The Layguide: - Tony Clink 2004-07-01

Take The Chump Challenge True Or False: 1. Treating a girl you like to a dinner date is a great idea. 2. Slipping sexual innuendo into a conversation with a girl you hardly know is a bad idea. 3. Talking to the prettier of two girls is a good idea. If you answered false to all three questions, you just might be a PUA (pickup artist.) Otherwise, you are an AFC (average frustrated chump.) If you think that's crazy, consider this: these dynamics have been confirmed hundreds of times by hundreds of men. The Layguide teaches any guy the proven techniques of the best pickup artists in the world: • The 3-seconds Rule (the most important rule you'll ever learn). • Developing the confidence of a true player. • How to become an Alpha Male. • The most successful approaches. • Gimmicks that work. • Closing the deal. Armed with the wisdom collected in The Layguide, you will never again waste money on go-nowhere dates. You will never again hesitate to approach a beautiful woman. You will no longer fear rejection. You will never be a supplicating chump just because a woman is attractive. You WILL be an unapologetically sexual male with poise, power, and the skills to have any woman you desire. Tony Clink is the webmaster of www.layguide.com, and one of the most successful pick-up artists in the world.

[How to Seduce Hot Women Online](#) - Kent Lamarc 2013-06-08

I've been banned more than 5 times, nearly always in less than 2 weeks, and for one reason only - I was picking all the women I wanted from many online platforms. Most of these websites were not for dating, and many of the women I met had boyfriends or husbands, but this didn't stop them from contacting me and go out on a date. In this book, I reveal the secret that allowed me to pick-up dozens of beautiful women from many websites, and that allowed acquaintances to do it faster than me from Facebook and other more popular platforms. The secrets here revealed are so effective that quickly draw the attention of everyone, both jealous men and competitive women. In the end, it's a race against time, while the men try to put you out of the competition in every way

they can, and women make you so popular that you start receiving invitations to talk privately online and go on dates with those you haven't had to say whatsoever. This is about a female magnet that works every single time, even though it will eventually make you get banned as well. But, who cares about being banned, once your mobile is full of numbers of hot women and most of them expect to become your girlfriend or at least sleep with you? Don't be fooled about how simple these strategies may seem! Every single pick-up artist that teaches you online dating is either using part of them or all at the same time. Game on!

Seduce. First Step - Michael Branson 2019-07-14

If you do not look like Brad Pitt, then the usual "Hello, little" is not enough. If, at your sight, women do not faint, do not invite you to each other in the evening and do not want to squash every square inch of your body (not necessarily in the same order), then you will have to learn the art of picking. This is not so complicated - you just have to charm and attract the woman at the same time, inspire confidence in her and impress her. Nobody says it is simple - but nobody asserts that it is not feasible. You'll learn from this chapter on how to take the first step. So work. Let's say you've seen her. She is pretty, shapely, nice, moves gracefully, has something in her, or looks like your future girlfriend. Think about how you would like to start your relationship.

On the contrary, this is one thing that should help in the process of coupling with the opposite sex. It could happen sometimes that little interferences are created in the process of seduction, but it is not nature that creates them, we create them! I will explain how to be an alpha male in modern society, the society of the evolution of the roles! Seduction is simply and this is natural! Davide Balesi was born in 1979 in Italy.
