, noted Kyoto raconteur and expatriate David Duff relates his personal experiences with that most exotic and mysterious of

creatures, the Japanese woman.

**Masking Selves, Making Subjects** - Traise Yamamoto 1999-01-06

This sophisticated and comprehensive study is the first to situate Japanese American women's writing within theoretical contexts that provide a means of articulating the complex relationships between language and the body, gender and agency, nationalism and identity.

Through an examination of post-World War II autobiographical writings, fiction, and poetry, Traise Yamamoto argues that these writers have

employed the trope of masking—textually and psychologically—as a strategy to create an alternative discursive practice and to protect the self as subject. Yamamoto's range is broad, and her interdisciplinary approach yields richly textured, in-depth readings of a number of genres, including film and travel narrative. Looking at how the West has sexualized, infantilized, and feminized Japanese culture for over a century, she examines contemporary Japanese American women's struggle with this orientalist fantasy. Analyzing the various constraints and possibilities that these writers negotiate in order to articulate their differences, she shows how masking serves as a self-affirming discourse that dynamically interacts with mainstream culture's racial and sexual projections.

*Japan* - Nicholas Bornoff 2022-09-13T00:00:00+02:00

Inspiring photography, insider tips, cultural interpretation, and expert advice are hallmarks of these bestselling travel guides, ensuring a more authentic, enriching experience of the destination. In Japan, spring bursts onto the scene with the splendor of blooming cherry trees (sakura), the symbol of life. This is the most popular season for visitors, who enjoy the tranquility of the Zen gardens, however, the narrow archipelago of Japan offers considerable cultural and geographical variety, with interesting attractions and places to visit throughout the seasons. Attractions range from the snowcapped volcano of Mount Fuji to tropical atolls and the frenzied metropolises of Tokyo and Kyoto—the imperative experiences of Japan could fill an entire lifetime. National Geographic brings all the aspects of the culture, history, and traditions of the places to visit. Walking itineraries, with maps, include Shibuya-ku, Ueno, Hakodate, Hagi and the route from Magome to Tsumago. Among the excursions, there are visits to the wonderful Japanese gardens, to the Peace Park in Hiroshima and to the national parks of Akan and Kushiro-Shitsugen. It is possible to follow the pilgrim paths of Kumano Kodo or take whale-watching trips along the coasts. The travel advice for the eight main islands and regions includes the most interesting cities, towns, and regions of Japan, helping visitors discover one of the most famous and complex tourist destinations of Asia.

*Classical Japanese Cinema Revisited* - Catherine Russell 2011-06-16  
The classical, the modern, and Japanese cinema in the global system. -- Yasujiro Ozu : a short history of the home drama. -- Kenji Mizoguchi and his women. -- Men with swords and men with suits : the cinema of Akira Kurosawa. -- Mikio Naruse : a Japanese woman's cinema. -- Remembering the war : three postwar war films.

**The Japanese Mind** - Charles A. Moore 1982-01-01

A collection of essays that provide insight into Japanese culture. This book is a great buy for anyone interested in Japan.

**Sociolegal Control of Homosexuality** - Donald J. West 2006-04-11

Despite the gains made by gay rights movements throughout the world, there are still areas in which homosexuals and their relationships are targeted as immoral and criminal. *Sociolegal Control of Homosexuality*, a comprehensive, up-to-date examination of governmental and religious reaction to issues of sexual orientation in regions - such as Asia and the Middle East - not often covered in English language publications, includes: a sampling of international legislation, both proscriptive and liberal the effects of fundamentalist religious movements new scientific information concerning the origin of sexual orientation, and much more!  
£/LIST£

*The Cinema of Gosho Heinosuke* - Arthur Nolletti 2005

The first book-length work in English of one of the most important directors of the Golden Age of Japanese cinema.

**Law in Everyday Japan** - Mark D. West 2005-08-15

Lawsuits are rare events in most people's lives. High-stakes cases are even less commonplace. Why is it, then, that scholarship about the Japanese legal system has focused almost exclusively on epic court battles, large-scale social issues, and corporate governance? Mark D. West's *Law in Everyday Japan* fills a void in our understanding of the relationship between law and social life in Japan by shifting the focus to cases more representative of everyday Japanese life. Compiling case studies based on seven fascinating themes—karaoke-based noise complaints, sumo wrestling, love hotels, post-Kobe earthquake condominium reconstruction, lost-and-found outcomes, working hours,

and debt-induced suicide—Law in Everyday Japan offers a vibrant portrait of the way law intermingles with social norms, historically ingrained ideas, and cultural mores in Japan. Each example is informed by extensive fieldwork. West interviews all of the participants—from judges and lawyers to defendants, plaintiffs, and their families—to uncover an everyday Japan where law matters, albeit in very surprising ways.

Takarazuka - Jennifer Robertson 1998-07-21

The all-female Takarazuka Revue is world-famous today for its rococo musical productions, including gender-bending love stories. This text explores how the Revue illuminates discourses of sexual politics, nationalism, imperialism and popular culture in 20th-century Japan.

*The American Occupation of Japan and Okinawa* - Michael S. Molasky 2005-08-12

How do the Japanese and Okinawans remember Occupation? How is memory constructed and transmitted? Michael Molasky explores these questions through careful, sensitive readings of literature from mainland Japan and Okinawa. This book sheds light on difficult issues of war, violence, prostitution, colonialism and post-colonialism in the context of the Occupations of Japan and Okinawa.

**Confessions of a Mask** - Yukio Mishima 1958

The story of a man coming to terms with his homosexuality in traditional Japanese society has become a modern classic.

**Information and Communication Technologies in Support of the Tourism Industry** - Pease, Wayne 2007-02-28

"This book examines the process of transformation as it relates to the tourism industry, and the changes to that industry from modern electronic communications. It covers not only geographically supportive technologies in communication, but also in terms of culture, economics, marketing, social, and regional issues"--Provided by publisher.

**Pink Samurai** - Nicholas Bornoff 1991

This extraordinary book reveals the exotic realm of the Water Trade—a world of bars and brothels, love hotels, baths and massage parlors, theaters and strip shows—and takes American readers on their first tour of Japan's sexual mores and practices. 8-page insert.

**Full Metal Apache** - Takayuki Tatsumi 2006

DIVCompares modern science fiction and the avant garde pop scene in America and Japan./div

Asian Popular Culture in Transition - John A Lent 2013-02-15

Asian Popular Culture in Transition examines contemporary consumption practices in South Korea, China, India, and Japan, and both updates and extends popular culture studies of the region. Through an interdisciplinary lens, this collection of essays explores how recent advances and shifts in information technologies and globalization have impacted cultural markets, fashion, the digital generation, mobile culture, femininity, matrimonial advertising, and a film actress' image and performance. Drawing upon a diverse range of sources and methods including historical research, content analysis, anthropological observation, textual analyses, and interviews, Asian Popular Culture in Transition makes a significant contribution to this growing area of research. Given its broad range of countries, theories, and approaches, this book will be of great interest to students and scholars of Asian studies, cultural studies, media and communication studies, and gender studies.

*Television, Japan, and Globalization* - Mitsuhiro Yoshimoto 2010-01-08

Television, Japan, and Globalization makes a monumental contribution to the literature of television studies, which has increasingly recognized its problematic focus on US and Western European media, and a compelling intervention in discussions of globalization, through its careful attention to contradictory and complex phenomena on Japanese TV. Case studies include talent and stars, romance, anime, telops, game and talk shows, and live-action nostalgia shows. The book also looks at Japanese television from a political and economic perspective, with attention to Sky TV, production trends, and Fuji TV as an architectural presence in Tokyo. The combination of textual analysis, clear argument, and historical and economic context makes this book ideal for media studies audiences. Its most important contribution may be moving the study of Japanese popular culture beyond the tired truisms about postmodernism and opening up new lines of thinking about television and popular

culture within and between nations.

**Kūhaku & Other Accounts from Japan** - Bruce Rutledge 2004

Sixteen stories and essays by different writers destroy the many stereotypes about Japan.

Japanese Tourism - Carolin Funck 2013-11-30

The changing patterns of Japanese tourism and the views of the Japanese tourist since the Meiji Restoration, in 1868, are given an in-depth historical, geographical, economic and social analysis in this book. As well as providing a case study for the purpose of investigating the changing face of global tourism from the 19th to the 21st Century, this account of Japanese tourism explores both domestic social relations and international geographical, political and economic relations, especially in the northeast Asian context. Socio-cultural and geographical analysis

form the research framework for the book, in three ways: first, there is an emphasis on scale as tourism phenomena and their implications are discussed both in a global context and at the national, regional and local levels; second, the discussion is informed by primary data sources such as censuses and surveys; and third, the incorporation of fieldwork and case studies adds concreteness to the overall picture of Japanese tourism. This book is a significant addition to an area of study currently under-represented in the literature.

**Interracial Intimacy in Japan** - Gary P. Leupp 2003-01-01

Gary Leupp describes and analyzes intimate relationships between Western men and Japanese women throughout the entire early modern period and into the first few decades of the modern period, when Westerners came to reside in the Treaty Ports. This subject has been largely overlooked by Western scholars, until now.
