Command and Persuade - Peter Baldwin 2021-10-05

Why, when we have been largely socialized into good behavior, are there more laws that govern our behavior than ever before? Voted one of the best law books of 2021 by the UK Times. Levels of violent crime have been in a steady decline for centuries--for millennia, even. Over the past five hundred years, homicide rates have decreased a hundred-fold. We live in a time that is more orderly and peaceful than ever before in human history. Why, then, does fear of crime dominate modern politics? Why, when we have been largely socialized into good behavior, are there more laws that govern our behavior than ever before? In *Command and Persuade*, Peter Baldwin examines the evolution of the state's role in crime and punishment over three thousand years. Baldwin explains that the involvement of the state in law enforcement and crime prevention is relatively recent. In ancient Greece, those struck by lightning were assumed to have been punished by Zeus. In the Hebrew Bible, God was judge, jury, and prosecutor when Cain killed Abel. As the state's power as lawgiver grew, more laws governed behavior than ever before; the sum total of prohibited behavior has grown continuously. At the same time, as family, community, and church exerted their influences, we have become better behaved and more law-abiding. Even as the state stands as the socializer of last resort, it also defines through law the terrain on which we are schooled into acceptable behavior.

Pursuit for Revenge - Just Plain Bob 2014-10-17

That I want to spend some time with you, but I don't want it to be an exclusive thing. We both need to see other people Robert is happily married to Rebecca for eleven years - he considers it the best years of his life and he's pretty convinced that the marriage is rock solid. But something's telling him something's not right. He accidentally overhears disturbing remarks from his colleagues at work involving Rebecca. Add to that, Rebecca's responses to him when he asks about her card nights are darkly suspicious. A phone call to one of Rebecca's friends and card night buddy reveals that his wife has been lying all along for three months. Robert embarks on a plan to confirm his suspicions and what he sees one night while spying at his house just bares it all. Now, it's time to get even - not only with Rebecca but also with his degenerate colleagues. What you're about to find out next are beautifully crafted pieces of pure revenge... SAMPLE 1: I sat there watching and five minutes later Charlie pulled up and got out of his car with a woman who wasn't his wife. Next came Mel and his lovely wife Judy followed by another two couples I didn't recognize. The next arrival was the one I hoped I wouldn't see. Phil pulled up, parked and went into the house. Two more couples showed up and they appeared to be the last. By the time the last couples had shown, it was starting to get dark out. I waited another thirty minutes and then I got out of the rental and approached the house. I hoped that there weren't any nosey neighbors looking out their windows as I made my way around the house that everyone had entered. I finally found a window where the blinds had a gap in them and I peeked in and saw a sight I had never seen before. It was a full-blown orgy. SAMPLE 2: My eighteenth birthday was on the twenty-ninth of October and my parents surprised me by giving me a car for a birthday present. That freed me up to date more often and having a car made me a little more appealing to some of the girls and I started getting more dates. It wasn't until my fourth date with Pauline French that life got interesting. The first two were nothing out of the ordinary. I did get kissed goodnight and on the third we made out hot and heavy and I was definitely hoping for more. The fourth we went to the Burger Barn for burgers and fries and then went and played miniature golf. We had just finished the last hole and I asked Pauline what she would like to do next. She looked me right in the eye and asked: "Do you eat pussy, Rob?"

But when we started pretending, the feelings became all too real for me. That's when I realized he wasn't a criminal; he was just what I needed. He was what I had always secretly wanted: muscles, attitude, and a raging mass hidden beneath his zipper. With the root of his problems staring us in the face, we're forced to test the strength of our relationship. I just hope that I can hold on to this bad boy long enough to make it to the end.
