[Transnational Italian Studies](#) - Charles Burdett 2020-07-17

Transnational Italian Studies is specifically targeted at a student audience and is designed to be used as a key text when approaching the disciplinary field of Italian studies. It allows the study of Italian culture to be construed and practised not simply as the inquiry into a national tradition but as the study of the interaction of cultural practices both within Italy itself and in those parts of the world that have witnessed the extent of Italian mobility. The text argues that Italian culture needs to be considered in a transnational/transcultural perspective and that an understanding of linguistic and cultural translation underlies all approaches to the study of Italian culture in a global context. Contributions deploy a range of methodological approaches to understand and illustrate how language operates, how culture inhabits and constitutes public and private space, how notions of time operate within people's lives, and the multiple ways in which people experience a sense of personhood. Chapters stretch from the medieval period to the present and demonstrate how transnational Italian culture can be critically addressed through the examination of carefully chosen examples. Contributors: Alessandra Diazzi, Andrea Rizzi, Barbara Spadaro, Charles Burdett, Clorinda Donato, David Bowe, Derek Duncan, Donna Gabaccia, Eugenia Paulicelli, Fabio Camilletti, Giuliana Muscio, Jennifer Burns, Loredana Polezzi, Marco Santello, Monica Jansen, Naomi Wells, Nathalie Hester, Serena Bassi, Stefania Tufi, Teresa Fiore and Tristan Kay.

Queering W. B. Yeats and Gabriele D'Annunzio - Zsuzsanna Balázs 2023-12-24

Queering W. B. Yeats and Gabriele D'Annunzio: Modernist Playwrights challenges the general resistance in scholarship and queer studies to approach Yeats and D'Annunzio through a queer lens because of their controversial affiliations with fascism and elitism, their heterosexuality and their venerated canonical status. This book provides the first fully theorised queer and comparative reading of Yeats's and D'Annunzio's drama. It offers the novel contention that due to their increasing involvement in queer and feminist subcultures, their plays feature feelings that are associated with queer historiography and generate ideas that began to be theorised by queer studies more than half a century after the composition of the plays. Moreover, it uncovers an alert, subversive and often coded social commentary in eight key dramatic texts by each playwright and at the same time highlights the thus far neglected commonalities between the plays and the queer historical as well as cultural contexts of these two prominent modernists. *Reading and Writing Italian Homosexuality* - Derek Duncan 2017-09-29 Derek Duncan's timely study is the first book in English to examine constructions of male homosexuality in Italian literature. In admirably clear and elegant prose, Duncan analyzes texts ranging from the 1890s through the 1990s. He brings canonical authors like D'Annunzio and Pasolini together with under-appreciated writers like Comisso, and also looks at less conventionally literary genres. Duncan takes on the thorny theoretical issues surrounding questions of gay identity and also provides a sound historical context for his discussion of how Italian narrative sheds light on Italian homosexuality and on the broader issues attending contemporary sexuality, including complicating factors such as race. While the early texts considered were produced at a historical moment when 'homosexuality' as a culturally meaningful entity had yet to crystallize, recent autobiographies show the authors reflecting explicitly on questions of gay identity and what it means to be a homosexual male in present-day Italy. In charting the emergence of the homosexual in twentieth-century Italy, however, Duncan's focus is less on questions of identity than on the meaning attributed to sex between men in the broader cultural context. His book is a significant contribution to Italian literary criticism and to gender, gay, and cultural studies.

[Queer Italy](#) - Miguel Malagrecá 2007

Queer Italy is the first multi-methodological inquiry into the historical, political and representational contexts behind the current plea for civil unions that queers advocate in Italy. Concerned with the links between identity, subjectivity and sexuality in Italy, this book opens Italian studies to previously neglected discussion of queer and migrant subjectivities. The author applies Lacanian film analysis and auto-ethnographic passages to question the uses of queer politics in Italy. Accessible and

comprehensive, this is an ideal text for undergraduate and graduate courses on Italian culture, cultural studies and film studies.

[Italian Sexualities Uncovered, 1789-1914](#) - Valeria P. Babini 2015-03-24

Bringing together an interdisciplinary group of scholars, this volume explores nineteenth-century Italian sexualities from a variety of viewpoints, illuminating in particular personal and political relationships, same-sex desires, gender roles that defy societal norms, sexual behaviours of different classes and transnational encounters.

Lelia's Kiss - Laura Giannetti 2009-01-01

In *Lelia's Kiss*, Laura Giannetti offers a new perspective on the way gender and marriage were portrayed, imagined, and critiqued on stage during the Italian Renaissance. Going beyond the traditional canon, Giannetti focuses her study on the social and cultural scripts found in a wide array of comedies of the period to reveal the relativity of sex and gender roles and their cultural construction in Renaissance society. Giannetti argues that the comedic dialogue and cross-dressing characters so prevalent in Italian Renaissance comedies played with the presuppositions of the day and engaged with contemporary social norms, expectations, and desires. Cross-dressing female characters reveal the relativity of sex and gender roles, and also present a vision of female empowerment. At the same time, cross-dressing male characters suggest a unique perception of the male life cycle that was more uncertain and contested than often assumed, and show more broadly how masculinity was also socially and culturally constructed. In discussing marriage, sexuality, and gender roles, the comedies deploy a social scripting that not only reflects and comments on the everyday life of the time, but also interacts with it with playful humor and revealing insight.

The Oxford Handbook of Dante - Manuele Gragnolati 2021

The *Oxford Handbook of Dante* contains forty-four specially written chapters that provide a thorough and creative reading of Dante's oeuvre. It gathers an intergenerational and international team of scholars encompassing diverse approaches from the fields of Anglo-American, Italian, and continental scholarship and spanning several disciplines: philology, material culture, history, religion, art history, visual studies, theory from the classical to the contemporary, queer, post- and de-colonial, and feminist studies. The volume combines a rigorous reassessment of Dante's formation, themes, and sources, with a theoretically up-to-date focus on textuality, thereby offering a new critical Dante. The volume is divided into seven sections: 'Texts and Textuality'; 'Dialogues'; 'Transforming Knowledge'; 'Space(s) and Places'; 'A Passionate Selfhood'; 'A Non-linear Dante'; and 'Nachleben'. It seeks to challenge the Commedia-centric approach (the conviction that notwithstanding its many contradictions, Dante's works move towards the great reservoir of poetry and ideas that is the *Commedia*), in order to

bring to light a non-teleological way in which these works relate amongst themselves. Plurality and the openness of interpretation appear as Dante's very mark, coexisting with the attempt to create an all-encompassing mastership. The Handbook suggests what is exciting about Dante now and indicate where Dante scholarship is going, or can go, in a global context.

Performing Place in French and Italian Queer Documentary Film - Oliver Brett 2018-10-11

This book explores the space of queer documentary through the modernist optic of Marcel Proust's 'lieu factice' (artificial place), a perspective that problematizes the location of place in a post-postmodern world with a dispersed sense of the real. The practice of queer documentary in France and Italy, from the beginning of the new millennium onwards, is seen to re-write the coherence of 'place' through a range of emerging queer realities. Proposing the post-queer as a way of contending with the spatial dynamics of these contexts, analysis of key texts positions place as mourned, conceded and intersectional. The performance of place as agency is considered through the notional film, the radical archive of documentary, the enactment of politics, queer indeterminacy and a phenomenology of the object, the frame and queer mobility. The central themes of family, gender, dis/location, in/visibility and re/presentation question blind investment in the integrity of being emplaced.

Trends in Contemporary Italian Narrative 1980-2007 - Gillian Ania 2009-05-05

The 'new Italian narrative' that began to be spoken about in the 1980s was not associated with a single writer or movement but with an eclectic and varied production. The eight essays that make up this volume set out to give a flavour of the breadth and range of recent trends and developments. The collection opens with two essays on crime fiction. In the first, Luca Somigli examines novels dealing with topical issues or recent history and which reveal a strong indigenous and regional tradition, while in the second, Nicoletta McGowan discusses the particular case of a noir by Claudia Salvatori. They are followed by essays on two of Italy's best-known contemporary writers: Marina Spunta's essay explores the representation of space, place and landscape in the work of Gianni Celati and photographer Luigi Ghirri, while Darrell O'Connell analyses the fiction of Vincenzo Consolo, and his struggle to find a means of representing an ethical stance within fiction. Two essays then examine the role of the anthology for young writers: Charlotte Ross and Derek Duncan in the context of lesbian and gay writing, looking at identity politics and the problematics of categorization; Monica Jansen and Inge Lanslots in that of the "Young Cannibals", and their often unsettling non-literary language and orientation towards cinema, pop music and slang. The penultimate essay, by Jennifer Burns, discusses the literature of migrants to Italy, focusing on questions of identity, memory, mobility and language, while the final contribution, by Gillian Ania, is a study of apocalypse and dystopia in contemporary writing, looking at novels by Vassalli, Capriolo, Avoledo and Pispisa. "This volume examines Italian narrative from the 1980s to the present, from the original viewpoint of genres, categories, trends, rather than author-based analyses. It highlights the innovations of the last twenty years, incorporating into the various themes well known writers like Consolo, Celati and Vassalli, with relative newcomers like Avoledo and Pispisa. The contributors to the volume, academics from the UK, Ireland, Canada, Belgium, cover a wide range of themes which have come to the fore during this period, ranging from detective stories (both the giallo and the noir) to lesbian and gay writing, to immigration literature in Italian, to the study of apocalypse and dystopia. The themes are contextualized in the socio-political and cultural changes taking place in Italy, and parallel to this the temporal moments of the narratives are in turn related to their historical realities. This is a richly woven account which presents post '80s Italian narrative from a new and stimulating angle, in eight

lucid and informative essays which will be welcomed by all those interested in contemporary fiction in its cultural context." —Professor Anna Laura Lepschy, Department of Italian, University College London
Aesthetic Modernism and Masculinity in Fascist Italy - John Champagne 2013

Aesthetic Modernism and Masculinity in Fascist Italy is an interdisciplinary historical re-reading of a series of representative texts that complicate our current understanding of the portrayal of masculinity in the Italian fascist era. Champagne seeks to evaluate how the aesthetic analysis of the artifacts explored offer a more sophisticated and nuanced understanding of what world politics is, what is at stake when something - like masculinity - is rendered as being an element of world politics, and how such an understanding differs from more orthodox 'cultural' analyses common to international relations.

Queer Italia: Same-Sex Desire in Italian Literature and Film - G. Cestaro 2004-07-22

Queer Italia gathers essays on Italian literature and film, medieval to modern. The volume's chronological organization reflects its intention to define a queer tradition in Italian culture. While fully cognizant of the theoretical risks inherent in trans-historicizing sexuality, the contributors to this volume share an interest in probing the multi-form dynamics of sexual desires in Italian texts through the centuries. The volume aims not to promote the mistaken notion of a single homosexuality through history. Rather, these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various, complex workings of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. Queer Italia is the first and only work of its kind in Italian criticism. As such, it will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists.

The Ashgate Research Companion to Queer Theory - Noreen Giffney 2016-03-23

This interdisciplinary volume of thirty original essays engages with four key concerns of queer theoretical work - identity, discourse, normativity and relationality. The terms 'queer' and 'theory' are put under interrogation by a combination of distinguished and emerging scholars from a wide range of international locations, in an effort to map the relations and disjunctions between them. These contributors are especially attendant to the many theoretical discourses intersecting with queer theory, including feminist theory, LGBT studies, postcolonial theory, psychoanalysis, disability studies, Marxism, poststructuralism, critical race studies and posthumanism, to name a few. This Companion provides an up to the minute snapshot of queer scholarship from the past two decades and identifies many current directions queer theorizing is taking, while also signposting several fruitful avenues for future research. This book is both an invaluable and authoritative resource for scholars and an indispensable teaching tool for use in the classroom.

Reading and Writing Italian Homosexuality - Derek Duncan 2006
