365 Nights Charla Muller 2008-10-13 When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day. For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, but their connection didn't seem as great as it could be. Charla decided she couldn't go on pretending the relationship they once had wasn't important. The couple would embark on a year of scheduled sex, falling over Tonka trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way (work implosions, faking it) and questions came to light. Will sex every day strengthen a marriage, or reveal the cracks? Pull a couple together or drive them apart? Does good sex (even mediocre sex) make up for things that aren't so good? And what happens when you'd just rather not?

The Rose Tiffany Reisz 2019-04-16 In the second Godwicks novel, the bestselling author of The Red "transmutes spicy mythological tales into sensual fantasies and erotic romance" (Publishers Weekly, starred review). On the day of Lia Godwick's university graduation party, her parents—wealthy art collectors with friends in high places—gift her a beautiful wine cup, a rare artifact decorated with roses. It's a stunning gift, and one that August

Bowman, a friend of her parents and a guest at Lia's party, also has his eye on. The cup, August tells her, is known as the Rose Kylix, and it's no ordinary cup. It was used in the temple ceremonies of Eros, Greek god of erotic love, and has the power to bring the most intimate sexual fantasies to life. But Lia is skeptical of August's claims of the cup's mythology and magic—after all, he's a collector himself, and she suspects he just wants to get his hands on this impressive piece of art. So he dares her to try it for herself, and when Lia drinks from the Rose Kylix she is suddenly immersed in an erotic myth so vivid it seems real—as though she's living out the most sensual fantasy with August by her side . . . Realizing the true power of this ancient and dangerous relic, Lia is even more wary of giving it up, though August insists it is only safe with him. He's willing to pay the full value of the cup, but Lia has another type of trade in mind. One that finds them more tangled up in each other—and in fantasy—than either was prepared for.

Acrobatic Sex Positions Emily Dubberley 2013-01-01 Acrobatic Sex Positions brings exciting twists and turns to 69 sex positions so wild you almost won't believe them. Not for the timid, these positions challenge flexibility and stamina and will get readers head over heels--as well as sideways and upside down--to facilitate deep penetration, hit multiple hot spots, and yield amazing orgasms. - Stairway to Heaven: A sexy intercourse position where she stands one step above him on the staircase. He enters her from behind and lifts and folds her legs back and around his waist giving her amazing G-spot stimulation. - Over the Rainbow: His palms and feet are flat on the floor with his body arched. She is draped over his body, her back following the same bend as his, her feet resting on his chest. From the side, their bodies form an arc-shaped rainbow. The rush of blood to the head makes this demanding position even more thrilling and intense. - The Pretzel: He stands upright, and penetrates her in rear-entry position. He supports her waist while she pushes her arms back and raises her legs until she can grasp her ankles with her hands, as in the bow yoga position. Once she's in place, the grip of her thighs should be enough to support her. He can keep one arm wrapped around her waist for added support; the other is free to stimulate her breasts and clitoris. The ultra-tight penetration means more stimulation for him and an ultimate filled-up feeling for her.

Overnight, the video becomes the talk of the school, and the boys are sure that their self-appointed senior year of dares will live in infamy. Every dare brings an increased risk of bodily harm, but Ben cannot deny the thrill and sense of swagger that come with it. The stakes become even more complex when a mysterious donor bankrolls their dares in exchange for a cut in the online revenue the videos generate. But at what point do the risk and the reward come at too high of a price? What does it take to stay true to one's self in the face of relentless pressure?

[Fix Her Up](#) Tessa Bailey 2019-06-11 The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute*
