

## Right True End Of Love Sexuality And The Contemporary Church

Redeeming Love Francine Rivers 2009-08-04 #1 NATIONAL BESTSELLER • NOW A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

**The Sexual Person** Todd A. Salzman 2008-05-21 Two principles capture the essence of the official Catholic position on the morality of sexuality: first, that any human genital act must occur within the framework of heterosexual marriage; second, each and every marriage act must remain open to the transmission of life. In this comprehensive overview of Catholicism and sexuality, theologians Todd A. Salzman and Michael G. Lawler examine and challenge these principles. Remaining firmly within the Catholic tradition, they contend that the church is being inconsistent in its teaching by adopting a dynamic, historically conscious anthropology and worldview on social ethics and the interpretation of scripture while adopting a static, classicist anthropology and worldview on sexual ethics. While some documents from Vatican II, like *Gaudium et spes* ("the marital act promotes self-giving by which spouses enrich each other"), gave hope for a renewed understanding of sexuality, the church has not carried out the full implications of this approach. In short, say Salzman and Lawler: emphasize relationships, not acts, and recognize Christianity's historically and culturally conditioned understanding of human sexuality. *The Sexual Person* draws historically, methodologically, and anthropologically from the best of Catholic tradition and provides a context for current theological debates between traditionalists and revisionists regarding marriage, cohabitation, homosexuality, reproductive technologies, and what it means to be human. This daring and potentially revolutionary book will be sure to provoke constructive dialogue among theologians, and between theologians and the Magisterium.

Leaving and Coming Home David M. Cloutier 2010-06-04 SINCE 2002, THE SYMPOSIUM NEW WINE, NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation. Here, the fruits of these labors are gathered into one collection, which represents the wide scope of the future of Catholic sexual ethics. This volume offers the first collection of a new generation's approaches to Catholic sexual ethics. The collection displays young scholars with diverse views, yet whose work moves beyond the impasses that have beset the field. The volume offers original and engaging essays on a variety of topics, from the hook-up culture and dating violence, to cohabitation and homosexuality, to contraception and natural family planning, to the promises and pitfalls of "the theology of the body." The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture. David Cloutier provides an introduction that locates this work within the past decades of Catholic scholarship, and articulates new categories for future work. The essays also offer practical insights and models that will interest pastors and lay ministers, as well as scholars. Contributors include: Fr. Nicanor Pier Giorgio Austriaco, O.P., Ph.D., S.T.L., is an assistant professor of biology and an instructor of theology at Providence College in Providence, Rhode Island. In theology, Fr. Austriaco teaches courses and has research interests in bioethics, sexual ethics, and fundamental moral theology. Jana Marguerite Bennett is assistant professor of religious studies at the University of Dayton, where she teaches courses in sexual ethics and Catholic moral theology. She has written more about singleness and the relationship between singleness and marriage in her book *Water is Thicker than Blood: An Augustinian Theology of Marriage and Singleness* (Oxford UP, 2008). Florence Caffrey Bourg is the author of *Where Two or Three Are Gathered: Christian Families as Domestic Churches* (University of Notre Dame Press), as well as many articles and reviews on theology of marriage and family. Dr. Bourg taught at the College of Mount St. Joseph in Cincinnati before returning home to New Orleans. She now teaches at the Academy of the Sacred Heart, and has been a visiting professor at Loyola University and Springhill College. David Cloutier is assistant professor of theology at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Love, Reason, and God's Story: An Introduction to Catholic Sexual Ethics* (Anselm Academic/Saint Mary's Press, 2008), as well as a number of essays on Catholic sexual ethics and fundamental moral theology. Jason King is currently chair of the theology department at St. Vincent College in Latrobe, PA. His works include *Save the Date: A Spirituality of Dating, Love, Dinner and the Divine* (Crossroad, 2003), *Dating: A Practical Catholic Guide* (Knights of Columbus Supreme Council Veritas Series, 2007), and "Ecumenical Marriage as Leaven for Christian Unity" in the *Journal of Ecumenical Studies*. He has recently done work for the United States Conference of Catholic Bishops website *For Your Marriage*. He is married and has three children. William C. Mattison III is assistant professor of theology at the Catholic University of America in Washington, DC. His primary area of research is Thomistic moral theology and virtue ethics. He recently completed an introductory book entitled *Introducing Moral Theology: True Happiness and the Virtues* (Brazos, 2008). David Matzko McCarthy is the Father Forker Professor of Catholic Social Teaching at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Sex and Love in the Home: A Theology of the Household* (SCM Press, 2001, 2004 revised ed.), and *The Good Life: Genuine Christianity for the Middle Class* (Wipf & Stock, 2009). Maria C. Morrow is a doctoral candidate at the University of Dayton whose interests in Catholic moral theology include the interconnection of virtue and sacrament, with particular interest in penance. Christopher C. Roberts is the author of *Creation & Covenant: the significance of sexual difference in the moral theology of marriage* (Continuum, 2008). He is a research fellow in the ethics program at Villanova University. He graduated from Yale, Oxford and King's College London and is a former PBS television reporter. Julie Hanlon Rubio is associate professor of Christian ethics at St. Louis University. She is the author of *A Christian Theology of Marriage and Family* (Paulist Press, 2003) and *Family Ethics: Practices for Christians* (Georgetown University Press, 2010), and co-editor of *Readings in Moral Theology No. 15: Marriage* (Paulist Press, 2009). She lives in St. Louis with her husband and three sons. Michel Therrien is a professor of Fundamental Moral Theology and the Academic Dean at St. Vincent Seminary. He holds a Licentiate in Sacred Theology from the International Theological Institute for Studies on Marriage and the Family in Trarbach, Austria, and a Doctorate in Fundamental Moral Theology from the University of Fribourg in Switzerland. Kari-Shane Davis Zimmerman teaches at the College of Saint Benedict/Saint John's University in Minnesota. She specializes in courses that deal with the intersection of family and church life, as well as issues pertaining to sex and work. She received her Ph.D. in theological ethics from Marquette University in 2007.

**The Invention of Heterosexuality** Jonathan Ned Katz 2014-12-10 "Heterosexuality," assumed to denote a universal sexual and cultural norm, has been largely exempt from critical scrutiny. In this boldly original work, Jonathan Ned Katz challenges the common notion that the distinction between heterosexuality and homosexuality has been a timeless one. Building on the history of medical terminology, he reveals that as late as 1923, the term "heterosexuality" referred to a "morbid sexual passion," and that its current usage emerged to legitimate men and women having sex for pleasure. Drawing on the works of Sigmund Freud, James Baldwin, Betty Friedan, and Michel Foucault, *The Invention of Heterosexuality* considers the effects of heterosexuality's recently forged primacy on both scientific literature and popular culture. "Lively and provocative."—Carol Tavris, *New York Times Book Review* "A valuable primer . . . misses no significant twists in sexual politics."—Gary Indiana, *Village Voice Literary Supplement* "One of the most important—if not outright subversive—works to emerge from gay and lesbian studies in years."—Mark Thompson, *The Advocate*

**The Triumph of Love** Eric Reitan 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same-sex marriage. Many Christians see these changes as a defeat for Christian values, often painting Christian opponents as sell-outs to secular culture. But can there be a genuinely Christian case for same-sex marriage? This book makes that case. While sensitive to scriptural issues, it focuses on a question that cannot be answered by Scripture alone: What does love for our gay and lesbian neighbors demand? This question calls us to pair theological, philosophical, and scriptural reflection with something else: attention to gay and lesbian lives. We must attend to the psychological research and, more importantly, to the stories our gay and lesbian neighbors tell us about themselves and their experience. Love does not permit us to plug our ears with Bible verses. While this book argues that Christian love calls us to make same-sex marriage available, the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love: love for those with whom we disagree, and love for those most affected by the decisions we reach.

**Sexual Virtue** Richard W. McCarty 2015-01-08 Uses virtue ethics to offer a sexual ethics inclusive of LGBT and straight people, one that challenges the longstanding procreative patriarchal norm. Richard W. McCarty offers a compassionate and inclusive conception of sexual virtue, one that liberates Christians from traditional patriarchal requirements for heterosexuality, marriage, and procreation. Daring to depart from ongoing debates about what Aristotle or Aquinas had to say, this book sets a new course centered on virtue ethics. It employs new insights from the sciences, biblical scholarship, analyses of church traditions, and revisionist natural law thinking. Eschewing simple deconstruction of traditional Christian norms for sexual morality, McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual relationships. Recreation, relational intimacy, and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework. While primarily referencing the Roman Catholic intellectual tradition, McCarty's work is also vital and accessible to those from Protestant backgrounds. Addressed to LGBT and straight readers, *Sexual Virtue* provides a compassionate sexual ethics for our time.

**Humanae Vitae, 50 Years Later** Charles J. Chaput 2019 "Experts representing a variety of disciplines including history, culture, theology, medicine, law, and psychology reflect upon the Catholic Church's teachings on marriage and licit methods for the regulation of births, on the occasion of the 50th anniversary of the papal document *Humanae vitae*. Includes selected bibliography"--

**The Meaning of Singleness** Danielle Treweek 2023-05-09 Is Christian singleness a burden to be endured or a God-ordained vocation? Might singleness here and now give the church a glimpse of God's heavenly promises? Dani Treweek offers biblical, historical, cultural, and theological reflections to retrieve a theology of singleness for the church today. Drawing upon both ancient and contemporary theologians, including Augustine, Ælfric of Eynsham, John Paul II, and Stanley Hauerwas, she contends not only that singleness has served an important role throughout the church's history, but that single Christians present the church with a foretaste of the eschatological reality that awaits all of God's people. Far from being a burden, then, Christian singleness is among the highest vocations of the faith.

**Engaging the Doctrine of Marriage** Matthew Levering 2020-08-12 This book is the next volume in Levering's *Engaging Doctrine* series. The prior volume of the series examined the doctrine of creation. The present volume examines the purpose of creation: the marriage of God and humans. God created the cosmos for the purpose of the marriage of God and his people—and through his people, the marriage of God and the entire creation. Given that the central meaning or "prime analogate" of marriage is the marriage of God and humankind, the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme. After a first chapter defending and explaining the biblical witness to the marriage of God and his people, the book explores various themes: marriage as an image of God, original sin as the fall of the primordial marriage, the cross of Jesus Christ and marital self-sacrificial love, the procreative and unitive ends of marriage, marriage as a sacrament, and marriage's importance for social justice and for the upbuilding of the kingdom of God. Along the way, the book provides an introduction to the key biblical, patristic, medieval, modern, and contemporary thinkers and controversies regarding the doctrine of marriage.

**The Rise and Fall of Liberal Protestantism in America** David R. Carlin 2022-04-07 When I speak of liberal Protestants, I have in mind those Protestants who feel free to depart from classical Protestantism (the Protestantism of the Reformers) in order, as they see it, to keep Christianity in step with the best of secular wisdom--a secular wisdom that often includes attacks on Christianity. Over the past 250 years there have been three great attacks on Christianity: deism, agnosticism, and the sexual revolution. And so, beginning with Unitarianism more than 200 years ago, liberal Protestantism has adjusted to these attacks by dropping more and more of traditional Christian doctrine, until today the more advanced liberal Protestants are only barely distinguishable from atheists.

**Seduced by Grace** Michael Bernard Kelly 2011-06-01 In these collected writings - essays, articles, letters - Michael Kelly invites us into an intimate exploration of the inner wisdom and radical challenge of Christianity. In reflections that take us from the fields of Nicaragua to the 'War on Terror', from the joy of erotic pleasure to the challenge of rebuilding the church, Kelly gives voice to a spirituality of desire, grounded in justice and love.

**John Paul II's Contribution to Catholic Bioethics** Christopher Tollefsen 2008-01-18 Any list of the most influential figures of the second half of the twentieth century would arguably have to begin with the name of Pope John Paul II. From 1978, when he was inaugurated, to the present, over a quarter of a century later, the Pope has been a dominant force in the world, both within the Catholic and Christian Church, and in the larger international community. Among the areas in which the Pope has been of signal importance to contemporary discussion, argument, and policy has been the field of bioethics. This collection brings together for the first time in an accessible and readable form a summary and assessment of John Paul II's contribution to bioethical issues and theories. It includes discussion of the Pope's views on the dignity of the person and the sanctity of human life, and the application of these views to various difficulties in medical ethics such as abortion and embryo research, the right to health care and the problem of suffering. Throughout, attention is paid to the way in which the Pope stands as a recognizably authentic voice for the Catholic faith in the medical arena.

**Not Just Private** Craig Bakker 2023-03-07 Both within the church and outside of it, popular discourse around sex is often shallow and individualistic. This is especially true on the topic of sex outside of marriage. *Not Just Private* explains how our sexual practices can and should stem from our deeply held, uniquely Christian convictions--convictions that mean we cannot talk about sex apart from Christian community or Christian character. Laying out those foundations allows us to recover Christian insights that many of us have lost and to identify the cultural syncretism that has crept into our churches. With these foundations in view, we can see how sex is not about following rules or avoiding harm but rather about producing certain kinds of individuals and communities. This is a book for Christians who want to be chaste but are not sure why they should be. This is also a book for non-Christians wondering why some Christians practice what Oscar Wilde described as the greatest sexual perversion: namely, chastity. In the end, *Not Just Private* shows both how Christian perceptions and beliefs are deeply at odds with the practice of extramarital sex and how the perceptions and beliefs that support extramarital sex are unchristian.

**The People of the Truth** Robert E. Webber 2001-02-06 In this provocative book, a prominent theologian and a leading Christian editor speak to all Christians who have grown mistrustful of the church's involvement in religio-political power-plays and are seeking the way home. Robert E. Webber

and Rodney Clapp examine the dilemma so many Christians face--what to do if you are an enthusiast for neither the New Right nor the Old Left but still take seriously the church's social and political responsibility. 'People of the Truth' offers a biblical solution to this perplexing question. The authors show how American Christians have come to depend on the nation, rather than the church, as their primary instrument of social change and communal influence. They call for the church to move beyond the dead end of civil religion to affirm the authentic role of the worshiping community in effecting social change. The church should dare to lay down its life, the authors write, to give up its ill-begotten political leverage; to turn aside from success and stop counting heads (or dollars); to stand at the side of forgotten poor and oppressed; to be a sign and a witness of humanity's insufficiency and God's all-sufficiency. Drawing upon the works of many esteemed theologians and historians, the authors trace the growth of Christianity and offer a fresh approach to the history of the church in the world. They reveal how the church's identity and vision have become confused, how they can be recovered, and how Christians--by living out their distinctive story as a worshiping community--can heal society's ills. 'People of the Truth' provides concrete examples of how the church, by realigning itself with its Christ-centered mandate, can effectively respond to such urgent problems as poverty, drug abuse, violence, pornography, AIDS, and the ever-present threat of nuclear war. Here is at once a summons and a guide for the church to become in fact what it has always been ideally: the only people charged with proclaiming this Christ . . . a people of the truth.

**The Oxford Handbook of Theology, Sexuality, and Gender** Adrian Thatcher 2015 Selected essays draw on reason as a distinct source of theology, discussing evolutionary biology and behavioural genetics, psychology, anthropological research, philosophical research, and queer theory. It examines the history of theologies of sexuality and gender, with close analysis of the Bible and the Christian tradition.

**WE ARE AT WAR** Vitalis Chi. Nwaneri 2013-10-31 The World is undergoing crises of faith in God and peace on earth. These crises are threatening the roots of world civilization. We are indeed at war with the only enemy of God and Man, Satan itself which instigates these crises . The ongoing wars in Syria, Egypt and most Islamic and Communist nations show that leaders like Syria's President Assad, like Hitler, are clearly influenced by Satan. To address these crises , Pope Francis called on the world to devote Saturday 7, 2013 to Prayer and Fasting for enhancement in the levels of World Peace and Faith . He also called on the Laity in the Church to carry the message of The New Evangelization to the Secular world that cannot be reached through Church teaching . Through these Books , the Author responds to the Pope's call . His goal is to remind the world of today that its main enemy is Satan , the Devil who is the Master of Lies, Deceptions and Anti-Christ. We can stop blaming and fighting only our neighbors for our wars and crises. The world seems to be forgetting that God commands us to love our neighbors including those we view as our enemies. Satan is the main enemy to blame and fight because it is the only enemy of God and Man whose mission on earth is to tempt us to abandon our faith , love , obedience and service to God and our neighbors . We seem to be forgetting also that Christ established the Pillars of modern civilization , justice, peace, happiness and Good Governance which we enjoy today. His Church had been spreading these Pillars across world history. Through debates with Atheists and other non-believers at secular platforms and language, the Author reminds the world of these facts of its history and calls them back to the roots of its civilization . He reminds them that Satan tempts us to disobey God and follow its evil ways as many people are doing. Today we see many people driving God out of their lives and secular governance. Finally, the Author reminds the world that Christ promised Eternal Life in heaven for those who follow Him and eternal suffering in hell for those who follow the enemy. Christ had promised these will happen at His End Time Judgment. It is therefore appropriate that the world be reminded in "This Year of Faith" that God's commandments extend to both our religious and secular lives and Governance. So, as we promise at Baptism , let's reject Satan and all its Lies, Deceptions and False Promises and stop its temptation to drive God out of our lives and governance .

*"Who Am I to Judge?"* Stephan Goertz 2021-11-08 Die Haltung der katholischen Kirche gegenüber Homosexualität ist nach wie vor zwiespältig: Homosexuelle sollen geachtet und nicht diskriminiert werden, aber ihre intimen Beziehungen werden moralisch verurteilt. Die Beiträge dieses Bandes plädieren für eine Änderung dieser Position. Homosexualität ist als Variante menschlicher Beziehungs- und Liebesfähigkeit anzuerkennen. Dazu werden exegetische, theologische, ethische und humanwissenschaftliche Argumente vorgetragen. Es gibt gute Gründe für eine Revision der katholischen Lehre über Homosexualität.

**Confessions of an Alleged Good Girl** Joya Goffney 2022-05-03 The hotly anticipated second book from Joya Goffney, author of the 2021 YA romcom *Excuse Me While I Ugly Cry*. Monique lives a perfect life - a preacher's daughter and the girlfriend of the town's golden boy. But it's not that simple. She's torn between her parents who want the pure virginal daughter, and her boyfriend, Dom, who wants to explore the more intimate side of their relationship. Tired of waiting, her boyfriend breaks up with her, spurring Monique to discover she has a medical condition that makes her far from perfect and she concocts a plan to fix her body and win him back. With the help of her frenemy, Sasha, the overly zealous church girl Monique's mum pushes her to hang out with, and Reggie, the town's bad boy, Monique must go on trips to unknown and uncomfortable places to find the treatment that will help her. But in doing so, she must face some home truths: maybe she shouldn't be fixing her body to please a boy, maybe Sasha is the friend she needed all along and maybe Reggie isn't so bad at all. This is a powerful story about the journey towards loving yourself, told with heart, humour and a delicious love triangle. Contains explicit references to sex and sexual health.

Love Thy Body Nancy R. Pearcey 2018-01-02 Why the call to Love Thy Body? To counter a pervasive hostility toward the body and biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."--Mary Poplin, Claremont Graduate University; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute

*The Making of Romantic Love* William M. Reddy 2012-07-09 In the twelfth century, the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives. Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy, European poets, romance writers, and lovers devised a vision of love as something quite different from desire. Romantic love was thus born as a movement of covert resistance. In *The Making of Romantic Love: Longing and Sexuality in Europe, South Asia, and Japan*, William M. Reddy illuminates the birth of a cultural movement that managed to

regulate selfish desire and render it innocent—or innocent enough. Reddy strikes out from this historical moment on an international exploration of love, contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa, and in Heian Japan from 900-1200 CE, where one finds no trace of an opposition between love and desire. In this comparative framework, Reddy tells an appealing tale about the rise and fall of various practices of longing, underscoring the uniqueness of the European concept of sexual desire.

**Women, Gays, and the Constitution** David A. J. Richards 1998-07-20 In this remarkable study, David A. J. Richards combines an interpretive history of culture and law, political philosophy, and constitutional analysis to explain the background, development, and growing impact of two of the most important and challenging human rights movements of our time, feminism and gay rights. Richards argues that both movements are extensions of rights-based dissent, rooted in antebellum abolitionist feminism that condemned both American racism and sexism. He sees the progressive role of such radical dissent as an emancipated moral voice in the American constitutional tradition. He examines the role of dissident African Americans, Jews, women, and homosexuals in forging alternative visions of rights-based democracy. He also draws special attention to Walt Whitman's visionary poetry, showing how it made space for the silenced and subjugated voices of homosexuals in public and private culture. According to Richards, contemporary feminism rediscovers and elaborates this earlier tradition. And, similarly, the movement for gay rights builds upon an interpretation of abolitionist feminism developed by Whitman in his defense, both in poetry and prose, of love between men. Richards explores Whitman's impact on pro-gay advocates, including John Addington Symonds, Havelock Ellis, Edward Carpenter, Oscar Wilde, and André Gide. He also discusses other diverse writers and reformers such as Margaret Sanger, Franz Boas, Elizabeth Stanton, W. E. B. DuBois, and Adrienne Rich. Richards addresses current controversies such as the exclusion of homosexuals from the military and from the right to marriage and concludes with a powerful defense of the struggle for such constitutional rights in terms of the principles of rights-based feminism.

**Revelation** 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*Sexing the Church* Aline H. Kalbian 2005-04-05 "A wonderful book that gives us a fresh angle of vision on modern Roman Catholic teaching about sex, marriage, gender relationships, and reproduction. After reading *Sexing the Church*, few will doubt the extent to which Catholic teaching about the law of nature owes no small debt to history and culture." -- Richard B. Miller, Poynter Center for the Study of Ethics and American Institutions "...Catholic attitudes about women in the priesthood... display [a] contradiction between egalitarian and subordinationist views.... Women are denied access to the 'eucharistic' priesthood because allowing them in would upset the redemptive order. Why is it, then, that imagery from the created order (women as mothers, brides, virgins) is often used to describe the redemptive 'mystery' that connects Christ with the Church? Why is the Church 'sexed' female?... This sexing of the Church is more than just an example of how gender and order work in Catholic morality; it also reveals tensions in the complex patterns of Catholic reasoning about marriage, reproduction, and church authority. In a surprising way, it challenges the order enforced by the Catholic ethics of marriage and reproduction." -- from Chapter One The regulation of human sexuality in contemporary Catholicism, a topic that monopolizes public conversation about the Catholic Church, is also a central concern of Catholic theological discussions of religious ethics. Aline H. Kalbian traces the history of the connection between moral theology and sexual ethics as it applies to the concern for order in official teachings on marriage, reproduction, and sex. She explores order as it is reflected in the theology of marriage, the 20th-century challenge to that order in the debates on contraception and assisted reproduction, and the way attitudes about gender in Catholicism connect theological and moral order with ecclesiastical order.

*The Scandal of the Evangelical Mind* Mark A. Noll 2022-03-15 Winner of the Christianity Today Book of the Year Award (1995) "The scandal of the evangelical mind is that there is not much of an evangelical mind." So begins this award-winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians. Unsparring in his indictment, Mark Noll asks why the largest single group of religious Americans—who enjoy increasing wealth, status, and political influence—have contributed so little to rigorous intellectual scholarship. While nourishing believers in the simple truths of the gospel, why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities, the arts, and other realms of "high" culture? Over twenty-five years since its original publication, *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant. In a new preface, Noll lays out his ongoing personal frustrations with this situation, and in a new afterword he assesses the state of the scandal—showing how white evangelicals' embrace of Trumpism, their deepening distrust of science, and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections.

*Everyone in This Room Will Someday Be Dead* Emily Austin 2021-07-06 "Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman, who has been trying to reach her friend through the church inbox, but she also can't bring herself to break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence."--Amazon.

**A Space for Belief** Stephen Ross White 2006 What is theology for, and what is its relationship to prayer, worship and daily living? All too often theology appears to be divorced from the everyday concerns of the church, and this book argues that theology is not only relevant, but also essential to the well-being of the church.

*A Good News Spirituality* John Burke 2000 Building on solid tradition, this book on leadership formation helps lay ministers preach the Word more effectively by growing in holiness themselves and thus encouraging others to grow in holiness.

**All About Love** bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
