**Sex Is NOT a Sin** - 2016-06-10

SOMEBODY'S Not Telling You the Truth! Whether you are a Christian or not... religious or not, you're going to be intrigued by this discovery. Does God really consider premarital sex a sin? How about prostitution? Most... No, all "Christians" believe that sex before marriage is a sin and that all prostitution is an abomination in the sight of God. But is that what God really says in scripture? Truth is... the truth has been cloaked by false religious doctrines based on critical flaws in the translations of certain words, perhaps intentionally, changing the meaning of specific pieces of scripture within the historical context it was written. What this creates is a gross misunderstanding of what the original intent of the writers was with regards to this topic. It's as if the religious elites have launched a campaign of disinformation designed to pull the wool over your eyes... But why? The outcome is condemnation and guilt for anyone who engages in premarital sex... or even thinks about it. But none of that is Biblically correct! This book proves it. Written by a Christian of more than 35 years who was challenged to expose the truth based on a failed relationship with his fiancée, in which some Christian associates openly passed judgement that his relationship wasn't blessed due to premarital sex. Having discovered the truth long ago but never really studying it, he was forced to defend himself against a barrage of accusations based on scripture thrown at him by those indoctrinated in the religion of sexual immorality: Scripture he knew was out of context with the wrong translations. Unfortunately, he lost that battle because he couldn't "show himself approved." This led to a 4-month long journey into rediscovering the truth and exposing the lies perpetrated on him and the rest of the world. Based on facts that have been hidden from the public for centuries, he reveals what God's real intentions are regarding sex, sex before marriage and prostitution. What you will discover flies in the face of main street religious doctrine that premarital sex is a sin, all prostitution is a sin and that anyone "lusting" after another to desire that

person is adultery. Whether you are a Christian or not, you will feel liberated from this distorted and false doctrine of sexual immorality and uncover what God truly has to say about those things which are really sexually immoral and why. This book is for anyone who is justly interested in the truth on this taboo. It will empower you and inspire you. This book is not a condemnation of Christianity and instead shows that it is "religion," not Christianity that is the issue. This book doesn't promote prostitution nor encourage sex before marriage, especially for young adults. It's an exploration of the truth that has been hidden for too long.

**Unprotected Texts** - Jennifer Wright Knust 2011-01-25

"An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar." —Bart Ehrman, author of *Misquoting Jesus* Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

**Sex, God, and the Conservative Church** - Tina Schermer Sellers 2017-04-21

*Sex, God, and the Conservative Church* guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual shame and actual

touch and non-touch exercises to bring healing and intimacy into a person's life.

**Good Christian Sex** - Bromleigh McCleneghan 2016-07-05

Moving beyond the deep-seated cultural feelings of shame that have long fueled the conflict between Christianity and sex—and the belief that there is only one right and valid way to practice one's sexuality—this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy. For years, Christians have been told to adhere to one singular path when it comes to sex: abstinence and purity. Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely, even among those who consider themselves devout believers. Church leaders have often refused to address the topic—or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews. Pastor McCleneghan is determined to reshape the issue—and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful. Written in her measured, non-judgmental voice, *Good Christian Sex* combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need, offering a new understanding that reconciles human love and religious faith. Breaking with outdated conventions, McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire, pleasure, nudity, fidelity, premarital sex, and the variety of sexual practices, and encourages Christians to talk about their bodies, their sensuality, and their longings in a frank, positive, and realistic way. Warm, insightful, and honest, *Good Christian Sex* is a message of hope, that at last lifts the veil of shame felt by many religious people.

**Faith Love and Sex** - Somtochukwu Ume 2012-10

This book is about the three common words we normally say, their meaning and their impacts in our daily lives. Many Christians use the word faith often but only few truly have it. This book will teach you more about faith, the application, importance and how we can apply it in our daily lives. As human beings we need faith to help us stay strong in stormy times. Another important topic discussed in this book is "love". In our world today, love is the most common word used. We use it mostly on daily basis; we understand and define it in so many ways but only few know the true meaning of it. I have seen many occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl. Some people believe in love at first sight, I'm not against it, I know something will get you attracted from somebody before you can make a move, but that attraction doesn't mean you love the person, is only being close with someone that you will get to develop real love. Real love develops is not based on physical attraction. Another important word discussed is sex. Nobody in this life can tell me he/she has never heard of sex. Sex is everywhere. This book will teach you some things you have to know about sex; it is not something you haven't heard of, but teachings in biblical way.

**Sex before Marriage. What's the harm?** - Daniele Luciano Moskal 2014-12-13

God is a holy God who feels very strongly about SEX before marriage and has listed it in the Holy Bible as one of His most serious offenses we can commit. He has made a strong moral statement on how He feels about unmarried people and sex relations which is found in the Book of 1 Corinthians, chapter 6, verses 9-10. ""Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God."" Many people know that in marriage adultery is wrong, but don't realize that God considers pre-marital sex (fornication) just as serious. God definitely says ""NO"" to any sex before marriage. In this book the author tackles this everyday question using the very Word of God to teach the reader in an easy-to-comprehend style the reasons why, 'Sex before Marriage is very harmful!!'

**Love, Sex, & Marriage** - Barrington O. Burrell 2013-04-09

This is a valuable book on the topical subjects of love, sex and marriage, from a practical Christian perspective. The author uses clear, understandable language to point out the God-given purpose of sex in marriage, and some of the potential dangers of sexual abuse. He explores the early beginnings of new-born babies and their subsequent growth over the years to puberty and adolescence. 'Teenagers are like strangers in a foreign country. They are experiencing a difficult period of transition between childhood and adulthood. At this crucial stage of their development, young people have a keen interest in fashion, music and sex. Many are sexually active, and some begin to think about marriage and family life, although they often confuse love with lust, and they are not mature enough to assume the responsibility of parenthood.'

**Shameless** - Nadia Bolz-Weber 2019-01-30

Christians are obsessed with sex. But not in a good way. For nearly two thousand years, this obsession has often turned destructive, inflicting pain, suffering, and guilt on countless people of all persuasions and backgrounds. In *Shameless*, Bolz-Weber calls for a reformation. To make her case, she offers experiences from her own life and stories from her parishioners alongside biblical theology to explore what the church has taught, and the harm those teachings have caused.

**Sex Before Marriage** - Timothy S. Lane 2009-10-31

**Why Wait** - ROSE PUBLISHING. 2001-06

*Why Wait?* is a best-selling abstinence education booklet for Christians. It discusses one of the biggest challenges among teens and singles: premarital sexual activity. This bestselling full-color pamphlet presents 24 reasons--12 biblical and 12 medical and emotional--to think twice before risking health and happiness on sex outside of marriage. Although many public school students receive sex education in school, Christians have a distinct view of the sacredness of sex that is usually not presented in a classroom setting. This *Why Wait* Pamphlet is a very basic abstinence education overview from a Christian stance that presents a Christian viewpoint on human sexuality in a simple 1-2 hour discussion. The reality is that many students today have experienced sexual contact already. Some have been taken advantage of. Others were pressured or coerced. Some have simply been naive. This grace-filled pamphlet also helps those who want to be assured of God's constant love and good plan no matter what they have experienced. It is never too late to treat yourself with respect and expect others to do the same. Abstinence Education from a Christian Point of View Teens and single adults ask themselves, *Why Wait?* Why does God care if I have sex? Everyone else is doing it. In fact, these many people are often surprised to discover that God does have very good reasons for us to wait for sex until marriage. The pamphlet presents 12 of God's compelling reasons to wait, but also provides ideas for those who have not, as well as an encouraging section on "second-time virginity." Sources for the Medical Information in this Abstinence Education Booklet All of the medical information on this pamphlet is from nationally known health organizations or researchers, such as the Centers for Disease Control, the Alan Guttmacher Institute, the National Institutes for Health, the Kaiser Family Foundations, and Johns Hopkins Medical School.

**Why Wait?** - Letha Scanzoni 1975

**Premarital Sex in America** - Mark Regnerus 2011-01-10

The period of young adulthood, from ages 18 to 23, is popularly considered the most sexualized in life. But is it true? What do we really know about the sexual lives of young people today? *Premarital Sex in America* combines illuminating personal stories and comprehensive research surveys to provide the fullest portrait of heterosexuality among young adults ever produced. Mark Regnerus and Jeremy Uecker draw upon a wealth of survey data as well as scores of in-depth interviews with young adults from around the country, both in and out of college. Digging underneath stereotypes and unexamined assumptions, the

authors offer compelling--and often surprising--answers to such questions as: How do the emotional aspects of sexual relations differ between young men and women? What role do political orientations play in their sexual relations? How have online dating and social networking sites affected the relationships of emerging adults? Why are young people today waiting so much longer to marry? How prevalent are nontraditional forms of sex, and what do people think of them? To better understand what drives the sexual behaviors of emerging adults, Regnerus and Uecker pay special attention to two important concepts: sexual scripts, the unwritten and often unconscious rules that guide sexual behavior and attitudes; and sexual economics, a theory which suggests that the relative scarcity of men on college campuses contributes to the "hookup" culture by allowing men to diminish their level of commitment and thereby lower the "price" they have to "pay" for sex. For anyone wishing to understand how sexual relations between young adults have changed and are changing, *Premarital Sex in America* will serve as a touchstone for years to come.
